- C. Pay all casualty, bond, and liability insurance premiums required in accordance with the terms of this Lease.

4.02 Condition of Premises. Lessee accepts the Premises in their present condition and agrees that the Premises are suitable for Lessee's business, activities, and operations proposed to be conducted thereon relying on its own inspection and judgment. Lessee accepts the Premises "As Is", with all faults, relying on Lessee's own inspection and judgment and not in reliance on any representations of Lessor. Lessor shall assume no responsibility as to the condition of the Premises and shall not assume responsibility for maintenance, upkeep, or repair necessary to keep the Premises in a safe and serviceable condition.

4.03 Compliance With Laws. Lessee, at Lessee's expense, agrees that it will construct, operate and maintain improvements on the Premises in accordance with the Declarations and in accordance with all laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, including, but not limited to, those which shall impose any duty upon the Lessor or Lessee, with respect to the use, occupation or alteration of the Premises and any improvements thereon. In addition, Lessee agrees, if required, it will remove all improvements, in accordance with all laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, including, but not limited to, those which shall impose any duty upon the Lessor or Lessee, with respect to the use, occupation or alteration of the Premises.

Lessee, at Lessee's expense, specifically agrees to make or cause to be made all such alterations to the Premises, and any improvements thereon, including, without limiting the generality of the requirements of this sentence, removing such barriers and providing such alternative services, as shall be required by the Americans with Disabilities Act of 1990 and any other laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, which relate to the use or occupation of the Premises and any improvements thereon by disabled persons ("Disabilities Laws").

Lessee shall, at Lessee's expense, comply with all present and hereinafter enacted Environmental Laws, and any amendments thereto, affecting Lessee's use, operation, occupation or alteration of the Premises including any improvements thereon.

A. Definitions.

- (1) "Environmental Laws" means any one or all of the following as the same are amended from time to time: the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6941 et seq.; the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq.; the Safe Drinking Water Act, 42 U.S.C. Section 300h et seq.; the Clean Water Act, 33 U.S.C. Section 1251 et seq.; the Clean Air Act, 42 U.S.C. Section 7401 et seq.; and the regulations promulgated thereunder and any other laws, regulations and ordinances (whether enacted by the

local, state or federal government) now in effect or hereinafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including sub-strata land.

- (2) "Hazardous Material" shall mean all substances, materials and wastes that are, or that become, regulated under or classified as hazardous or toxic under any Environmental Law and all petroleum products, such as gasoline, kerosene, diesel fuel, and the like.
- (3) "Release" shall mean any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping into the environment.

B. Compliance.

- (1) Lessee shall not cause or permit any Hazardous Material to be used, generated, manufactured, produced, stored, brought upon, or released, on, under or about the Premises, or transported to and from the Premises, by Lessee, its sublessees, agents, employees, contractors, invitees, licensees, or a third party in violation of any Environmental Law. **Lessee shall indemnify, defend and hold harmless Lessor, its successors and assigns, its officers, directors, employees, agents and attorneys from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, breach of warranty or representation, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of, or adverse effects on, the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity which are incurred or assessed as a result (whether in part or in whole) of any activity or operation on or discharge from the Premises or any improvements thereon caused by the act or omission of Lessee, its sublessees, agents, employees, contractors, licensees or invitees. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the Premises, improvements, land, soil, underground or surface water to the extent required under Environmental Laws. Lessee's obligations and liabilities under this paragraph shall continue so long as Lessor bears any liability or responsibility under the Environmental Laws for any action that occurred on the Premises or any improvements thereon. This indemnification of Lessor by Lessee includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work to the extent required by any federal, state or local governmental agency or**

political subdivision having authority to enforce Environmental Laws because of Hazardous Material located on the Premises or any improvements thereon, or present in the soil or ground water on, under or about the Premises. The parties agree that Lessor's right to enforce Lessee's promise to indemnify is not an adequate remedy at law for Lessee's violation of any provision of this Section. Lessor shall also have all other rights and remedies provided by law or otherwise provided in this Lease.

- (2) Without limiting the foregoing, if the presence of any Hazardous Material on, under or about the Premises or in any improvements thereon or permitted by Lessee results in any contamination of the Premises or any improvements thereon, or any surrounding property, Lessee shall promptly take all actions at its sole cost and expense as are necessary to return the Premises or any improvements thereon or the surrounding property to the condition existing prior to the introduction of any such Hazardous Material to the Premises or in any improvements thereon or the surrounding property; provided that Lessor's approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Premises or on any improvements thereon or the surrounding property.
- (3) Lessee shall, at Lessee's own cost and expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority (the "Government") under the Environmental Laws. Should the Government determine that site characterization, site assessment and/or a cleanup plan be prepared or that a cleanup should be undertaken on the Premises or in any improvements thereon or on surrounding property to comply with applicable Environmental Laws, then Lessee shall, at Lessee's own cost and expense, prepare and submit the required plans and financial assurances, and carry out the approved plans. At no cost or expense to Lessor, Lessee shall promptly provide all information requested by Lessor to determine the applicability of the Environmental Laws to the Premises to respond to any governmental investigation or to respond to any claim of liability by third parties which is related to environmental contamination of the Premises or the improvements thereon or the surrounding property.
- (4) Lessee shall immediately notify Lessor promptly after Lessee becomes aware of any of the following: (a) any correspondence or communication from any governmental entity regarding the application of Environmental Laws to the Premises or Lessee's operation on the Premises, and (b) any change in Lessee's operation on the Premises that will change or has the potential to change Lessee's or Lessor's obligations or liabilities under the Environmental Laws.

