DISTRICT(S) AFFECTED: 3

SUBJECT:

An Ordinance of the City Council of the City Of El Paso, Texas, amending Ordinance No. 017793 concerning Tax Increment Reinvestment Zone Number Six, City of El Paso, Texas, established Pursuant to Chapter 311 of The Texas Tax Code, to set the City participation rate and amend the boundaries of Tax Increment Reinvestment Zone Number Six, City of El Paso, Texas.

BACKGROUND/DISCUSSION:

The City Council passed and approved Ordinance No. 017793 on May 29th 2012, which created the Tax Increment Reinvestment Zone Number Six (the "Zone") for the purpose of encouraging development of a health district on roughly 67 acres of institutional and City-owned land located in the Medical Center of the Americas ("MCA") Master Plan Area in east central El Paso, south of Interstate 10 Highway, north and west of Paisano Drive, and east of Boone Street. The MCA Master Plan Area is currently anchored by the University Medical Center of El Paso, El Paso Children's Hospital, Texas Tech University Health Sciences Center at El Paso, and the Medical Center of Americas Foundation. The Zone sunsets on December 31, 2042.

On July 29, 2014, City Council subsequently approved Ordinance No. 018219 amending the Zone to include an additional 0.8692 acres of City-owned land. The expansion facilitated the construction of the Cardwell Collaborative, a 60,000 square foot biomedical research and technology commercialization building which opened its doors in 2016.

The proposed ordinance expands the Zone an additional 595.38 acres and is expected to facilitate and encourage private development within the Zone, including a mix of office, retail, limited-service hotel and multi-family residential development in support of the emerging health district. Specifically, revenue collected on incremental increases to property value within the Zone due to natural growth and new development may be used to fund projects such as: entry monuments and other wayfinding signage, enhanced street lighting and landscaping, bridge enhancements, intersection improvements, pedestrian and ADA enhancements, bike facilities, among others. The proposed amendment additionally sets the City's contribution to the Zone's tax increment fund at fifty percent, with the remaining fifty percent of incremental revenue going to the City's General Fund.

PRIOR COUNCIL ACTION:

- May 12, 2012: City Council created the Zone through Ordinance No. 017793; and
- July 29, 2014, City Council approved Ordinance No. 018219 enlarging the Zone to facilitate the construction of the Cardwell Collaborative building

AMOUNT AND SOURCE OF FUNDING:

Incremental property tax values derived from the Tax Increment Zone No. 6 and its expansion will be used to fund project costs identified in the Final Project and Financing Plan, once adopted.

SECTION 1. RECITALS INCORPORATED.

The facts and recitations contained in the preamble of this Ordinance are hereby found and declared to be true and correct.

SECTION 2. FINDINGS.

That the City Council, after conducting the above described hearing and having heard the evidence and testimony presented at the hearing, has made the following findings and determined based on the evidence and testimony presented to it:

- (a) That the public hearing on the amendment of the reinvestment zone has been properly called, held, and conducted and that notice of such hearing has been published as required by law; and
- (b) That the amendment of the reinvestment zone with boundaries as described and depicted in *Exhibits "A" and "B"* will result in benefits to the City, its residents and property owners, in general, and to the property, residents, and property owners in the reinvestment zone; and
- (c) That the amended reinvestment zone, as defined in *Exhibits "A" and "B"*, meets the criteria for the creation of a reinvestment zone set forth in the Act in that:

1. It is a geographic area located wholly within the City limits of the City; and
 2. That the City Council further finds and declares that the proposed zone meets the criteria and requirements of Section 311.005 of the Texas Tax Code because the proposed zone is predominantly open and, because of obsolete platting, deterioration of structures or site improvements, or other factors, substantially impair or arrest the sound growth of the City or county.
- (d) That 30 percent or less of the property in the proposed reinvestment zone, excluding property dedicated to public use, is currently used for residential purposes; and
- (e) That the total appraised value of all taxable real property in the proposed reinvestment zone according to the most recent appraisal rolls of the City, together with the total appraised value of taxable real property in all other existing reinvestment zones within the City, according to the most recent appraisal rolls of the City, does not exceed 25 percent of the current total appraised value of taxable real property in the City and in the industrial districts created by the City, if any; and
- (f) That the improvements in the proposed reinvestment zone will significantly enhance the value of all taxable real property in the proposed reinvestment zone and will be of general benefit to the City or county; and
- (g) That the development or redevelopment of the property in the proposed reinvestment zone will not occur solely through private investment in the reasonable foreseeable future.

