**SUBJECT: PZRZ17-00031**

---

The City Plan Commission (CPC) on February 8, 2018, voted 7-0 to recommend **denial** of rezoning the subject property from C-1 (Commercial) to C-2 (Commercial).

The CPC found that the rezoning is not in conformance with Plan El Paso. The CPC also determined that the rezoning does not protect the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and, that the rezoning will have a negative effect on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

Planning Division received five letters and a petition with 25 signatures in opposition and a petition with 100 signatures in support of the rezoning request, see attachment 6 and 7.

Two people attended the CPC hearing and spoke against the request.

Three people attended the CPC hearing and spoke in favor of the request.

This case is a 211 and will require a supermajority vote of City Council for approval of the rezoning and special permit request.

Staff Report

ITEM #: PZRZ17-00031 & PZST17-00037

The City Plan Commission denied the application of rezoning and special permit request of these items for many obvious reasons at the 02/08/2018 meeting which is available to view by video via the El Paso City website. The proposed ballroom is approximately 100 feet from the nearest residential home and was never intended to occupy a business as such. No parking study was done by the applicant, it is understood that there are businesses in the shopping center that would be open and operating during the same business hours of the proposed ballroom and would interfere with the minimum parking requirement. Concerns include, trash left by patrons of the ballroom in parking spaces shared by business operators and no one to clean it up, including the 130 parking spaces in the center just west of the subject property, and the 8 shared parking spaces with the undeveloped property directly next to subject property dividing the 2. Outside patio noise and light pollution is obvious to those residential homes directly south of the subject property and along the neighborhood. The applicant mentioned purchasing the adjacent properties so if any future parking problems occurred they would be satisfied by that, this does not help to approve this item given the fact they already foresee parking problems within the center. There are multiple ballrooms in the area and did not see a need for one directly in the vicinity of residential homes, as mentioned, this property was never intended to facilitate a ballroom. Especially so close to residential homes. The applicant did not provide the list of 100 signatures in support but did mention that only 20 of the 100 persons that signed actually live in the area, advise to receive signatures and addresses. The safety of both patrons and neighborhood was also questioned by CPC and answered by applicant that they plan on hiring off duty officers for every event with no assurance or proof of.

RE: Cause No.: PZRZ17-00031 and PZST17-00037  
Request to change zoning submitted to the City Plan Commission  
Dual Enterprises, Inc.  
12798 Edgemere Boulevard  
Lot 1, Block 166, Tierra Del Este Unit 48, City of El Paso County, Texas

I write this letter to formally appeal the City Plan Commission (CPC) decision on February 8<sup>th</sup>, 2018. Dual Enterprises, LLC. is requesting to rezone from C1 to C2 with a special permit for a ballroom. Our intent is to offer an upscale affordable family oriented ballroom for the community. We believe all staff recommendation was ignored and not taken in consideration. In considering our appeal, we ask that you please keep in mind the following points.

- We have 105 parking spaces on our site which meets all City requirements. There will be no need for ballroom patrons to use parking spaces on the adjacent properties. Although we meet City requirement we are willing to purchase additional land next to us to relieve any neighbors concerns.
- The ballroom hours of operation will be from 8:00 p.m. to 2:00 a.m. which are not likely to conflict with the hours of operation of any nearby professionals, doctors, or daycare centers.
- Off-duty police officers and sheriff's deputies will be hired as security for all ballroom events which will insure against any neighborhood disturbance.
- We have on-site maintenance staff to clean up after each ballroom event and four (6 yard containers) serviced twice a week.
- The Patio Area is a Smoking Area and immediately behind it, there is a large 1.75 acre ponding reservoir not homes. The building is well insulated to minimize any possible "noise pollution".

**DUAL ENTERPRISES, LLC**  
12798 Edgemere Blvd., Suite F  
El Paso, Texas 79938  
(915) 922-7525

- The existing C-1 zoning for the property would permit a Nightclub, Bar and/or Cocktail Lounge which should be far more objectionable to our neighbors than the family oriented ballroom we plan to operate.
- The proposed zoning district is consistent with other C3 and C4 properties under a mile distance from our location. This project meets the neighborhood character and compatibility.
- With the far eastside growing rapidly there is demand and need for a ballroom. There is currently only one existing ballroom east of Joe Battle. The existing ballroom is not within city limits it is located in El Paso County. This gives the residents of the area no option and forces them to leave the neighborhood.

