

RC Poe and Edgemere Roundabout

Solicitation No. 2019-002

February 5, 2019

Strategic Plan Goal:

7) Enhance and Sustain El Paso's Infrastructure Network

Project Details

Location	Intersection of Edgemere and RC Poe
Districts	5
Construction Budget	\$1,801,989
Funding Source	2001 COs, 2006 COs, 2006 Storm

Project Details

- Provide for new roundabout at RC Poe and Edgemere
- Work in conjunction with roundabout at Rich Beem and Edgemere
- Include roundabout, concrete paving, parkway and sidewalk improvements, safety lighting, and pedestrian hybrid system (HAWK system)
- Future Far East Transit Terminal to be located at the northwest corner of the intersection

Project Location

- Intersections are approximately 850 feet apart
- Roundabouts allow for free flowing traffic
- The 2 intersections with roundabouts are needed to work efficiently
