A G R E E M E N T

Article 1. CONTRACT PERIOD

This agreement becomes effective upon final execution by the State and shall terminate upon completion of the Event or unless terminated or modified as hereinafter provided.

Article 2. EVENT DESCRIPTION

The physical description of the limits of the Event, including county names and highway numbers, the number of lanes the highway has and the number of lanes to be used, the proposed schedule of start and stop times and dates at each location, a brief description of the proposed activities involved, approximate number of people attending the Event, the number and types of animals and equipment, planned, physical modifications of any man-made or natural features in or adjacent to the right of way involved and a location map is attached hereto as "Exhibit C," and incorporated as if fully set forth herein.

Article 3. OPERATIONS OF THE EVENT

A. The local government shall assume all costs for the operations associated with the Event, including but not limited to; plan development, materials, labor, public notification, providing protective barriers and barricades, protection of highway traffic and highway facilities, and all traffic control and temporary signage.

B. The local government shall submit to the State for review and approval: the construction plans, if construction or modifications to the State's right of way is required; the traffic control and signage plans; traffic enforcement plans, and; all other plans deemed necessary by the State. The State may require that any traffic control plan of sufficient complexity be signed, sealed and dated by a registered professional engineer. The traffic control plan shall be in accordance with the latest edition of the Texas Manual on Uniform Traffic Control Devices. All temporary traffic control devices used on state highway right of way must be included in the State's Compliant Work Zone Traffic Control Devices List. The State reserves the right to inspect the implementation of the traffic control plan, and if it is found to be inadequate, the local government will bring the traffic control into compliance with the originally submitted plan, upon written notice from the State noting the required changes, prior to the event. The State may request changes to the traffic control plan in order to ensure public safety due to changing or unforeseen circumstances regarding the closure.

C. The local government will ensure that the appropriate law enforcement agency has reviewed the traffic control for the closures and that the agency has deemed them to be adequate. If the law enforcement agency is unsure as to the adequacy of the traffic control, it will contact the State for consultation no less than 10 workdays prior to the closure.

D. The local government will complete all revisions to the traffic control plan as requested by the State within the required timeframe or that the agreement will be terminated upon written notice from the State to the local government. The local government hereby agrees that any failure to cooperate with the State may constitute reckless endangerment of the public and that the Texas Department of Public Safety may be notified of the situation as soon as possible for the appropriate action, and failing to follow the traffic control plan or State instructions may result in a denial of future use of the right of way for three years.

E. The local government will not initiate closure prior to 24 hours before the scheduled Event and all barriers and barricades will be removed and the highway reopened to traffic within 24 hours after the completion of the Event.

F. The local government will provide adequate enforcement personnel to prevent vehicles from stopping and parking along the main lanes of highway right of way and otherwise prevent interference

with the main lane traffic by both vehicles and pedestrians. The local government will prepare a traffic enforcement plan, to be approved by the State in writing at least 48 hours prior to the scheduled Event. Additionally, the local government shall provide to the State a letter of certification from the law enforcement agency that will be providing traffic control for the Event, certifying that they agree with the enforcement plan and will be able to meet its requirements.

G. The local government hereby assures the State that there will be appropriate passage allowance for emergency vehicle travel and adequate access for abutting property owners during construction and closure of the highway facility. These allowances and accesses will be included in the local government's traffic control plan.

H. The local government will avoid or minimize damage, and will, at its own expense, restore or repair damage occurring outside the State's right of way and restore or repair the State's right of way, including, but not limited to, roadway and drainage structures, signs, overhead signs, pavement markings, traffic signals, power poles and pavement, etc. to a condition equal to that existing before the closure, and, to the extent practicable, restore the natural and cultural environment in accordance with federal and state law, including landscape and historical features.

At the request of the State, the Local Government shall submit any information required by the State in the format directed by the State.

A. This agreement may be terminated by any of the following conditions:

- (1) By mutual written agreement and consent of both parties.
- (2) By the State upon determination that use of the State's right of way is not feasible or is not in the best interest of the State and the traveling public.
- (3) By either party, upon the failure of the other party to fulfill the obligations as set forth herein.
- (4) By satisfactory completion of all services and obligations as set forth herein.

B. The termination of this agreement shall extinguish all rights, duties, obligations, and liabilities of the State and local government under this agreement. If the potential termination of this agreement is due to the failure of the local government to fulfill its contractual obligations as set forth herein, the State will notify the local government that possible breach of contract has occurred. The local government must remedy the breach as outlined by the State within ten (10) days from receipt of the State's notification. In the event the local government does not remedy the breach to the satisfaction of the State, the local government shall be liable to the State for the costs of remedying the breach and any additional costs occasioned by the State.