Dual Enterprises, LLC. is confident that this project was designed with all policy and zoning guidelines. We would be happy to discuss any of these points in greater detail if you wish. We respectfully request that City Council accepts this appeal letter and approves the rezoning and special permit application.

Request to change zoning submitted to the City Plan Commission  
Applicant: Dual Enterprises, Inc.  
Property: 12798 Edgemere Boulevard  
Legal Description: Lot 1, Block 166, Tierra Del Este Unit 48, City of El Paso County, Texas

Dear Mr. Salloum:

The John and Shelly Martin 2012 Dynasty Trust (the "2012 Trust") is the owner of a Portion of Lot 2, Block 166, Tierra Del Este Unit 48 and is situated contiguous (next) to the property to be considered for rezoning. Please consider this letter our official Notice of Objection to the Request to Change Zoning submitted by Dual Enterprises, Inc. The request is to change the zoning from C-1 (Commercial) to C-2 (Commercial) to allow for a ballroom with special permit approval. The applicant is also requesting a special permit in order to allow for a ballroom in C-2 (Commercial) zone district.

Allowing the change of zoning would adversely affect our property and those of our neighboring business owners and tenants. Specifically, the Reciprocal Easement Agreement filed of public record since 2008 (see attached Exhibit "A") would allow the anticipated patrons of a ballroom/party facility to use parking spaces that were intended for patrons of a business park and not a party facility.

The 2012 Trust adamantly objects to the proposed change as it would be detrimental to the integrity of the professional business park created and known as the Quail Park Business Office Park.

In addition, the neighboring single-family homeowners that back-up and are adjacent to the property designated for the zoning changes should all be adamantly opposed to this change too.

Sincerely,

The John and Shelly Martin 2012 Dynasty Trust

  
John C. Martin, Trustee

2. LB is the owner of Lot 2, Block 166, TIERRA DEL ESTE UNIT FORTY EIGHT, City of El Paso, County of El Paso, State of Texas and Lot 1, Block 1, Land Barons Subdivision, City of El Paso, County of El Paso, State of Texas according to the plat thereof recorded in Clerk's File No. 20070114512, El Paso County Clerk's records, (collectively, the "LB Parcel"). 3. The Parties intend to independently develop the Parcels into separate but adjacent retail and office developments (collectively the "Developments").
4. The parties to this Agreement desire to establish and dedicate non-exclusive, perpetual easements for parking and the vehicular and pedestrian ingress and egress over and across the Common Areas of the respective Parcels.

THEREFORE, the Parties agree as follows:

### ARTICLE 1 DEFINITIONS

#### Common Areas Defined

1.01. The term "Common Areas" means the portions of each Parcel that are from time to time used by a Party and its Users for Parking Areas, roadways and walkways. Each Party shall have the right to alter the Parking Areas, driveways and walkways except that neither Party shall construct any curbs or barriers between the respective Parcels.

#### Users Defined

1.02. The term "Users" means each of the Parties to this Agreement, their respective successors and assigns of all or any part of the Parcels and any Person entitled at any time to the use and occupancy of a portion of either of the Developments under a lease,

---

license, concession agreement, or other instrument or arrangement with a Party, and their respective employees, customers and invitees.

#### Parking Areas Defined

1.03. The term "Parking Areas" means those Common Areas used for the parking of motor vehicles, including incidental roadways, walkways, and landscaping contained within these Parking Areas. However, truck ramps, and loading and delivery areas located in Common Areas and immediately adjacent to buildings in Commercial Areas are not included in "Parking Areas."

#### Party Defined

1.04. The term "Party" means each Person executing this Agreement, or that Person's successor in interest to all or any portion of a Parcel, as shown by the Real Property Records of El Paso County, State of Texas, and determined as of the time in question.

#### Person Defined

1.05. The term "Person" means an individual or a partnership, firm, association, corporation, limited liability company trust, or any other form of legal or business entity.