- (5) Lessee shall insert the provisions of this Section 4.03 in any lease, agreement, license, or contract by which it grants a right or privilege to any person, firm or corporation under this Lease, but only with respect to those leases, agreements, licenses or contracts executed after the effective date of this Lease.

C. Fuel Storage Tanks. Only with the prior written approval of the Director, which approval shall not be unreasonably withheld, Lessee may install, operate, or maintain above ground fuel or chemical storage, pumping and dispensing facilities on the Premises. All such tanks, pumps and dispensing machinery shall be owned by Lessee or Lessee's sublessee or licensee and Lessor shall not have any interest therein. In connection with the installation, operation and maintenance of such storage, pumping and dispensing facilities, Lessee will comply with all governmental regulations, laws, rules and ordinances, all governmental regulations, laws, rules and ordinances, all industry standards, and insurance requirements, all at Lessee's sole cost, expense and risk. Prior to the end of the term of the Lease, Lessee will remove all tanks, pumping and dispensing facilities and will perform all necessary clean up, testing and backfilling necessary to assure that the land is not contaminated with any fuel, gasoline, petroleum product or Hazardous Materials in violation of applicable Environmental Law and as may be required by the Environmental Protection Agency (EPA) or the Texas Commission on Environmental Quality (TCEQ). Lessee will, without limiting the generality of the foregoing, test the ground under and around the tanks, once they are removed, and will deliver copies of the testing report showing no contamination on the site in violation of applicable Environmental Laws to Lessor. Lessee agrees to indemnify and hold Lessor harmless against any and all cost, expense and liability arising from the location, maintenance or operation of any fuel or other chemical storage, pumping and dispensing equipment on the Premises during the tenancy provided for under this Lease, including, without limitation, any leaks there from or contamination of the Premises or adjacent property therefrom.

In the event of an emergency (meaning a Release of Hazardous Materials in violation of Environmental Laws on the Premises that presents an immediate threat of injury to persons or property) or the expiration of cure periods provided for in Article XI, then notwithstanding any other provision in this Lease to the contrary, Lessor shall have the right of "self-help" or similar remedy in order to minimize any damages, expenses, penalties and related fees or costs, arising from or related to a violation of any law on, under or about the Premises, the cost of which including attorney's fees, shall be borne by Lessee. Lessor shall use its best efforts to notify Lessee prior to its exercise of such self-help rights.

Lessee's failure or the failure of its agents, employees, contractors, licensees, invitees, or a third party to comply with any of the requirements and obligations of this Section shall constitute a material default of this Lease and shall permit Lessor to pursue the remedies as set forth in Article XI hereinbelow, in addition to

all other rights and remedies provided by law or otherwise provided in the Lease, to which Lessor may resort cumulatively, or in the alternative

D. Reporting.

- (1) At any time that Lessee submits any filing or response pertaining to its property, operations, or presence on the Airport with any governmental entity (other than the Internal Revenue Service) by way of example but not in limitation, the FAA, the EPA or the TCEQ, or any successor agencies, Lessee shall provide duplicate copies to Lessor of such filing(s) or response(s) with any related documents at the time same are made.
- (2) Upon expiration, termination or cessation of this Lease for any reason, Lessee shall provide to Lessor a Phase I Environmental Site Assessment meeting ASTM standards of the Premises ("Lessee's Report"); and if, in the opinion of Lessor, if Lessee's Report indicates that the Premises is in violation of applicable Environmental Laws, then Lessee shall perform work as is necessary to cause the Premises to be in compliance with applicable Environmental Laws.

4.04 Minimum Improvement Standard. Lessee covenants and agrees that facilities constructed on the Premises, exclusive of paving and landscaping, shall cover a minimum of twenty percent (20%) of the Premises' land area, and a maximum of fifty percent (50%) of the Premises' land area. Lessee shall submit an Improvement Survey prepared by a licensed Texas surveyor for any improvements existing as of the Effective Date of this Lease. The improvements in existence on the Premises as of the effective date of this Lease and identified on the submitted Improvement Survey are hereby deemed to be in compliance with the requirements of this Section 4.04. In the event such improvements are partially or totally destroyed by fire or other casualty, Lessee shall have the absolute right to restore or rebuild such improvements to the same size as existed prior to the casualty.

4.05 Lessor's Approval of Plans. Lessor's approval of any plans, specifications and working drawings for Lessee's construction or alterations of improvements or any plans, specifications and working drawings for Lessee's removal of improvements shall create no responsibility or liability on the part of Lessor for their completeness, design sufficiency or compliance with all laws, rules and regulations of federal, state, county and municipal authorities. It is specifically understood that the Department of Aviation is only one of numerous departments of Lessor and that, in addition to obtaining approval of the Director, Lessee shall be required to obtain the approval of other City departments. Upon approval by such agencies and the issuance of permits for the commencement of construction, Lessee shall deliver to the Director one (1) complete set of the Final Plans as approved by the governmental agencies exercising jurisdiction thereover, and copies of all issued permits. Upon completion of construction, Lessee shall deliver to Director a complete set of record (as-built) drawings of the construction signed and sealed by a professional engineer or architect licensed in Texas, and a copy of the issued Certificate of Occupancy for the Premises.