SECTION 3. TAX INCREMENT BASE AND TAX INCREMENT.

The Tax Increment Base shall consist of (i) for the original boundaries of the TIRZ the total appraised value of all real property taxable by the City and located in the TIRZ, determined as of January 1, 2012, when the TIRZ was designated, (ii) for those parcels added to the TIRZ with the July 29, 2014 boundary amendment, the total appraised value of all real property taxable by the City and located in the TIRZ, determined as of January 1, 2014, and (iii) for those parcels added to the TIRZ with the March 17, 2020 boundary amendment, the total appraised value of all real property taxable by the City and located in the TIRZ, determined as of January 1, 2020.

The TIF Fund shall consist of (i) the percentage of the tax increment, as defined by Section 311.012(a), Texas Tax Code, that each taxing unit which levies real property taxes in the Zone, other than the City, has elected to dedicate to the TIF Fund under an agreement with the City authorized by Section 311.013(f), Texas Tax Code, and (ii) fifty percent (50%) of the City's available portion of the tax increment, as defined by section 311.012(a), Texas Tax Code, subject to any binding agreement executed at any time by the City that pledges a portion of such tax increment or an amount of other legally available funds whose calculation is based on receipt of any portion of such tax increment.

SECTION 4. SEVERABILITY CLAUSE.

Should any section, subsection, sentence, clause or phrase of this Ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Ordinance shall remain in full force and effect. The City hereby declares that it would have passed this Ordinance, and each section, subsection, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional or invalid.

SECTION 5. OPEN MEETINGS.

It is hereby found, determined, and declared that sufficient written notice of the date, hour, place and subject of the meeting of the City Council at which this Ordinance was adopted was posted at a place convenient and readily accessible at all times to the general public at the City Hall of the City for the time required by law preceding its meeting, as required by Chapter 551 of the Texas Government Code, and that this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered and formally acted upon. DISCLAIMER

Our conclusions and recommendations are based on current market conditions and the expected performance of the national, and/or local economy and real estate market. Given that economic conditions can change and real estate markets are cyclical, it is critical to monitor the economy and real estate market continuously, and to revisit key project assumptions periodically to ensure that they are still justified.

The future is difficult to predict, particularly given that the economy and housing markets can be cyclical, as well as subject to changing consumer and market psychology. There will usually be differences between projected and actual results because events and circumstances frequently do not occur as expected, and the differences may be material.

El Paso is the largest metro area along the Texas-Mexico border which boasts a best-in-class, business friendly operating environment while also offering a great living experience. The region represents one of the largest manufacturing centers in North America and is recognized as globally competitive. This is largely due to El Paso’s unique quality of possessing the largest bilingual and bi-cultural workforce in the Western Hemisphere.

As the sixth-largest city in Texas, El Paso is a top 20% U.S. performing economy and continues to experience positive economic growth by attracting new businesses and helping existing companies to grow. The City’s focus is to create new employment opportunities in 21st century industries, maintain a great quality of life, and facilitate business growth at the local and international levels.

Tax Increment Reinvestment Zone #6, City of El Paso

Tax Increment Reinvestment Zone #6 was created in 2012 by Ordinance No. 017793, consisting of 67.01 acres of institutional and City owned land located within the MCA Master Plan Area (TIRZ #6). The TIRZ was created to enable the redevelopment of a noncontiguous subset of the approximately 440 acres of land included in the Medical Center of the Americas (MCA) Master Plan Area. In 2014, the boundaries were expanded to incorporate five additional properties that consisted of 0.8692 additional acres of institutional and City owned land (TIRZ #6A).