### ARTICLE 2 EASEMENTS

#### Grants of Easements

2.01. (a) LB grants, sells, and conveys to FNB and FNB's successors and assigns a non-exclusive easement for parking and free and uninterrupted pedestrian and vehicular ingress to, egress from, and access to and from and access across the Common Areas from time to time located on the LB Parcel which LB uses from time to time for parking, driveway and walkway purposes for the benefit of all or any portion of FNB Tract, together with all and singular the rights and appurtenances thereto in any way belonging, to have and to hold the easements, rights, and appurtenances forever. LB binds LB and LB's successors and assigns of any portion of the LB Parcel to warrant and forever defend the title to the easements, rights, and appurtenances in FNB and FNB's successors and assigns against every person whomsoever lawfully claiming or to claim the easement, rights, or appurtenances, or any part thereof. Notwithstanding the foregoing, during construction of the improvements on the FNB Parcel, said easements shall not be used by FNB, or its Users as access for construction vehicles, trucks, tractors and equipment used in construction, or as a staging or storage area for supplies and materials for construction of improvements on the FNB Parcel, or in such manner that blocks or interferes with vehicular and pedestrian access and traffic to and from the LB Parcel.

---

(b) FNB grants, sells, and conveys to LB and LB's successors and assigns a non-exclusive easement for parking and free and uninterrupted pedestrian and vehicular ingress to, egress from and access to and from and access across the Common Areas from time to time located on the FNB Parcel for parking, driveway and walkway purposes for the benefit of all or any portion of LB Tract, together with all and singular the rights and appurtenances thereto in any way belonging, to have and to hold the easements, rights, and appurtenances forever. FNB binds FNB and FNB's successors and assigns of any portion of the FNB Parcel to warrant and forever defend the title to the easements, rights, and appurtenances in LB and LB's successors and assigns against every person whomsoever lawfully claiming or to claim the easement, rights, or appurtenances, or any part thereof. Notwithstanding the forgoing, during construction of the improvements on the LB Parcel, said easements shall not be used by LB, or its Users as access for construction vehicles, trucks, tractors and equipment used in construction, or as a staging or storage area for supplies and materials for construction of improvements on the LB Parcel, or in such manner that blocks or interferes with vehicular and pedestrian access and traffic to and from the FNB Parcel.

#### Use and Location

2.02. The Parties and other Users will be entitled to exercise direct access to and between the Parcels without interference except as set forth in this Agreement and to use all access areas, driveways, and Parking Areas located on any portion of the Parcels in exercising the easements. Except for the two driveways reflected on the Site Plan attached hereto as Exhibit "A", which shall remain unobstructed at all times, a Party may from time to time alter the location of its driveways, walkways, Parking Areas, buildings and other improvements on the portion of the Parcels owned by that Party. A Party's employees, customers, and other invitees will not be entitled to park on the other Party's Parcel and each Party shall take reasonable action to prevent breach of this restriction.

#### Nature of Easements

2.03. The easements are appurtenant to and for the benefit of each Parcel owned by each Party, whether or not the easements are referenced or described in any conveyance of a Parcel or any portion thereof. These grants of easements benefit the Users and each Party's successors, assigns, who at any time own the Parcels or any interest therein. No easement may be transferred, assigned, or encumbered except as appurtenant to the benefited Parcels.

#### Repair and Maintenance of Easements

2.04 Each Party is responsible for all maintenance and repairs of the Common Area subject to the easement on its Parcel.

#### Duration of Easements

2.05 Each easement granted under this Article is perpetual unless terminated by written agreement of all Parties then owing an interest in either of the Parcels.

#### Rights Reserved

2.06 Each Party reserves for that Party and that Party's successors and assigns the right to continue to use and enjoy the surface of the Parcels for all purposes that do not unreasonably interfere or interrupt the use or enjoyment of the easements.

### ARTICLE 3 CONDEMNATION

#### No Termination

3.01. No taking by eminent domain (or purchase in lieu of taking) of any portion of the Common Area of either Parcel entitles any Party to terminate this Agreement.

