ADDENDUM

El Paso and Bi-national Professional Experience

- 1991-2007 Vice President for Planning, El Paso Community Foundation. I have worked on the following projects related to the border:
- 1991-2002 Directed the establishment of the low income affordable housing collaborative for the City and County of El Paso. This project, funded by the Ford Foundation made possible the construction of hundreds of low-income homes through community development corporations.
- 1993-1994 Provided extensive technical assistance to Cummins Recon for a project to assist their 600 employees of Ciudad Juarez to improve their homes and housing conditions.
- 1993-2002 Member of the Advisory Committee on El Paso-Juarez air quality, sponsored by The Texas Natural Resources and Conservation Commission. The Committee devised ways of solving the serious trans-boundary air pollution problem in the El Paso-Juarez air shed. The Committee created an international air quality management district officially recognized by both countries. The Texas Natural Resources and Conservation Commission, the Environmental Defense Fund, and the El Paso Community Foundation worked with Ciudad Juarez government agencies to establish an effective and comprehensive vehicle emissions and auto paint control systems for a city of 1.5 million across the border.
- 1992-1994 Chairman, United States Environmental Protection Agency's integrated border Environmental Plan Public Advisory Committee. A 26 member committee of the U.S.-Mexico Border.
- 1991-2006 Worked extensively with Mexico's local, State and Federal officials to bring about the planning, financing, and construction of the first two sewage treatment plants in Ciudad Juarez, Chihuahua, Mexico.
- 1991-2005 Worked directly on the planning, funding, and implementation of a low income housing loan program for Ciudad Juarez in partnership with the Cooperative Housing Foundation and the Ford Foundation. Project is now being implemented.
- 1991-1996 Assisted the Federacion Mexicana de Asociaciones Privadas de Salud y Desarrollo Comunitario, A.C. (FEMAP) in their program to help 400 mini-home brick making industries convert their kiln process from burning air polluting solid waste fuel to gas.

Chronology prior to joining the El Paso Community Foundation

- 1988 Directed the City of El Paso's efforts to build a new international bridge between El Paso, Texas, and Ciudad Juárez, Chihuahua. Approval was given by both governments in 1988. Today an 80 million dollar bridge and port of entry facility for commercial and domestic traffic has been completed. This was the culmination of seventeen years of work to arrive at a successful conclusion of the Zaragoza Bridge.
- 1988 Directed the development and approval of the award winning Comprehensive Plan for the City of El Paso.
- 1981-1987 Developed program to curb illegal subdivisions in El Paso's colonias and developed

subdivision, street and drainage standards for these developments in the extra-territorial jurisdiction outside the city limits of El Paso.

- 1976-1981 Coordinated El Paso's participation in the application to the U.S. Department of Commerce to create the United States-Mexico Border Title V Economic Development Regional Commission. The Commission was approved in 1977.
- 1975-1981 Planned, organized and implemented the Organization of U.S. Border Cities from San Diego, California to Brownsville, Texas.
- 1964-1969 Senior Project Planner for the City of El Paso appointed to work directly on all facets affecting the City arising from the implementation of the 1963 Chamizal International Treaty between the United States and Mexico. The return of 437 acres of land from El Paso to Mexico required planning and coordination with Mexico, relocation of 5,000 El Paso residents, relocation of the Rio Grande River channel, arterials, ports of entry, business and community facilities.
- 1971-1973 At the request of the United States Government, served as Planning Consultant to the Republic of Costa Rica on urban and regional planning.
