SUBJECT:

General Services - Facilities Maintenance Division is recommending the approval of a purchase order to Perikin Enterprises, LLC for the purchase of facility renovations to include labor, materials and equipment which will occur at the San Juan Recreational Center. This purchase is in compliance with terms and conditions set forth by Region 19 Contract #12-6814 for an estimated award amount of \$61,280.00. This cooperative contract has reached the City's expenditure limit and requires Council approval before moving forward with the purchase.

BACKGROUND / DISCUSSION:

General Services - Facilities Division is requesting the above purchase which is for the renovation of the San Juan Recreational Facility. This is an aging facility that has a high level of public use that must be maintained accordingly. If approved, this award will allow for complete interior painting of:

- Boxing Gym

- Men's and Women's Locker Rooms and Bathrooms
- Weight Room
- 2 Offices
- All Stairwells
- Gymnasium
- Game Room
- Ballet Room
- Chalio Acosta Room
- Computer Room

These renovations will allow full exterior painting and will provide a professionally enhanced facility for present and future public use. Local business is being supported.

April 21, 2014 Date:

Region 19 Contract 12-6814 - Perikin Enterprises, LLC Re:

The Department of General Services recommends authorizing the issuance of Purchase Order for the facility renovations consisting of interior and exterior painting of the San Juan Recreational Center utilized by the City of El Paso. The contract will be facilitated through the use of Region 19 contract #12-6814 for an estimated cost of \$61,280.00 dollars for a one time purchase.

- 1. Is there an urgent need for the product/service? In other words, is time of the essence? Yes. The maintenance of the San Juan Recreational Center has been deferred for several years and now requires immediate attention. These renovations will allow full exterior painting and will provide a professionally enhanced facility for present and future public use.
- 2. Does the purchase through the Program promote the standardization of equipment? Yes, refurbished or replaced materials and equipment specified in this renovation will allow the facility to be uniform to other city properties of similar use.
- 3. Does the purchase through the Program support local business? If not, is there a comparable

product/service available locally?

The contracting company submitting the proposal is a local business and has successful completed the review criteria by the buy board selection. Additionally they support local supply houses with their purchases of materials.

- 4. Do the available vendors have prior work experience and/or familiarity with the City? Yes, they have completed a number of previous city project in a satisfactory manner.
- 5. Is the pricing reasonable as compared to other similar products/work performed for the City of El Paso in the past or as quoted from other companies? Yes, pricing was established by the Region 19 standards of competitive analysis and found to be in compliance with industry best practices.
