**SUBJECT:**

An ordinance granting a Special Privilege License to CC Restaurant LP d/b/a Café Central permitting a surface encroachment of a License Area onto a portion of public right-of-way fronting property at 109 North Oregon Street. (NESV2015-00005, District 8)

**BACKGROUND / DISCUSSION:**

**NESV2015-00005, Surface Encroachment:** The Planning and Inspections Department is recommending approval of an ordinance granting a Special Privilege License to CC Restaurant LP d/b/a Café Central for the operation of a surface encroachment that includes an outdoor dining area with ornamental works, canopy, vestibule, sign, landscape planters, removable tables and chairs and other related appurtenances within a portion of public right-of-way within Block 6, Mills Addition, more commonly known as 109 North Oregon Street.

The Licensed area is a total of one thousand four hundred and seven (1,407) square feet. The License shall be effective for a term of fifteen (15) years from the effective date of approval, unless terminated earlier. At the end of this term, the City shall have the unilateral power to renew this Special Privilege License for one (1) additional fifteen (15) year term upon request of the Grantee and approval of the City Manager under City Code Section 15.08.120(A)(1)(a).

Any deviation from the terms of this License shall render it void. The Grantee shall be responsible for the future maintenance, use and repair of the existing surface encroachment within the License area, as well as restoration of the area upon termination of this License. The City maintains all rights to service or modify any or all of the portions of City right-of-way as described by this License.

As per Section 15.08.120(G), the Grantee has provided proof of general liability insurance in accordance with the City's Risk Management Department. The Grantee agrees to indemnify the City of any damages that may be associated with the Special Privilege License.

As consideration for the License and pursuant to Section 15.08.120(F)(5), which permits a fee reduction or waiver for encroachments located in a tax increment reinvestment zone to encourage redevelopment, staff is recommending a reduced annual consideration of \$1,062.00, the minimum annual fee for a surface encroachment as per the approved Schedule C Fee List – FY 2016.

**PRIOR COUNCIL ACTION:**

Ordinance Nos. 008801, approved on October 7, 1986, originally authorized the construction and operation of an outdoor café on public right-of-way in conjunction with the operation of the adjacently located restaurant; as consideration for the lease agreement, the applicant agreed to pay to the City an annual fee of \$100. On July 11, 2000, Ordinance No. 014549 granted continued use of the right-of-way as an outdoor café for a term of fifteen years; consideration amounted to \$300 per year. The proposed license would extend use of the right-of-way an additional 15 years and increases the consideration to \$1,062 annually.

**BOARD / COMMISSION ACTION:**

The item was distributed to the Development Coordinating Committee (DCC) on Monday, May 26, 2015. Staff did not receive any objections during review of the distribution package. The Special Privilege Division recommends approval of the Grantee's request.

This Special Privilege shall be effective for a term of fifteen (15) years from the effective date hereof, unless terminated earlier as provided herein. At the end of this term, the City shall have the unilateral power to renew this Special Privilege for one (1) additional fifteen (15) year term upon the request of the Grantee and approval of the City Manager under City Code Section 15.08.120(A)(1)(a). If Grantee wishes the City to renew this License, Grantee shall submit a request in writing to the City no later than three (3) months prior to the expiration date of this License. Should Grantee fail to submit such request for the renewal of this License to the City as herein required, the License shall expire upon the expiration date. Grantee understands, agrees, and accepts that the City may require the terms, conditions, and provisions of this License be modified as a condition for renewing the grant of the encroachment within the License Area as permitted by this License.