4.06 Landscaping and Maintenance of Improvements. Lessee shall landscape the Premises and keep the improvements on the Premises in a good state of repair and condition and in a presentable condition comparable in appearance and character to similar improvements in Butterfield Trail Industrial Park. The exterior finish on the improvements shall be repainted and refinished as reasonably necessary to maintain the appearance of such improvements to a standard comparable to similar improvements in Butterfield Trail Industrial Park. Notwithstanding anything to the contrary in the Declarations, Lessor agrees that attractive, low water usage landscaping is a desirable goal and agrees to consider and approve appropriate low water usage landscaping plans as a part of the architectural review process.

Lessor shall be the sole judge of the quality of maintenance and, upon written notice by Lessor to Lessee, Lessee shall be required to perform reasonable maintenance Lessor reasonably deems necessary in order to cause the exterior finish to be in a condition comparable to similar improvements in Butterfield Trail Industrial Park. If said maintenance is not commenced by Lessee within forty-five (45) days after receipt of written notice, Lessor shall have the right to enter on the Premises and perform the necessary maintenance, the cost of which plus ten percent (10%) shall be borne by Lessee.

4.07 Utilities. Lessee shall pay for all costs or charges for utility services furnished to Lessee during the term hereof. Lessee shall have the right to connect to any and all storm and sanitary sewers and water and utility outlets at its own cost and expense.

4.08 Trash, Garbage, and Other Refuse. Lessee shall provide a complete and proper arrangement for the adequate sanitary handling and disposal, away from the Airport, of all trash, garbage and other refuse caused as a result of its use and occupancy of the Premises. Lessee shall provide and use suitable covered commercial type receptacles for all such garbage, trash and other refuse, and will maintain these receptacles, screened from view of adjoining properties or public streets in an attractive, safe, and sanitary manner. Piling of boxes, cartons, barrels or other similar items, in an unsightly or unsafe manner, on or about the Premises, shall not be permitted.

4.09 Permitted Uses. Lessee will not enter into any business activity on the Premises other than those permitted in the Declarations.

4.10 Penalties Assessed by Federal Agencies. Lessee understands and agrees that in the event any federal agency assesses a civil penalty against Lessor or the Airport for any violation, including but not limited to any security violation, as a result of or related to any act or failure to act on the part of Lessee, its sublessees, agents, employees contractors, licensees or invitees, Lessee shall reimburse Lessor in the amount of the civil penalty assessed. Failure to reimburse Lessor within thirty (30) calendar days of receipt of written notice shall constitute an event of default hereunder.

ARTICLE V - TERM OF LEASEHOLD

5.01 Term. This Lease shall be for a term of forty (40) years, commencing on July 1, 2015 ("Initial Term").

5.02 Option to Extend. In the event Lessee is not in default of any terms of this Lease, Lessee shall have the option to extend this Lease for one (1) additional term of ten (10) years each by notifying Lessor in writing of Lessee's election at least one hundred eighty (180) days prior to the expiration of the Initial Term.

5.03 Holding Over. It is agreed and understood that any holding over by Lessee of the Premises at the expiration or cancellation of this Lease shall operate and be construed as a tenancy from month to month at a rent of one and one-half times the current monthly rent, and Lessee shall be liable to Lessor for all loss or damage on account of any holding over against Lessor's will after the expiration or cancellation of this Lease, whether such loss or damage may be contemplated at this time or not. No receipt or acceptance of money by Lessor from Lessee after the expiration or cancellation of this Lease or after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue or extend the terms of this Lease, or affect any such notice, demand or suit or imply consent for any action for which Lessor's consent is required or operate as a waiver of any right of the Lessor to retake and resume possession of the Premises.

5.04 National Emergency. In the event the rights and privileges hereunder are suspended by reason of war or other national emergency, the term of this Lease shall be extended by the amount of the period of time of such suspension.

ARTICLE VI - RENT

6.01 Rent. For the purpose of computing the rent payments, Lessor and Lessee agree that the Premises comprise **346,041** square feet of land. The Rent for the Premises will be calculated on the basis of **346,041** square feet at **\$0.24** per square foot per annum. Therefore, the annual Rent for the first five (5) years of the Initial Term shall be **\$83,049.84.**

6.02 Commencement of Rent. Payment of Rent by Lessee to Lessor as aforesaid shall commence on the effective date of this Lease.

6.03 Readjustment of Rent. For the purpose of computing adjustments to rental payments, Lessor and Lessee agree as follows, with each adjustment effective as of the appropriate anniversary date, regardless of the date the actual adjustment is made:

- A. Rents shall be adjusted on each fifth (5th) anniversary of the Effective Date during the Initial Term. Lessor and Lessee agree that percentage increases in the Consumer Price Index for all Urban Consumers (CPI-U) shall govern the rent readjustment for these anniversary dates. The parties further agree that for the purposes of computing such percentage increase during the Initial Term, the Base Year CPI-U shall be established as that rate in place ninety (90) calendar days prior to the Effective Date of this Lease. Rents shall be adjusted pursuant to the percentage increase in the CPI-U from the Base Year CPI-U to the rate in place ninety (90) days prior to the applicable date of readjustment (i.e. the fifth (5th) anniversary date of the Effective Date).