In 2020, the boundaries were again expanded to include an additional approximately 595.38 acres referred to as TIRZ #6B in the map below. The amended project and financing plan outlines the funding of \$14,164,821 in public improvements related to streets, water and sewer improvements, parks and open spaces, and economic development grants. The TIRZ can fund these improvements through the contribution of the City’s real property tax increment within the Zone.

-  - TIRZ #6 & 6A Boundary (Base 2012 & 2014)
-  - TIRZ #6B Boundary (Base 2020)

Boundary Description

The TIRZ is located south of Interstate 10 Highway, north and west of Paisano Drive, and east of Patriot Freeway, and is anchored by the University Medical Center of El Paso and the Paul L. Foster School of Medicine at Texas Tech University Health Sciences Center at El Paso. TIRZ #6B includes parcels along the north and south of Alameda Avenue from E Paisano Drive to Corbin Place. TIRZ #6B also includes parcels north of Interstate 10 Highway, including parcels along Reynolds Street. Detailed descriptions of TIRZ #6, #6A, and #6B can be found in Appendix A.

-  - TIRZ #6 & 6A Boundary (Base 2012 & 2014)
-  - TIRZ #6B Boundary (Base 2020)

Zoning

The majority of the property with the TIRZ is zoned SCZ (shaded in dark blue), SmartCode Zone. An SCZ classification encourages and enables high-density, mixed-use redevelopment, thereby promoting community self-sustainability anchored by a significant employment center.

The rest of the TIRZ is zoned for a variety of uses, including industrial (M1 -Light Manufacturing), multifamily (A1, A2, A3 -Apartment, AO- Apartment/Office High Density), residential (R4, R5, RMU - Residential and Residential Mixed Use), commerical (C1, C2, C3, C4 - Neighborhood, Community, and Regional Commerical), mixed use (GMU- General Mixed Use), and special purpose (SD - Special Development).

As new development occurs, the zoning could change to accommodate the development, subject to the appropriate approvals. It is not anticipated that there will be any changes to the master plan, building codes or other municipal ordinances or subdivision rules and regulations of the City at this time.

Current Conditions

Current Ownership Information

There are currently 136 parcels within TIRZ #6 and #6A, which are primarily owned by the City of El Paso, El Paso County Hospital District, and the Texas Tech University Health Sciences Center. The 2012 and 2014 base taxable value for #6 and #6A is \$0. There are currently 1,388 parcels within TIRZ #6B, with an estimated base taxable value of \$199,354,370. For further details on the parcels included within the TIRZ, see Appendix B.

Land Use

The TIRZ is anchored by the University Medical Center of El Paso and the Paul L. Foster School of Medicine at Texas Tech University Health Sciences Center at El Paso. The TIRZ also includes community uses such as the El Paso Zoo and the El Paso County Coliseum and schools such as Silva Magnet High School and Father Yermo Elementary School. There are also a variety of commercial uses within the zone, as well as residential. Less than 30% of the TIRZ is used for residential purposes.

Method of Relocating Persons to be Displaced

It is not anticipated that any persons will be displaced or need to be relocated as result of implementation.

Anticipated Development

Anticipated Development

It is anticipated that future development within the TIRZ will consist of a mix of uses, including retail, office, multifamily, and hotel. Future development would be constructed over a period of several years and financed in part by incremental real property tax generated within the TIRZ.

The table provides an overview of the potential development that we believe will occur during the life of the TIRZ along with estimated dates of when the incremental revenue will flow into the TIRZ fund.

Project Costs

Project Costs of the Zone

There are a number of improvements within the TIRZ that will be financed by in part by incremental real property tax generated by the anticipated development and growth within the zone.