#### **SECTION 6. WORK DONE BY OTHERS**

The City shall notify Grantee of work to be performed as herein described. The City shall not be liable to Grantee for any damage resulting there from, nor shall the City be liable to Grantee for any damages arising out of the performance of any work by the City, its contractors or subcontractors, not willfully and unnecessarily occasioned; provided, however, nothing herein shall relieve any other persons or entities from liability for damage to the License Area. If the City requires Grantee to alter, change, adapt, remove, or relocate the License Area due to imminent public safety concerns, or because of changes in the grade of the License Area or in the location or manner of constructing a water pipe, sewer pipe or other underground or aboveground pipes owned by the City, Grantee shall make the alterations or changes as soon as practicable when ordered in writing by the City without claim for reimbursement or damages against the City. If these requirements impose a financial hardship upon Grantee, Grantee shall have the right to present alternative proposals for the City's consideration. If the City requires Grantee to remove, alter, change, adapt or relocate its License Area or any portion thereof to enable any other entity or person, except the City, to use, or to use with greater convenience, the License Area, Grantee shall not be required to make such changes until such other entity or person shall have undertaken with solvent bond, to reimburse Grantee for any loss and expense which will be caused by or arise out of such removal, alteration, change, adaptation or conformance of the License Area; provided, however, the City shall not be responsible nor liable for such reimbursement.

## **SECTION 8. CONSIDERATION**

The established annual fee for any special privilege license may be reduced as determined by City Council in accordance with Section 15.08.120(F)(5) of the City Code. As the Premises and License Area are located entirely in TIRZ No. 5, and as consideration for this Special Privilege, Grantee shall pay to the City ONE THOUSAND SIXTY-TWO AND 00/100 DOLLARS (\$1,062.00) per year. The annual fee shall remain the same for a period of one year from the date of execution by the El Paso City Council and shall be subject to change after each one year period the License remains in effect. The El Paso City Council retains the right to increase or decrease the annual fee specified in this License.

The City shall notify the Grantee of any proposed changes in fees as prescribed in Section 15 (Notice) of this License. This License is granted on the condition the Grantee pay for all costs associated with the License Area, as well as all costs for the restoration of the License Area upon the termination of the License.

The first annual consideration shall be due and owing prior to the El Paso City Council approval of the License. The advance payment shall be in the form of a cashier's check or business check payable to "The City of El Paso" and delivered to the Planning and Inspections Department for remittance to the Financial Services Department. If the Special Privilege is disapproved by the El Paso City Council, a full refund of the payment shall be made by the Financial Services Department within fifteen (15) days of the denial action. Subsequent annual considerations shall be due the first day of the month in which the License has been granted by the El Paso City Council and remitted to the Financial Services Department.

### **ADVANCE PAYMENT OPTION:**

Grantee shall have the option of pre-paying the City the entire amount for the fifteen (15) year term of the License, prior to the execution of this License. The fifteen (15) year amount is equal to THIRTEEN THOUSAND FIFTY-EIGHT AND 43/100 DOLLARS (\$13,058.43). Said \$13,058.43 reflects the net present value (NPV) at a three percent (3%) discount rate of the annual fees for the entire fifteen (15) year term of the License. Should Grantee select the advance payment option, Grantee shall not be entitled to a refund of the consideration paid to the City in case of cancellation by the City and/or the Grantee prior to the expiration of the 15 year term.

Both the annual consideration and the advance payment shall be exclusive of and in addition to all general municipal taxes of whatever nature, including, but not limited to, ad valorem taxes, assessments for public improvements or any other assessments that may be enacted during the term of this License or any renewal, except hereinafter provided. The fee established in this section shall not be affected by any relocation of Grantee's License Area required by the City pursuant to this License.

The fee payment shall be exclusive of and in addition to all costs of obtaining required permits, plans and other approvals as necessary to conform to all other applicable City Special Privileges and regulations.

## **SECTION 9. INSURANCE**

Prior to commencement of any future construction, repairs, or maintenance operations during the term of this License, Grantee shall provide the City with a certificate of insurance and shall maintain such insurance in effect during the term of this License. The City shall be named as an additional insured on all of the Grantee's insurance policies that are required by this License. Failure to maintain insurance shall be a material breach of this License and a basis for termination of this License by the City.

