Please place the following item on the CONSENT agenda for the Council Meeting of FEBRUARY 6, 2018.

STRATEGIC GOAL 7: Enhance and Sustain El Paso's Infrastructure Network

Requesting City Council's approval to issue a solicitation using the Design-Build alternative delivery method for the construction of the Railroad Reconstruction project.

RESOLUTION

WHEREAS, on July 20, 2004, the City Council adopted a resolution approving the use of design-build as an alternative procurement method for construction projects, as permitted by Section 271.113 of the Texas Local Government Code (now Section 2269 of the Texas Government Code);

WHEREAS, on July 17, 2012, the City Council adopted the City of El Paso Design-Build Procurement Policy for City facilities and City civil works projects, setting forth the criteria for determining when the design-build method would be the appropriate method of procurement and delegating authority to the City Engineer, to determine, before advertising, which of the approved alternative procurement methods for construction provide the best value to the City;

WHEREAS, the Director of Capital Improvement Department and the Director of Purchasing & Strategic Sourcing Department have determined that Design-Build is the alternative procurement method that would provide the best value to the City for the Railroad Reconstruction construction project and requests the Council's approval of the issuance of a solicitation using the Design-Build method for the Railroad Reconstruction construction project.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

THAT the use of the Design-Build alternative project delivery method for the Railroad Reconstruction project is approved and the Director of the Purchasing Department is authorized to issue a solicitation using the Design-Build method for the Railroad Reconstruction construction project.

Passed and Approved on this _____ day of _____, 2018.
