2019-064 Washing of Heavy Duty Vehicles

Strategic Plan Goal:

7) Enhance and Sustain El Paso's Infrastructure

"Delivering Outstanding Services"

Streets and Maintenance Department

2019-064 Washing of Heavy Duty Vehicles

Purpose of Procurement

- The purpose of the procurement is to provide washing of heavy duty vehicles
- City Owns more than 450 heavy duty vehicles
- Services decreased from previous contract due to internal washing of vehicles
- This service is used primarily on refuse trucks (ESD)
- Service is performed mostly on site

****Service is necessary so that vehicles maintain a clean appearance and more importantly, remove excess dirt and debris from areas that can cause mechanical failures***