#### Common Areas Taken

3.02. Section 3.03 applies if a taking by eminent domain (or purchase in lieu of taking) occurs with respect to either:

(a) Parking Areas located on the Common Areas, if the remaining Parking Areas, after the taking, violate the then applicable zoning law; or

(b) Any other portion of the Common Areas, if the taking results in a closure of all ingress and egress from adjacent public streets to either of the Developments.

#### Corrective Plan

3.03. If the criteria of section 3.02 are met, then the Parties must, in good faith, endeavor to agree on a plan of corrective work to either:

(a) Bring the remaining Parking Areas into compliance with the then-applicable zoning law by either obtaining a zoning exception, variance, or by providing substitute, additional Parking Areas.

(b) Provide new ingress and egress routes to and from the adjacent public streets in a way that complies with the then-applicable zoning law.

#### Cost of Corrective Work

3.04. The owner of the Parcel which is subject to the condemnation shall pay for any corrective work to the Common Areas identified in section 3.02 and agreed to by the Parties.

### ARTICLE 4 CHANGE OF OWNERSHIP

Each Party with respect to its Parcel shall use reasonable efforts to notify the other Party in the event of a sale or conveyance of their respective Parcel or any portion thereof, and to provide the name and mailing address of the transferee within ten (10) days thereafter. Any failure to give said notice shall not impair the conveyance of title to the subject property or affect the binding nature of the terms, conditions and obligations attributable to the owner of said Parcel as imposed by this Agreement. Except for duties, liabilities and obligations that accrue during the time a Party owns its respective Parcel, the respective duties, liability and obligations of each Party hereto shall cease upon such Party's sale or conveyance of its entire remaining interest in its respective Parcel, and following any such sale or conveyance, the duties, liabilities and obligations imposed by this Agreement shall be binding upon the successor-in-interest to such Parcel or any portion thereof to the extent such duties and obligations arise during the time that such successor-in-interest owns such Tract or any portion thereof.

### ARTICLE 5 DEFAULT, TERMINATION, AND REMEDIES

#### Legal and Equitable Remedies

5.01. If a Party or User of that Party's Parcel actually breaches or threatens to breach a provision of this Agreement, any other Party has the right to pursue any available legal or equitable remedy, such as damages, injunctions, and restraining orders, in addition to those remedies specified here, except for those remedies that are expressly prohibited. All remedies are cumulative; the pursuit of any available remedy does not constitute a waiver or election of remedies with respect to all other available remedies.

#### Notice Before Default

5.02. Unless provided otherwise in this Agreement, a Party is not deemed to be in default under this Agreement until that Party has been notified in writing by the other Party that describes the act or omission and either:

(a) The Party fails to cure the default within thirty (30) days after the date of the notice of default ("Cure Period").

(b) If the default is not capable of cure within the Cure Period, the Party fails to commence cure within the Cure Period and to diligently pursue it to completion within a reasonable time.

#### Termination Not Permitted for Breach

5.03. A breach of this Agreement does not entitle a Party to cancel, rescind, or terminate this Agreement in whole or part.

#### Right of Nondefaulting Party to Cure

5.04. A Party has the right, but not the obligation, to cure a default of any other Party on behalf of and at the sole expense of the defaulting Party. This right of cure may not be exercised until:

(a) Written notice as provided by section 5.02 has been given.

(b) The Cure Period set forth in section 5.02 has elapsed and the defaulting Party remains in default.

#### Reimbursement Rights

5.05. If a Party cures a default of another Party under section 5.04, then the defaulting Party must pay to the curing Party:

(a) All reasonable costs and expenses reasonably incurred in effecting the cure, plus interest at the then-maximum legal rate.

(b) All court costs and reasonable attorney's fees incurred by the curing Party.

#### Force Majeure

5.06. Unless otherwise provided in this Agreement, a Party may be excused from a delay in performance under this Agreement that is caused by the act of a public enemy, war, war defense condition, act of God, the elements, strike, walkout, or other causes beyond the Party's reasonable control. However, each Party must use reasonable diligence to avoid any such delay and to resume its performance as promptly as possible after the delay.

