Game Day Recycling

El Paso, Texas – The big game is right around the corner, whether you are headed out to a party or hosting your own – the Environmental Services Department (ESD) would like to remind everyone to recycle!

Placing your recycling bin directly next to your trash bin will help increase your odds of scoring big & recycling right! Items you should place in your recycling bin include: ALUMINUM CANS, PLASTIC BOTTLES, CARDBOARD BOXES (flattened), and PLASTICS like your DELI TRAYS, DIP & CONDIMENT CONTAINERS. These materials should be clean so make sure you give these items a rinse before placing them in your recycling bin. Remember FOOD & LIQUID are NOT allowed!

All food, pizza boxes, fast food packaging, styrofoam, glass, chip & snack bags, paper towels, and napkins go in your trash bin.

When you recycle right you might notice that you are producing more recyclables than trash. You can always utilize your closest Citizen Collection Stations to properly dispose of your excess recyclables. **Residents will not need an**

I.D. or water bill to access the collections stations if they are only dropping off recyclables.

ESD's five **Citizen Collection Stations** are open Tuesday through Saturday from 8am to 4pm, and are located at the following addresses:

- 1034 Pendale** (East)
- 4200 Delta** (South)
- 121 Atlantic** (West)
- 4501 Hondo Pass** (Northeast)
- 2492 Harrison** (Central)

For more information on the Citizen Collection Stations or other services offered by Environmental Services, please visit www.elpasotexas.gov or call 3-1-1.