Article 6. DISPUTES

Should disputes arise as to the parties' responsibilities or additional work under this agreement, the State's decision shall be final and binding.

B. In the event the local government is a self-insured entity, the local government shall provide the State proof of its self-insurance. The local government agrees to pay any and all claims and damages that may occur during the period of this closing of the highway in accordance with the terms of this agreement.

2 CONSIDERATION.

2.1 The Contractor agrees to provide the following services:

2.1.1 Manage and operate the Event on Friday, May 22, 2015 through Monday, May 25, 2015, upon the area approved by the City through Permit No. CSEV15-00081, or as modified in writing by the parties.

2.2 In addition to the use of City rights-of-way, this Event requires the temporary closure of State-owned-and operated highway, thereby imposing additional obligations on the City pursuant to 43 Texas Administrative Code, Section 22.12.

CONTRACTOR HEREBY AGREES TO INDEMNIFY AND ASSUME RESPONSIBILITY FOR THE REQUIREMENTS IMPOSED ON THE CITY UNDER THIS STATUTE IN CONSIDERATION OF THE CITY'S SUBMISSION ON BEHALF OF THE CONTRACTOR, FOR APPROVAL OF THE CLOSURE AND USE OF STATE HIGHWAY RIGHT-OF-WAY. Accordingly, Contractor shall:

- 2.2.4** Complete all revisions to the traffic control plan as requested by the State within the required timeframe. Contractor hereby agrees that any failure to comply with the traffic control plan may constitute reckless endangerment of the public and the Texas Department of Public Safety (DPS) may be notified of the situation and may take any appropriate action including cancelling of the event, and failing to follow the traffic control plan or State instructions may result in a denial of future use of right-of-way for three years.

The State requires submission and written approval of the plan no later than 48 hours before the Event.
- 2.2.7** Assure the State, through the City, that there will be appropriate passage allowance for emergency vehicle travel and adequate access for abutting property owners during construction and closure of the highway facility. These allowances and accesses will be included in the traffic control plan.

2.2.12 Contractor shall pay the amount invoiced by the City within thirty (30) days of receipt of such invoice.

3 **LEGAL RELATIONSHIP.** Nothing in this Agreement shall be construed as creating a legal relationship of co-sponsorship or responsibility for the promotion, conducting, or operation of the Event on the part of the City. Contractor is an independent contractor, and nothing herein shall be construed as creating the relationship of employer and employee or principal and agent between the parties. The City's waiver of any or all fees for necessary police traffic-control assistance, to the extent such assistance is provided, shall not be construed as the City's co-sponsorship of the Event nor as support of or opposition to any issue.

3.1 City shall not be liable for any and all demands, claims, damages, causes of action, costs or losses for personal injury, property damage, or death caused by or arising out of the negligence of Contractor while Contractor is promoting, conducting, or operating the Event, or which are caused by or arise from the failure of Contractor to abide by appropriate laws, rules and regulations.

4 **EQUIPMENT.** All equipment used by the Contractor or which is permitted to be used in the Event by the Contractor shall be maintained in satisfactory working condition. The Contractor shall not intentionally or knowingly use any equipment in any manner that may cause injury to the property of the City or third parties or any persons.

5 **SAFETY.** Contractor shall comply with all applicable laws, ordinances, and regulations and shall encourage its participants in the Event to comply with all applicable laws, ordinances, and regulations. Contractor shall exercise every precaution for the safety of public and private property and persons.

6 **INSURANCE AND INDEMNIFICATION PROVISIONS.** The Contractor acknowledges that its request to use the public right of way is solely for its benefit and not a use that benefits the City taxpayers as a whole. As a result, the Contractor agrees to provide the following as a condition of its use of the public right of way:

6.1 **LIABILITY INSURANCE.** The Contractor shall obtain and provide a general liability insurance policy with a minimum One Million Dollars (\$1,000,000.00) limit, per occurrence, for personal injury, death and property damage, with a minimum One Million Dollars (\$1,000,000.00) general aggregate limit. These amounts are not a limitation upon the Contractor's agreement to indemnify and hold harmless the City.