---

#### Attorneys' Fees

5.07. In any action between Parties concerning this Agreement or for enforcement of rights and duties of a Party, the prevailing Party in the action is entitled to reasonable attorney's fees.

### ARTICLE 6 MISCELLANEOUS

#### Amendment

6.01. Except as otherwise provided in this Agreement, this Agreement, including its Exhibits, may be cancelled, modified, or amended only by a writing that is executed by all of the Parties. No cancellation, modification, or amendment may require the prior approval or consent of any User.

#### Covenants Run With Land

6.02. The covenants, restrictions, conditions, and provisions of this Agreement (whether affirmative or negative in nature):

- (a) Are made for the direct, mutual, and reciprocal benefit of each Parcel;
- (b) Constitute covenants running with the land;
- (c) Constitute and are enforceable as mutual equitable servitudes on each Parcel in favor of the other Parcel;
- (d) Bind every person having a fee, leasehold, or other interest in a Parcel; and
- (e) Inure to the benefit of the Parties and their respective successors and assigns.

#### Not a Public Dedication

6.03. Nothing contained in this Agreement may be deemed to be a gift or dedication of any portion of the parcels or Developments to or for the general public or for any public purpose whatsoever. This Agreement is strictly limited to the purposes explicitly set forth here.

#### Severability

### NOTICE OF OBJECTION TO REQUEST TO CHANGE ZONING

Re : Case No.: PZRZ17-00031 and PZST17-00037  
Request to change zoning submitted to the City Plan Commission  
Applicant : Dual Enterprises, Inc.  
Property : 12798 Edgemere Boulevard  
Legal Description : Lot 1, Block 166, Tierra Del Este Unit 48, City of El Paso County, Texas

Dear Mr. Salloum:

High Planes Venture, LLC ("High Planes") is the owner of Buildings E, F, G & H at Quail Park business office park situated contiguous (next) to the property to be considered for rezoning. Please consider this letter our official Notice of Objection to the Request to Change Zoning submitted by Dual Enterprises, Inc. The request is to change the zoning from C-1 (Commercial) to C-2 (Commercial) to allow for a ballroom with special permit approval. The applicant is also requesting a special permit in order to allow for a ballroom in C-2 (Commercial) zone district.

Allowing the change of zoning would adversely affect our lot and specifically the Reciprocal Easement Agreement (see attached Exhibit "A") now in place would allow the patrons of a ballroom to use parking spaces that were intended for patrons of a business park and not a party facility. The ballroom facility would promote late night noise and trash and be the cause of disturbance to a very nice, quiet and professionally developed office park for professionals, doctors, and a children's nursery & daycare center.

High Planes adamantly objects to the proposed change as it would be detrimental to the integrity of the professional business office park.

Sincerely,

High Planes Venture, LLC

Douglas O. Borrett, Managing Member

## RECIPROCAL EASEMENT AGREEMENT

### Preamble

This Reciprocal Easement Agreement ("Agreement") is entered into on the 24<sup>th</sup> day of December, 2007 by FIRST NATIONAL BANK, a national banking association ("FNB") and LAND BARONS OF EL PASO DEL NORTE, L.L.C., a Texas limited liability company ("LB").

### RECITALS

1. FNB is the owner of Lot 1, Block 166, TIERRA DEL ESTE UNIT FORTY EIGHT, City of El Paso, El Paso County, Texas ("FNB's Parcel").
2. LB is the owner of Lot 2, Block 166, TIERRA DEL ESTE UNIT FORTY EIGHT, City of El Paso, County of El Paso, State of Texas and Lot 1, Block 1, Land Barons Subdivision, City of El Paso, County of El Paso, State of Texas according to the plat thereof recorded in Clerk's File No. 20070114512, El Paso County Clerk's records, (collectively, the "LB Parcel"). FNB's Parcel and LB's Parcel are sometimes referred to as the "Parcels" and individually referred to as the "Parcel".
3. The Parties intend to independently develop the Parcels into separate but adjacent retail and office developments (collectively the "Developments").
4. The parties to this Agreement desire to establish and dedicate non-exclusive, perpetual easements for parking and the vehicular and pedestrian ingress and egress over and across the Common Areas of the respective Parcels.