Grantee shall obtain and provide a homeowner's general liability policy with a one million dollar (\$1,000,000.00) limit, per occurrence, for personal injury, death, and property damage, with a minimum one million dollar (\$1,000,000.00) general aggregate limit. These amounts are not a limitation upon the Grantee's agreement to indemnify and hold the City harmless

Grantee shall procure said insurance with a solvent insurance company authorized to do business in Texas. Such policy or certificate shall provide that the insurance cannot be canceled, modified or the amount of coverage changed without thirty (30) days prior written notice to the Financial Services Department, or ten (10) days prior written notice to the Financial Services Department for cancellation based on non-payment of insurance premiums. Grantee shall file a copy of the policy or certificate of insurance with Financial Services Department and the Planning and Inspections Department. If the policy is not kept in full force and effect throughout the term of this License, the License shall automatically become void.

## **SECTION 10. INDEMNITY**

**As a condition of this License, Grantee shall indemnify, defend and hold harmless the City, its officers, agents, servants and employees from and against any and all costs, claims, liens, damages, losses, expenses (including but not limited to attorneys' fees and costs), fees, fines, penalties, proceedings, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal injury or death or property damage, arising out of, resulting from or related to the Grantee's activities under this License, including any act or omission by the Grantee, the Grantee's agents, employees or subcontractors, all, without, however, waiving governmental immunity available to the City, hereafter, the "damages". This indemnification shall apply even where such damages described above involve the negligence or allegations of negligence on the part of the City, its officers, agents or employees.**

The provisions of this indemnification are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any person or entity. Without modifying the conditions of preserving, asserting, or enforcing any legal liability against the City as required by the City Charter or any law, the City will promptly forward to the Grantee every demand, notice, summons, or other process received by the City in any claim or legal proceeding contemplated herein. Grantee shall investigate or cause the investigation of accidents or occurrences involving such damages, negotiate or cause to be negotiated the claim as the Grantee may deem expedient, and defend or cause to be defended on behalf of the City all suits for damages, even if groundless, false or fraudulent brought because of such damages. Grantee shall pay all judgments finally establishing liability of the City in actions defended by Grantee pursuant to this section, along with all attorneys' fees and costs incurred by the City, including interest accruing to the date of payment by Grantee and premiums on any appeal bonds.

The City, at its election, will have the right to participate in any such negotiations or legal proceedings to the extent of its interest. In addition, the Grantee shall promptly advise the City in writing of any claim or demand against the City or the Grantee known to the Grantee related to or arising out of the Grantee's activities under this License. **The City will not be responsible for any loss of or damage to the Grantee's property from any cause.**

## **SECTION 11. RIGHTS IN THE EVENT OF ABANDONMENT**

**ORDINANCE NO. \_\_\_\_\_**

**NESV2015-00005**

## **SECTION 12. CANCELLATION**

Grantee shall have the option to terminate this License at any time upon giving the City written notice thirty (30) days in advance of such termination. In addition, the City shall have the option to cancel and terminate this License for failure of Grantee to comply with any material provision or requirement contained in this agreement after thirty (30) days written notice to Grantee. However, if said breach or failure to comply cannot be reasonably cured within thirty (30) days, if Grantee shall proceed promptly to cure the same with due diligence, the time for curing such failure to comply shall be extended for such period of time as may be deemed reasonably necessary by the City to complete such curing unless such breach involves public safety.

The City shall have the option to terminate this License at any time upon giving the Grantee written notice thirty (30) days in advance of such termination, at no cost to the City and may take possession of the City right-of-way. All rights of the Grantee for the City right-of-way shall then be terminated. If the License is cancelled by the City, Grantee shall not be entitled to a refund of the paid annual consideration for the months remaining in the License year (the twelve month period beginning on the effective date of this License). If this License is cancelled due to Grantee's failure to cure any default under this License, abandonment or cancellation by Grantee, Grantee shall not be entitled to a refund of consideration paid to the City.

Upon termination of this License, prior to the expiration of the original term for any reason, Grantee shall remove Grantee's License Area located in the License Area at no cost to the City.