All readjustments shall be effective as of the fifth (5th) anniversary date, without regard to the date the actual adjustment is made; provided, however, that in no event shall the readjusted rent be less than the rate in place immediately prior to such readjustment nor more than twenty percent (20%) more than the rent established at the beginning of the immediately preceding five-year period.

- B. Within ninety (90) days prior to or after the beginning of the Option Period, if exercised, the Rent shall be adjusted to a rate equal to eight percent (8%) of the then fair market value of the Premises, disregarding the value of any Lessee-owned improvements located on the Premises, established as set forth in this Lease. In no event however, shall the Rent for the Option Period be less than the Rent for the rental period for the immediately preceding five (5) year period. The Rent shall become effective as of the Option Period, regardless of the date the actual adjustment is made.
- C. The fair market value of the Premises shall be determined by an appraisal of the Premises.

Lessor will select an appraiser ("First Appraiser") from its list of qualified appraisers to establish the fair market value of the Premises, disregarding the value of any Lessee-owned improvements located on the Premises. Lessor shall notify Lessee in writing of such selection and, if Lessee is not satisfied with the selection of the First Appraiser, Lessee, within fifteen (15) days after receipt of said notice, shall notify Lessor in writing of Lessee's selection of a qualified second appraiser ("Second Appraiser"). The selection of the Second Appraiser must be from the Lessor's list of qualified appraisers. If Lessee does not respond within fifteen (15) days after receipt of the written notice, or it does not select a Second Appraiser from Lessor's list of qualified appraisers and notify Lessor in writing as required herein, the First Appraiser shall proceed to establish the fair market value of the Premises, disregarding the value of any Lessee-owned improvements located on the Premises. This will be the First Appraisal and the fair market value determined by the First Appraiser will be the Rent for the Option Period.

However, if a Second Appraiser is selected and Lessor is satisfied with such selection, the Second Appraiser shall proceed to determine the fair market value of the Premises. The fair market value determined by the Second Appraiser will be the Rent for the Option Period, and this value will become the First Appraisal.

If Lessor is not satisfied with the selection of the Second Appraiser and Lessor and Lessee cannot mutually agree on the selection of one appraiser, then the First Appraiser will proceed to independently determine the fair market value of the Premises.

If either Lessor or Lessee protests the fair market value of the Premises determined by the First Appraisal, the protesting party must notify the other party,

in writing within fifteen (15) days after receiving written notice of the fair market value of the Premises identified in the First Appraisal. Lessee shall pay the Rent as determined by the First Appraisal under protest until there is a final determination of the fair market value for the Premises for which the Rent is determined. Should the final determination of the fair market value of the Premises be a lower rate than the fair market value of the Premises determined by the First Appraisal, Lessee's account will be credited by Lessor accordingly.

The protesting party will select an appraiser ("Qualified Appraiser") from the Lessor's list of qualified appraisers to appraise the Premises. The Qualified Appraiser must complete the appraisal within thirty (30) days of a notice to proceed. If the fair market value of the Premises determined in the appraisal by the Qualified Appraiser and the fair market value of the Premises identified in the First Appraisal are within ten percent (10%) of each other, then the fair market value of the Premises shall be the lower of the fair market values identified in the two appraisal reports. This amount will be the Rent for the Option Period.

If the fair market value of the Premises determined by the Qualified Appraiser and the fair market value of the Premises identified in the First Appraisal differ by fifteen percent (15%) or more, the fair market value of the Premises shall be established by the averaging of the fair market value of the Premises determined in the appraisal by the Qualified Appraiser and the fair market value of the Premises identified in the First Appraisal. This amount will be the Rent for the Option Period.

The Rent shall be effective as of the date the Option Period begins.

In any case, the fees and expenses of the First Appraiser will be paid by Lessor, the fees and expenses of the Second Appraiser will be paid by Lessee, and the fees and expenses of a Qualified Appraiser shall be borne equally by the Lessor and Lessee.

Any appraiser on Lessor's list of qualified appraisers and designated to serve in accordance with the provisions of this Lease shall be an unbiased and disinterested party and shall be a Texas licensed appraiser qualified to appraise real estate of the type covered by this Lease situated in El Paso County, Texas, and shall have been actively engaged in the appraisal of real estate similar to the Premises and located in El Paso County, Texas for a period of not less than five (5) consecutive years immediately preceding his/her appointment.

6.04 Security Deposit. Prior to the commencement of this Lease, Lessee shall tender a Security Deposit in an amount equal to three (3) months of Rent to Lessor. The purpose of the Security Deposit is to guarantee Lessee's performance of its obligations under this Lease and the payment of all Rent due hereunder. Lessee shall be obligated to maintain the Security Deposit for eighteen (18) consecutive months from the Effective Date of this Lease. The Security Deposit shall be in such form acceptable to the Director in his/her reasonable discretion. Within

twenty (20) days after expiration of the eighteen (18) month period, if Lessee has not defaulted under the Lease, Lessor will return the Security Deposit to Lessee. Lessor's rights under this Section shall be in addition to all other rights and remedies provided to Lessor under this Lease.