THEREFORE, the Parties agree as follows:

### ARTICLE 1 DEFINITIONS

#### Common Areas Defined

1.01. The term "Common Areas" means the portions of each Parcel that are from time to time used by a Party and its Users for Parking Areas, roadways and walkways. Each Party shall have the right to alter the Parking Areas, driveways and walkways except that neither Party shall construct any curbs or barriers between the respective Parcels.

#### Users Defined

1.02. The term "Users" means each of the Parties to this Agreement, their respective successors and assigns of all or any part of the Parcels and any Person entitled at any time to the use and occupancy of a portion of either of the Developments under a lease,

---

license, concession agreement, or other instrument or arrangement with a Party, and their respective employees, customers and invitees.

#### Parking Areas Defined

1.03. The term "Parking Areas" means those Common Areas used for the parking of motor vehicles, including incidental roadways, walkways, and landscaping contained within these Parking Areas. However, truck ramps, and loading and delivery areas located in Common Areas and immediately adjacent to buildings in Commercial Areas are not included in "Parking Areas."

#### Party Defined

1.04. The term "Party" means each Person executing this Agreement, or that Person's successor in interest to all or any portion of a Parcel, as shown by the Real Property Records of El Paso County, State of Texas, and determined as of the time in question.

#### Person Defined

1.05. The term "Person" means an individual or a partnership, firm, association, corporation, limited liability company trust, or any other form of legal or business entity.

### ARTICLE 2 EASEMENTS

#### Grants of Easements

2.01. (a) LB grants, sells, and conveys to FNB and FNB's successors and assigns a non-exclusive easement for parking and free and uninterrupted pedestrian and vehicular ingress to, egress from, and access to and from and access across the Common Areas from time to time located on the LB Parcel which LB uses from time to time for parking, driveway and walkway purposes for the benefit of all or any portion of FNB Tract, together with all and singular the rights and appurtenances thereto in any way belonging, to have and to hold the easements, rights, and appurtenances forever. LB binds LB and LB's successors and assigns of any portion of the LB Parcel to warrant and forever defend the title to the easements, rights, and appurtenances in FNB and FNB's successors and assigns against every person whomsoever lawfully claiming or to claim the easement, rights, or appurtenances, or any part thereof. Notwithstanding the foregoing, during construction of the improvements on the FNB Parcel, said easements shall not be used by FNB, or its Users as access for construction vehicles, trucks, tractors and equipment used in construction, or as a staging or storage area for supplies and materials for construction of improvements on the FNB Parcel, or in such manner that blocks or interferes with vehicular and pedestrian access and traffic to and from the LB Parcel.

---

(b) FNB grants, sells, and conveys to LB and LB's successors and assigns a non-exclusive easement for parking and free and uninterrupted pedestrian and vehicular ingress to, egress from and access to and from and access across the Common Areas from time to time located on the FNB Parcel for parking, driveway and walkway purposes for the benefit of all or any portion of LB Tract, together with all and singular the rights and appurtenances thereto in any way belonging, to have and to hold the easements, rights, and appurtenances forever. FNB binds FNB and FNB's successors and assigns of any portion of the FNB Parcel to warrant and forever defend the title to the easements, rights, and appurtenances in LB and LB's successors and assigns against every person whomsoever lawfully claiming or to claim the easement, rights, or appurtenances, or any part thereof. Notwithstanding the forgoing, during construction of the improvements on the LB Parcel, said easements shall not be used by LB, or its Users as access for construction vehicles, trucks, tractors and equipment used in construction, or as a staging or storage area for supplies and materials for construction of improvements on the LB Parcel, or in such manner that blocks or interferes with vehicular and pedestrian access and traffic to and from the FNB Parcel.

#### Use and Location

2.02. The Parties and other Users will be entitled to exercise direct access to and between the Parcels without interference except as set forth in this Agreement and to use all access areas, driveways, and Parking Areas located on any portion of the Parcels in exercising the easements. Except for the two driveways reflected on the Site Plan attached hereto as Exhibit "A", which shall remain unobstructed at all times, a Party may from time to time alter the location of its driveways, walkways, Parking Areas, buildings and other improvements on the portion of the Parcels owned by that Party. A Party's employees, customers, and other invitees will not be entitled to park on the other Party's Parcel and each Party shall take reasonable action to prevent breach of this restriction.

