An aerial, black and white photograph of a city, likely Phoenix, Arizona, taken from a high vantage point on a hillside. The city is densely packed with buildings, roads, and parking lots. In the background, a range of mountains is visible under a sky filled with large, dramatic clouds. The foreground shows the rocky and scrubby terrain of the hillside from which the photo was taken. A large, bold, black text overlay reads "Thank You" across the center of the image.

Thank You
