AGENDA ITEM
DEPARTMENT HEAD'S SUMMARY FORM**

DEPARTMENT: Streets and Maintenance

AGENDA DATE: Introduction: February 28, 2017
Public Hearing: March 7, 2017

CONTACT PERSON/PHONE: Ted Marquez, Director, Streets and Maintenance (915) 212-0151

DISTRICT(S) AFFECTED: 8

STRATEGIC GOALS: No. 7: Enhance and Sustain El Paso's Infrastructure Network

SUBJECT:

Amend Title 12 (Vehicles and Traffic), Chapter 12.88 (Schedules), Section 12.88.010 (One-Way Streets), to amend Campbell Street, northbound between Loop 375, the Border Highway, and Schuster Avenue of the El Paso City Code to Campbell Street, northbound between East Seventh Avenue and Schuster Avenue.

BACKGROUND / DISCUSSION:

TxDOT's Loop 375 Border West Expressway Extension Project will provide better connectivity around the city; additional infrastructure to accommodate future growth; congestion relief; improved access to the university; downtown; and medical center; and better incident management and a safer roadway. Work Areas 1 and 2 are currently under construction, and the next phase will include Work Areas 3 and 4: Downtown Loop 375 Reconstruction. Converting a portion of Campbell Street from a one-way street to a two-way street will increase traffic circulation in neighborhood to accommodate new traffic patterns implemented by the limited access to the Border Highway.