If Lessee provides Lessor with an irrevocable Letter of Credit for the Security Deposit, the Letter of Credit, in a form acceptable to the Director in her/his reasonable discretion and approved by the City Attorney, shall be issued by a national banking association. Such Letter of Credit shall be payable upon presentment accompanied by an affidavit by an authorized representative of Lessor indicating that the proceeds to be paid will be used by Lessor to pay sums due and owing pursuant to Lease.

6.05 Time of Payment. The Rent shall be paid in twelve (12) equal monthly installments. The Rent payments shall be paid in advance on or before the first day of each and every month during the term of this Lease.

6.06 Unpaid Rent, Fees and Charges. Any installment of rent, fees, or other charges or monies accruing under any provisions of this Lease that are not received by Lessor by the 20th day of the month in which payment is due, shall bear interest from the date such rental or other amount was due at the lesser of the rate of eighteen percent (18%) per year or the then maximum nonusurious rate under applicable law, (the lesser of said amounts being herein referred to as the "**Maximum Rate.**") In the event the late charge is ever deemed to be "interest" the amount of interest on past due amounts shall be automatically reduced so that the combination of said late charge and the interest on past due amounts, if any, does not exceed the Maximum Rate. Any amount collected which exceeds the Maximum Rate will be deemed credited to other amounts owed by Lessee to Lessor under this Lease, and any remaining excess after such credit shall be refunded to Lessee. It is the intent of both Lessor and Lessee to at all times comply with the applicable law regarding the maximum nonusurious amount or rate of interest which may be contracted for, charged, taken, reserved or received by Lessor.

6.07 Place of Payment. All rent payments provided herein shall be paid to Lessor at the following address:

Accounting Division
El Paso International Airport
P.O. Box 971278
El Paso, Texas 79997-1278

ARTICLE VII - INSURANCE AND INDEMNIFICATION

7.01 Insurance. Prior to the execution of this Lease, Lessee shall obtain, provide proof of, and shall maintain for the term of this Lease, the types and amounts of insurance coverage listed below:

Comprehensive General Liability Insurance in amounts as reasonably set from time to time by Lessor, but not less than One Million Dollars (\$1,000,000.00) for bodily injury to one person for each occurrence,;

Two Million Dollars (\$2,000,000.00) for bodily injuries to more than one person arising out of each occurrence, and

One Million Dollars (\$1,000,000.00) for Property Damage arising out of each occurrence,

or in amounts equal to the maximum liability for damages for municipalities for claims arising under governmental functions, provided for under the Texas Tort Claims Act, whichever is greater.

7.02 Additional Insured. Lessor shall be named as an Additional Insured on all insurance policies either in the policy itself and reflected on the certificate of insurance or through an endorsement attached to the policy.

All policies shall provide either in the policy itself and reflected on the certificate of insurance or through an endorsement attached to the policy, that the insurance cannot be canceled or the amount of coverage changed without thirty (30) calendar days prior written notice to the Lessor or ten (10) calendar days prior written notice for non-payment of insurance policy premiums.

Commercial General Liability and Property Damage coverage requirements may be satisfied through a combination of individual policy limits and umbrella coverage but the amounts under each type of coverage shall be subject to the final approval of the City's Risk Manager.

7.03 Fire and Other Risks Insurance. Lessee, at its sole cost and expense, shall throughout the term of this Lease, keep or cause to be kept all improvements now or hereafter located upon the Premises insured for the mutual benefit of Lessor and Lessee against loss or damage by fire and against loss or damage by other risks embraced by "extended coverage" and against civil commotions, riots, vandalism and malicious mischief in an amount equal to the actual replacement cost of such improvements, including costs of replacing excavations and foundation, but without deduction for depreciation (hereinafter called "Full Insurable Value"). In the event a dispute arises as to the Full Insurable Value which cannot be resolved by agreement of the Parties, an appraisal of the Premises and improvements thereon shall be made by an appraiser selected by Lessee and reasonably acceptable to Lessor to determine the Full Insurable Value, as defined in this Section, and the resulting determination shall be conclusive between the parties for the purpose of this Section. Should the appraiser Lessee selected be unsatisfactory to Lessor, the carrier of the insurance then in force shall be requested to determine the Full Insurable Value as defined in this Section. The expense of this appraisal shall be borne by Lessee, unless the value claimed by Lessee is confirmed through such an appraisal, in which case the Lessor shall reimburse the Lessee for the cost of such appraisal.

7.04 Payment and Performance Bonds. Prior to commencement of any construction work on the Premises the total cost of which will exceed Fifty Thousand Dollars (\$50,000.00), Lessee, at its own cost and expense, shall cause to be made, executed, and delivered to Lessor two (2) separate bonds, as follows:

- A. Prior to the date of commencement of any construction, a contract surety bond in a sum equal to the full amount of the construction contract awarded.

Said bond shall guarantee the faithful performance of all necessary construction and completion of improvements in accordance with approved final plans and detailed specifications; and shall guarantee Lessor against any losses and liability, damages, expenses, claims and judgments caused by or resulting from any failure of Lessee to perform completely the work described as herein provided.

