AMENDMENT I

Text of Amendment

Amending Section 6.13-11D of the City Charter, relating to pensions plans to read in pertinent part as follows:

Section 6.13-11D PENSION PLANS.

Firemen and Policemen Pension Fund of El Paso. The City shall continue to augment the Firemen and Policemen Pension Fund of El Paso in a manner consistent with the laws of Texas. To augment the Firemen and Policemen Pension Fund, the Council shall in each fiscal year beginning after May 2023, appropriate no less than eighteen percent of the total amount expended for wages of the participants, and may increase this contribution rate as allowed by the relevant state law requirements based on a qualified actuary's report; provided, however, that in the event age limits for participation in the pension fund, or any division of the fund, are increased as permitted by law and the raising of the age limits causes an increase in funding costs as determined by an actuary, the City shall appropriate an amount equal to such cost increase notwithstanding that such increased appropriation may exceed the otherwise determined percent of the total amount expended for wages of the participants. Notwithstanding the foregoing, if the City elects to pick up participant contributions to the Firemen and Policemen Pension Fund of El Paso under Section 414(h) of the Internal Revenue Code of 1986, as amended (the "Code"), then the participant contributions picked up by the City shall be derived from a corresponding reduction in participant cash salaries and treated as a contribution by the City solely for determining tax treatment of such contributions under the Code. The picked up contributions by the City shall not be considered a contribution or required contribution by the City for any other purpose, including the limitations for the total amount expended for salaries of the participants designated in this Section 6.13-11.D. Notwithstanding the foregoing, the City shall have the authority to contract with the Firemen and Policemen Pension Fund to make a one time contribution (either in lump sum or installments) to the Firemen and Policemen Pension Fund solely for an underfunded liability as of December 31, 2003 or the date of contribution, under such conditions as the City in its sole discretion may require and provided that (a) such authority, action and/or contribution complies with the Firemen and Policemen Pension Fund plan

documents and all applicable statutes, laws, rules and regulations, and (b) a binding written agreement between the City and the Firemen and Policemen Pension Fund has been reached regarding (i) the amount of such under-funded liability, if any, (ii) the amount to be contributed by the City for such under-funded liability, and (iii) procedures (including, if necessary, amendments to the Firemen and Policemen Pension Fund plan documents) for managing the Firemen and Policemen Pension Fund on a going forward basis.