Proposed Project Costs		
Water Facilities and Improvements	\$ 1,062,362	7.5%
Sanitary Sewer Facilities and Improvements	\$ 1,416,482	10.0%
Storm Water Facilities and Improvements	\$ 1,416,482	10.0%

Street and Intersection Improvements	\$ 2,832,964	20.0%
Open Space, Park and Recreation Facilities and Improvements	\$ 2,124,723	15.0%
Economic Development Grants	\$ 2,832,964	20.0%
Administrative Costs	\$ 354,121	2.5%
	\$ 14,164,821	100.0%

The costs illustrated in the table above are estimates and may be revised. Savings from one line item may be applied to a cost increase in another line item. It is anticipated that the individual TIRZ project cost allocations will be evaluated on a case by case basis, consistent with the categories listed above, and brought forward to the TIRZ board and City Council for consideration.

Additionally, it is the City’s desire to have the land developed facilitated through a direct sale agreement between the City and the private entity.

Chapter 311 of the Texas Tax Code

Sec. 311.002.

- (1) “Project costs” means the expenditures made or estimated to be made and monetary obligations incurred or estimated to be incurred by the municipality or county designating a reinvestment zone that are listed in the project plan as costs of public works, public improvements, programs, or other projects benefiting the zone, plus other costs incidental to those expenditures and obligations. “Project costs” include:
- (A) capital costs, including the actual costs of the acquisition and construction of public works, public improvements, new buildings, structures, and fixtures; the actual costs of the acquisition, demolition, alteration, remodeling, repair, or reconstruction of existing buildings, structures, and fixtures; the actual costs of the remediation of conditions that contaminate public or private land or buildings; the actual costs of the preservation of the facade of a public or private building; the actual costs of the demolition of public or private buildings; and the actual costs of the acquisition of land and equipment and the clearing and grading of land;
 - (B) financing costs, including all interest paid to holders of evidences of indebtedness or other obligations issued to pay for project costs and any premium paid over the principal amount of the obligations because of the redemption of the obligations before maturity;
 - (C) real property assembly costs;
 - (D) professional service costs, including those incurred for architectural, planning, engineering, and legal advice and services;
 - (E) imputed administrative costs, including reasonable charges for the time spent by employees of the municipality or county in connection with the implementation of a project plan;
 - (F) relocation costs;
 - (G) organizational costs, including the costs of conducting environmental impact studies or other studies, the cost of publicizing the creation of the zone, and the cost of implementing the project plan for the zone;
 - (H) interest before and during construction and for one year after completion of construction, whether or not capitalized;
 - (I) the cost of operating the reinvestment zone and project facilities;
 - (J) the amount of any contributions made by the municipality or county from general revenue for the implementation of the project plan;
 - (K) the costs of school buildings, other educational buildings, other educational facilities, or other buildings owned by or on behalf of a school district, community college district, or other political subdivision of this state; and
 - (L) payments made at the discretion of the governing body of the municipality or county that the governing body finds necessary or convenient to the creation of the zone or to the implementation of the project plans for the zone.

Method of Financing

To fund the public improvements outlined on the previous pages, it is anticipated that the City El Paso will contribute 50% of its real property increment within the boundaries of the TIRZ #6, #6A, and #6B. The base year for each area is the year in which the boundary was established, 2012, 2014, and 2020 respectively.

Debt Service

It is not anticipated at this time that the TIRZ will incur any bonded indebtedness.

Economic Feasibility Study

A taxable value analysis was developed as part of the project and financing plan to determine the economic feasibility of the project. The study examined the expected tax revenue the TIRZ would receive based on the previously outlined developments. A summary overview of the anticipated development square footages, the anticipated sales per square foot and the anticipated taxable value per square foot can be found on the table below.

The following pages show the estimated captured appraised value of the zone during each year of its existence and the net benefits of the zone to each of the local taxing jurisdictions as well as the method of financing and debt service.

Utilizing the information outlined in this feasibility study, we have found that the TIRZ is economically feasible and will provide the City and other taxing jurisdictions with economic benefits that would not occur without its implementation.