- B. Prior to the date of commencement of any construction, a payment bond with Lessee's contractor or contractors as principal in a sum equal to the full amount of the construction contract project.

Said bond shall guarantee payment of all wages for labor and services engaged and of all bills for materials, supplies, and equipment used in the performance of said construction project.

In accordance with Article 35.03.004 of the Texas Insurance Code, if a Performance or Payment bond is in an amount of excess of ten percent (10%) of the surety's capital and surplus, the Lessor will require, as a condition to accepting the bond(s), a written certification from the surety that the surety has reinsured the portion of the risk that exceeds ten percent (10%) of the surety's capital and surplus with one or more reinsurers who are duly authorized, accredited or trusted to do business in the State of Texas.

In lieu of the payment and performance bonds described in Paragraph A and B, above, Lessee may, at Lessee's option, provide Lessor with an irrevocable Letter of Credit, in a form acceptable to the Director in her/his reasonable discretion and approved by the City Attorney, in an amount equal to the full amount of the construction contract awarded. Such Letter of Credit shall be issued by a national banking association, shall provide for partial draws, and shall have an expiration date of at least ninety (90) days after the completion date provided in the construction contract. Such Letter of Credit shall be payable upon presentment accompanied by an affidavit by an authorized representative of Lessor indicating that the proceeds to be paid will be used by Lessor to either (i) pay sums due and owing pursuant to the construction contract awarded or (ii) complete construction of the improvement contemplated by the construction contract.

7.05 Authorized Insurance and Surety Companies. All required policies of insurance and bonds shall be written by insurance and surety companies authorized to do business in the State of Texas and shall be written by companies approved by Lessor, such approval not to be unreasonably withheld. Certificates of insurance shall be delivered to Lessor at least ten (10) calendar days prior to the effective date of the insurance policy for which the certificate is issued and prior to the Effective Date of this Lease. Each insurance policy shall contain:

- A. a statement of the coverage provided by the policy;
- B. a statement certifying the Lessor to be listed as an additional insured in the policy;

- C. a statement of the period during which the policy is in effect;
- D. a statement that the annual premium or the advance deposit premium for such policy has been paid in advance; and
- E. an agreement by the insurance company issuing such policy that the policy shall not be canceled or reduced in any amount for any reason whatsoever without at least thirty (30) days' prior written notice to Lessor.

7.06 Indemnification. Lessee agrees to indemnify and hold Lessor harmless against any and all claims, demands, damages, costs, and expenses, including investigation expenses and reasonable attorney's fees for the defense of such claims and demands, arising out of or attributed directly, or indirectly to the operation, conduct or management of Lessee's business on the Premises, its use of the Premises, or from any breach on the part of Lessee of any terms of this Lease, or from any act or negligence of Lessee, its agents, contractors, employees, subtenants, concessionaires, or licensees in or about the Premises including claims and damages arising in whole, or in part, from the negligence of Lessor. In case of any action or proceeding brought against Lessor by reason of any such claim, Lessee, upon notice from Lessor, agrees to defend the action or proceeding by counsel acceptable to Lessor.

ARTICLE VIII - DESTRUCTION OF IMPROVEMENTS BY FIRE OR OTHER CASUALTY

8.01 Obligations of Lessee. During the term hereof, except as provided in Section 8.03 below, should the improvements constructed by Lessee upon the Premises be damaged or destroyed in whole or in part by fire or other casualty, Lessee shall give prompt notice thereof to Lessor, and Lessee, at its own cost and expense, shall promptly repair, replace and rebuild the same, at least to the same extent as the value and as nearly as practical to the character of the buildings and improvements existing immediately prior to such time. Such repairs, replacements or rebuilding shall be made by Lessee as aforesaid and subject to and in accordance with the following terms and conditions:

- A. Prior to commencing such work, Lessee shall deliver to Lessor a set of the preliminary construction plans and specifications in accordance with the terms and provisions of the Declarations. In the event the preliminary plans and specifications are disapproved, Lessee will be so notified and the notice shall specify in detail the reasons therefor and the requested modifications or alterations thereto.
- B. Upon approval of the preliminary plans and specifications, as herein provided, Lessee shall prepare, or cause to be prepared, final working plans and specifications in substantial conformity to the preliminary plans and specifications. Upon completion of the final working plans and specifications, Lessee shall submit the same to appropriate governmental agencies for approval.

Upon approval by such agencies and the issuance of permits for the commencement of construction, Lessee shall deliver to Lessor one complete set of the final working plans and specifications as approved by the governmental agencies exercising jurisdiction thereover and copies of all issued permits for the Premises. Changes from the preliminary plans and specifications shall be considered to be within the scope of the preliminary plans and specifications if such changes are reasonably inferable therefrom or if they are made to comply with suggestions, requests or requirements of the governmental agencies exercising jurisdiction.

- C. Prior to commencing construction, Lessor may require Lessee to furnish a performance and payment bond in accordance with Sections 7.03 (if applicable) and 7.04 and, if requested, Builder's Risk Insurance.
- D. Upon compliance with the foregoing, Lessee's obligation to repair, replace or rebuild shall be subject to settlement occurring with the insurance company or companies and said proceeds of such insurance policy or policies having been paid to Lessee. After actual receipt of such insurance proceeds, Lessee shall commence such repair, replacements or rebuilding within a reasonable time and shall continue such work with reasonable diligence until completion.
- E. Upon completion of the construction, Lessee shall deliver to Lessor, a complete set of record (as-built) drawings of the construction signed and sealed by a professional engineer licensed in Texas, and a copy of the issued Certificate of Occupancy for the Premises.