#### Nature of Easements

2.03. The easements are appurtenant to and for the benefit of each Parcel owned by each Party, whether or not the easements are referenced or described in any conveyance of a Parcel or any portion thereof. These grants of easements benefit the Users and each Party's successors, assigns, who at any time own the Parcels or any interest therein. No easement may be transferred, assigned, or encumbered except as appurtenant to the benefited Parcels.

---

**Repair and Maintenance of Easements**

2.04 Each Party is responsible for all maintenance and repairs of the Common Area subject to the easement on its Parcel.

**Duration of Easements**

2.05 Each easement granted under this Article is perpetual unless terminated by written agreement of all Parties then owning an interest in either of the Parcels.

**Rights Reserved**

2.06 Each Party reserves for that Party and that Party's successors and assigns the right to continue to use and enjoy the surface of the Parcels for all purposes that do not unreasonably interfere or interrupt the use or enjoyment of the easements.

**ARTICLE 3 CONDEMNATION**

**No Termination**

3.01. No taking by eminent domain (or purchase in lieu of taking) of any portion of the Common Area of either Parcel entitles any Party to terminate this Agreement.

**Common Areas Taken**

3.02. Section 3.03 applies if a taking by eminent domain (or purchase in lieu of taking) occurs with respect to either:

(a) Parking Areas located on the Common Areas, if the remaining Parking Areas, after the taking, violate the then applicable zoning law; or

(b) Any other portion of the Common Areas, if the taking results in a closure of all ingress and egress from adjacent public streets to either of the Developments.

**Corrective Plan**

3.03. If the criteria of section 3.02 are met, then the Parties must, in good faith, endeavor to agree on a plan of corrective work to either:

(a) Bring the remaining Parking Areas into compliance with the then-applicable zoning law by either obtaining a zoning exception, variance, or by providing substitute, additional Parking Areas.

(b) Provide new ingress and egress routes to and from the adjacent public streets in a way that complies with the then-applicable zoning law.

#### Cost of Corrective Work

3.04. The owner of the Parcel which is subject to the condemnation shall pay for any corrective work to the Common Areas identified in section 3.02 and agreed to by the Parties.

### ARTICLE 4 CHANGE OF OWNERSHIP

Each Party with respect to its Parcel shall use reasonable efforts to notify the other Party in the event of a sale or conveyance of their respective Parcel or any portion thereof, and to provide the name and mailing address of the transferee within ten (10) days thereafter. Any failure to give said notice shall not impair the conveyance of title to the subject property or affect the binding nature of the terms, conditions and obligations attributable to the owner of said Parcel as imposed by this Agreement. Except for duties, liabilities and obligations that accrue during the time a Party owns its respective Parcel, the respective duties, liability and obligations of each Party hereto shall cease upon such Party's sale or conveyance of its entire remaining interest in its respective Parcel, and following any such sale or conveyance, the duties, liabilities and obligations imposed by this Agreement shall be binding upon the successor-in-interest to such Parcel or any portion thereof to the extent such duties and obligations arise during the time that such successor-in-interest owns such Tract or any portion thereof.

### ARTICLE 5 DEFAULT, TERMINATION, AND REMEDIES

#### Legal and Equitable Remedies

5.01. If a Party or User of that Party's Parcel actually breaches or threatens to breach a provision of this Agreement, any other Party has the right to pursue any available legal or equitable remedy, such as damages, injunctions, and restraining orders, in addition to those remedies specified here, except for those remedies that are expressly prohibited. All remedies are cumulative; the pursuit of any available remedy does not constitute a waiver or election of remedies with respect to all other available remedies.

#### Notice Before Default

5.02. Unless provided otherwise in this Agreement, a Party is not deemed to be in default under this Agreement until that Party has been notified in writing by the other Party that describes the act or omission and either:

(a) The Party fails to cure the default within thirty (30) days after the date of the notice of default ("Cure Period").