6.1.1 Because the granting of this Contract is solely for the benefit of the Contractor and recognizing that the City taxpayers should not incur any costs associated with the Contractor's enjoyment of this Contract, except as provided herein, the Contractor is required to purchase liability insurance on behalf of the City or, alternatively, may name the City as an additional insured on the policy of general liability insurance referenced above. Such insurance shall provide coverage for any alleged acts or

omissions of the City, its agents, employees, or independent contractors, alleged or asserted by any individual, in connection with the performance of this agreement.

6.1.2 The Contractor shall maintain said insurance with a solvent insurance company authorized to do business in Texas. The policy shall provide that the insurer will defend against all claims and lawsuits which arise and will pay any final judgment of a court of competent jurisdiction against the City, its officers, agents, servants or employees and the Contractor, its officers, agents, servants, or employees.

6.1.3 This Contract shall not be executed by the City until the Contractor files a copy of the policy or certificate of liability insurance as herein set forth with the Department of Transportation. Such policy or certificate shall provide that the insurance cannot be canceled or the amount of coverage changed without thirty (30) calendar days prior written notice to the City, or without ten (10) calendar days prior written notice as to non-payment of insurance policy premiums. Failure to keep the policy in full force and effect throughout the term of the contract shall be grounds for cancellation of the Parade Permit and City Sponsorship. Certificates of Insurance that state the insurer shall endeavor to give notice and/or that there shall be no liability for the failure to give the notice required herein shall not meet the requirements of this section.

6.2 **INDEMNITY.** As a condition of the granting of this Contract, the Contractor or its insurer will INDEMNIFY, DEFEND AND HOLD HARMLESS the City, its officers, agents and employees, FOR AND AGAINST ANY AND ALL CLAIMS, CAUSES OF ACTION, LIABILITY, DAMAGES OR EXPENSE, (INCLUDING BUT NOT LIMITED TO ATTORNEY FEES AND COSTS) FOR ANY DAMAGE TO OR LOSS OF ANY PROPERTY, OR ANY ILLNESS, INJURY, PHYSICAL OR MENTAL IMPAIRMENT, LOSS OF SERVICES, OR DEATH TO ANY PERSON ARISING OUT OF OR RELATED TO THIS AGREEMENT. Without modifying the conditions of preserving, asserting or enforcing any legal liability against the City as required by the City Charter or any law, the City will promptly forward to the Contractor every demand, notice, summons or other process received by the City in any claim or legal proceeding contemplated herein. The Contractor will 1) investigate or cause the investigation of accidents or occurrences involving such injuries or damages; 2) negotiate or cause to be negotiated the claim as the Contractor may deem expedient; and 3) defend or cause to be defended on behalf of the City all suits for damages even if groundless, false or fraudulent, brought because of such injuries or damages. The Contractor will pay all judgments in actions defended by the Contractor pursuant to this section along with all attorneys' fees and costs incurred by the City including interest accruing to the date of payment by the Contractor, and premiums on any appeal bonds.

The City, at its election will have the right to participate in any such negotiations or legal proceedings to the extent of its interest. The City will not be responsible for any loss of or damage to the Contractor's property from any cause.

- 7 **DISCRIMINATION.** Contractor, its officers, agents, servants, employees, volunteers, and third parties will not discriminate on account of race, color, religion, sex, or national origin, permit or allow any discrimination in the work done pursuant to this Contract in violation of the law.

The Contractor must file any Assurance required under City Ordinance 9779, prohibiting discrimination against disabled persons.
- 9 **COMPLIANCE WITH LAWS.** Contractor shall comply with all applicable federal, state and local laws and regulations. Failure to do so in any manner that materially impairs the quality of performance hereunder, or affects the administration of the funds provided hereunder shall constitute a material breach of this Contract.
- 10 **TERMINATION.**
 - 10.1 Termination by Mutual Consent. The parties may terminate this Contract by mutual consent upon such terms as they may agree in writing.
 - 10.2 Termination by Any Party. It is further understood and agreed by the parties that any party to this Contract may terminate this Contract, in whole or in part, upon **thirty (30) days** written notice if any of the other parties fails to perform any of its material obligations hereunder and fails to completely cure the breach.
 - 10.3 Time of Performance Termination – Force Majeure. The party affected by such event will immediately notify the other parties in writing.
 - 10.4 Termination Shall Not Be Construed as Release. Termination by any party shall not be construed as a release of any claims that may be lawfully asserted against the terminating party(s). Further, the terminated party(s) shall not be relieved of any liability for damages sustained by the terminating party by virtue of any breach of this Contract.
 - 10.5 Upon termination of this Contract, except as otherwise provided herein, all duties and obligations of the parties to this Contract shall cease.