8.02 Insurance Proceeds. Upon receipt by Lessee of the proceeds of the insurance policy or policies, Lessee shall deposit same in an escrow account to pay for the cost of such repair, replacement or rebuilding. Such proceeds shall be disbursed by Lessee during construction to pay the cost of such work. If the amount of such insurance proceeds is insufficient to pay the costs of the necessary repair, replacement or rebuilding of such damaged improvements, Lessee shall pay any additional sums required, and if the amount of such insurance proceeds is in excess of the costs thereof, the amount of such excess shall be retained by Lessee.

8.03 Cancellation of Lease. Should the improvements on the Premises be damaged or destroyed in whole or in part by fire or other casualty during the last five (5) years of the initial term or last five (5) years of any renewal term of this Lease, Lessee shall be relieved of the obligation to repair, replace and rebuild the same and Lessee shall have the right to cancel this Lease by giving Lessor written notice of such election within thirty (30) days after the date of any such damage or destruction. In such event, this Lease shall terminate as of the date of such destruction and the insurance proceeds received or receivable under any policy of insurance shall be paid to and retained by Lessor, unless Lessor has elected to have the Premises returned to it clear of all improvements in accordance with Section 11.06 hereinbelow, in which case Lessee shall be entitled to such insurance proceeds. All rents payable under this Lease shall be prorated and paid to the date of such cancellation. The receipt of insurance proceeds by Lessor will relieve Lessee from any responsibility to restore the Premises to their former condition.

ARTICLE IX - CONDEMNATION

9.01 Definitions. The following definitions apply in construing the provisions of this Lease relating to the taking of or damage to all or any part of the Premises, or improvements thereon, or any interest in them by eminent domain or condemnation:

- A. "Taking" means the taking or damaging, including severance damage by eminent domain or by condemnation for any public or quasi-public use under any statute. The transfer of title may be either a transfer resulting from the recording of a final order in condemnation or a voluntary transfer or conveyance to the condemning agency or entity under threat of condemnation and avoidance proceedings are pending. The taking shall be considered to take place the date actual physical possession is taken by the condemning authority.
- B. "Total Taking" means the taking of the fee title to all of the Premises and improvements thereon.
- C. "Substantial Taking" means the taking of so much of the Premises or improvements or both that one or more of the following conditions results:
 - 1. The remaining portion of the Premises and improvements thereon after such taking would not be economically and feasibly useable by Lessee;
 - 2. The conduct of Lessee's business on the Premises would be substantially prevented or impaired;
 - 3. The portion of the Premises not so taken cannot be so repaired or reconstructed, taking into consideration the amount of the award available for repair or reconstruction, as to constitute a complete rentable structure capable of producing a proportionately fair and reasonable net annual income after payment of all operation expenses including the rent and after performance of all covenants and conditions required of Lessee under this Lease.
- D. "Partial Taking" means the taking of a fee title that is not either a total or substantial taking.
- E. "Improvements" includes, but is not limited to, all buildings, structures, fixtures, fences, utility installations, parking facilities and landscaping on the Premises.
- F. "Notice of Intended Taking" means any notice or notification on which a reasonably prudent person would rely and which such person would interpret as expressing an existing intention of Taking as distinguished by a mere preliminary inquiry or proposal. It includes, but is not limited to, the service of a condemnation summons and complaint on a party to this Lease. The notice is considered to have been received when a party to this Lease receives from the

condemning agency or entity a written notice of intent to take containing a description or map reasonably defining the extent of the Taking.

- G. "Award" means compensation paid for the Taking, whether pursuant to judgment, or by agreement, or otherwise.
- H. "Date of Taking" means the date that Lessee is required to vacate the Premises pursuant to a final order of condemnation or agreement between the parties hereto.

9.02 Notice of Condemnation. The party receiving any notice of the kind specified below shall promptly give the other party notice of the receipt, contents and date of the notice received:

- A. Notice of Intended Taking;
- B. Service of any legal process relating to condemnation of the Premises or improvements; or
- C. Notice in connection with any proceedings or negotiations with respect to such a condemnation.

9.03 Rights of Parties During Condemnation Proceeding. Lessor and Lessee shall each have the right to represent its respective interest in each proceeding or negotiation with respect to a Taking or Intended Taking and to make full proof of its claims. No agreement, settlement, sale or transfer to or with the condemning authorities shall be made without the consent of all parties. Each party agrees to execute and deliver to any other party hereto any instrument that may be required to facilitate the provisions of this Lease relating to the condemnation.

9.04 Taking of Leasehold. Upon a Total Taking, Lessee's obligation to pay Rent and other charges hereunder shall terminate on the Date of Taking, but Lessee's interest in the leasehold shall continue until the Taking is completed by deed, contract or final order of condemnation. If the Taking is a Substantial Taking under the aforementioned definition, Lessee may, by notice to Lessor within ninety (90) days after Lessee receives notice of the Intended Taking, elect to treat the Taking as a Total Taking. If Lessee does not so notify Lessor, the Taking shall be deemed a Partial Taking. Upon a Partial Taking, this Lease shall remain in full force and effect covering the balance of the Premises not so taken, except that the Rent payable hereunder by Lessee shall be reduced in the same ratio as the percentage of the area of the Premises taken bears to the total area of the Premises.