(b) If the default is not capable of cure within the Cure Period, the Party fails to commence cure within the Cure Period and to diligently pursue it to completion within a reasonable time.

#### Termination Not Permitted for Breach

5.03. A breach of this Agreement does not entitle a Party to cancel, rescind, or terminate this Agreement in whole or part.

#### Right of Nondefaulting Party to Cure

5.04. A Party has the right, but not the obligation, to cure a default of any other Party on behalf of and at the sole expense of the defaulting Party. This right of cure may not be exercised until:

(a) Written notice as provided by section 5.02 has been given.

(b) The Cure Period set forth in section 5.02 has elapsed and the defaulting Party remains in default.

#### Reimbursement Rights

5.05. If a Party cures a default of another Party under section 5.04, then the defaulting Party must pay to the curing Party:

(a) All reasonable costs and expenses reasonably incurred in effecting the cure, plus interest at the then-maximum legal rate.

(b) All court costs and reasonable attorney's fees incurred by the curing Party.

#### Force Majeure

5.06. Unless otherwise provided in this Agreement, a Party may be excused from a delay in performance under this Agreement that is caused by the act of a public enemy, war, war defense condition, act of God, the elements, strike, walkout, or other causes beyond the Party's reasonable control. However, each Party must use reasonable diligence to avoid any such delay and to resume its performance as promptly as possible after the delay.

---

Attorneys' Fees

5.07. In any action between Parties concerning this Agreement or for enforcement of rights and duties of a Party, the prevailing Party in the action is entitled to reasonable attorney's fees.

Request to change zoning submitted to the City Plan Commission  
Applicant :            Dual Enterprises, Inc.  
Property :             12798 Edgemere Boulevard  
Legal Description :   Lot 1, Block 166, Tierra Del Este Unit 48, City of El Paso County, Texas

Dear Mr. Salloum:

We the undersigned are single-family homeowners and/or tenants (collectively "the residents") in the neighborhood situated next to and around the property to be considered for rezoning. Please consider this letter our official Notice of Objection to the Request to Change Zoning submitted by Dual Enterprises, Inc. The request is to change the zoning from C-1 (Commercial) to C-2 (Commercial) to allow for a ballroom with special permit approval. The applicant is also requesting a special permit in order to allow for a ballroom in C-2 (Commercial) zone district.

Allowing the requested change in zoning would adversely affect the quiet enjoyment of our residential neighborhood. The change would promote late night noise and trash and be the cause of disturbances to an otherwise peaceful neighborhood and would compromise the tranquility we currently enjoy.

The undersigned residents hereby join together, as is evidenced by our signatures below, in adamantly objecting to the proposed change in zoning.

Sincerely,

Ricardo Ramos

Dear Mr. Salloum:

GEM Investments, LLC is the owner of a Portion of Lot 2, Block 166, Tierra del Este Unit Forty-Eight and is next to the property being considered for rezoning. We understand the rezoning would allow C-2 commercial. Our main concern has to do with parking. The parking for all buildings in this area was designed for office use. In fact, the name of the complex is named the Quail Park Business Office Park. Allowing the change might encourage loitering, vandalism and accumulation of trash around our office buildings after business hours.

Therefore, GEM Investments, LLC objects to the proposed change due to the potential harm and security of our office buildings.

Sincerely,

Jorge Arroyo  
President

To whom it may concern,

This letter is in reference to the Case No PZRZ17-00031 and PZST17-00037. As residents of 3537 Tierra Fertil DR, our household will be **negatively** affected by the re-zoning of this property. We live immediately next to the property and will experience the noise, parking issues along with adding more traffic and disturbance created by a ballroom next door. All the neighbors contacted by us are in agreement with us as well. **We are completely opposed to such request.** As it is, we are already experiencing traffic issues and a lot of accidents in this area due to a lack of a traffic light that was requested by us and a large amount of neighbors six years ago, and completely ignored by the authorities in charge. We expect to be heard and respected as tax payers and citizens of this area.

Sincerely,

Doris Vega, Armando Pacheco and community neighbors
