- Construction Schedule
 - Start: Winter / 2020
 - End: Fall / 2020

A black and white aerial photograph of a city, likely Phoenix, Arizona, taken from a high vantage point on a hill. The foreground shows the rocky, scrub-covered slopes of the hill. The middle ground is filled with a dense urban landscape, including various commercial buildings, parking lots, and residential areas. In the background, the city extends to the horizon under a vast sky filled with large, dramatic clouds. The sun is visible, creating a bright glow and long shadows across the city.

Thank You
