## Spark Saturday

Saturday, February 14, 2015

**Please join us on Saturday, February 14, 2015** at the El Paso Museum of Art for Spark Saturday. FREE and open to the Public unless otherwise noted.

### Spark Discovery at an Art Making Workshop

**11:30 a.m. to 12:30 p.m.**

Try your hand at different mediums and discover new ways to make art. This month test out screen printing and turn your line drawing into posters and limited edition prints or bring a blank t-shirt to make a one of a kind graphic T. Children must be accompanied by an adult. Spark Discovery Workshops are designed for children and adults ages 6 and up. Pre-registration is required. Program is \$5 for members, \$10 for non-members, and non-participating adults are free.

### Spark Discussions with Gallery Conversations

**1:00 p.m. to 3:00 p.m.**

Join us for "Spark Saturday." On the second Saturday of each month the museum offers programs for multiple generations. Docents will engage visitors in conversations during Art Explorations, a program looking closely at a few artworks, at 1:00 and 2:00. At 1:30 and 2:30, younger audiences and their caregivers can have fun while learning about art in the Pre-K Book Club. This month Art Explorations will look at the art of cupids and romance.

### Spark Creativity in the Creation Lab

**1:00 to 4:00 p.m.**

On Spark Saturdays, the family classroom transforms into the Creation Lab, a place where visitors can try their hand at creating a variety of things using materials and tools provided by the museum. Come and ignite your creativity.

All class and workshop dates and times are subject to change. EPMA reserves the right to cancel classes that do not meet minimum enrollment requirements, which is determined on an individual class basis. If your class is canceled, you will be notified by phone at least 24 hours in advance.