9.05 Total Taking. All of Lessee's obligations under the Lease shall terminate as of the Date of Taking. Upon a Total Taking, all sums awarded for any Lessee-owned improvements and the leasehold estate shall be disbursed to Lessee. All sums awarded for the Premises, as unencumbered by any Lessee-owned improvements, but subject to the Lease, shall be disbursed to Lessor.

9.06 Partial Taking. Upon a Partial Taking, all Awards shall be disbursed as follows:

- A. To the cost of restoring the improvements on the Premises; and
- B. The balance, if any, to Lessor and Lessee as follows: Lessee shall receive all sums awarded for Lessee-owned improvements and the Leasehold estate. Lessor shall receive all sums awarded for the Premises, as unencumbered by the Lessee-owned improvements but subject to the Lease.

9.07 Obligations of Lessee Under Partial Taking. Promptly after any such Partial Taking, Lessee, at its expense, shall repair, alter, modify or reconstruct the improvements on the Premises so as to make them reasonably suitable for Lessee's continued occupancy for the uses and purposes for which the Premises are leased. Notwithstanding the foregoing to the contrary, should there be a Partial Taking in the last two (2) years of the initial term or any renewal term, Lessee shall be relieved of the responsibility to so repair or reconstruct the improvements on Premises as aforesaid by notifying Lessor of its intention to that effect; provided however, that all sums awarded for Lessee owned improvements and the Leasehold estate shall be disbursed to Lessor.

9.08 Taking of Temporary Use of Premises and Improvements. Upon any Taking of the temporary use of all or any part or parts of the Premises or improvements, or both, for a period of any estate less than a fee ending on or before the expiration date of the term, neither the term nor the rent shall be reduced or affected in any way and Lessee shall be entitled to any award for the use or estate taken. If a result of the Taking is to necessitate expenditures for changes, repairs, alterations, modifications or reconstruction of the improvements to make them reasonably suitable for Lessee's continued occupancy for the uses and purposes for which the Premises are leased, after the termination of such Taking, Lessee shall receive, hold and disburse the Award in trust for such work. At the completion of the work and the discharge of the Premises and improvements from all liens or claims arising therefrom, Lessee shall be entitled to any surplus and shall be liable for any deficiency.

If any such Taking is for a period extending beyond the expiration date of the term, the Taking shall be treated under the foregoing provisions for Total, Substantial and Partial Takings.

ARTICLE X - ENCUMBRANCES

10.01 Encumbrance. As used herein the term "Mortgage" includes a deed of trust and the term "Mortgagee" includes the beneficiaries under deeds of trust, whether one or more. Lessee may encumber its leasehold estate and its interest in the improvements constructed and to be constructed on the Premises by the execution and delivery of a Mortgage. The Mortgagee of any such Mortgage may deliver to Lessor a written notice specifying:

- A. The amount of the obligation secured by the Mortgage,
- B. The date of the maturity or maturities thereof; and

- C. The name and mailing address of the Mortgagee.

After receipt of such notice, Lessor shall serve such Mortgagee by certified mail at the latest address furnished by such Mortgagee a copy of every notice of default or demand served by Lessor upon Lessee under the terms and provisions of this Lease so long as such Mortgage is in effect.

10.02 Mortgagee's Rights. Upon receipt of a notice or demand in accordance with Section 10.01 above, Mortgagee shall have one hundred and twenty (120) days after receipt of such notice within which, at Mortgagee's election, either:

- A. To cure the default if it can be cured by the payment or expenditure of money;
- B. To perform such other action as may be necessary to cure the default;
- C. If the default cannot be cured within one hundred and twenty (120) days, to commence performance within such one hundred twenty (120) day period and thereafter diligently prosecute same to completion, in which event, the default will have been deemed to have been cured; or
- D. To institute foreclosure proceedings and prosecute same diligently to conclusion.
- E. No notice of a default by Lessee hereunder given by Lessor shall be effective against a Mortgagee that has provided Lessor the information specified in Section 10.01 of this Lease unless Lessor has given a copy of it to such Mortgagee.
- F. No Mortgagee shall have any personal liability under this Lease unless and until it becomes Lessee under this Lease.
- G. The Director will, upon request by any Mortgagee, certify in writing that this Lease is in full force and effect, whether this Lease has been amended, that to Lessor's knowledge Lessee is not in default, and the date through which rent has been paid.
- H. If this Lease and the fee estate in the Premises are ever commonly held as a result of a default by Lessee, then they shall remain separate and distinct estates and shall not merge until such time as all cure periods for Mortgagee specified in this Lease have expired.
- I. This Lease may not be amended, modified, changed, cancelled, waived, or terminated without prior written notice to all Mortgagees. Lessor shall not accept a voluntary surrender of the Lease without consent by all Mortgagees.

10.03 Rights on Foreclosure. In the event of foreclosure by Mortgagee, the purchaser at the foreclosure sale or the person acquiring Lessee's interest in lieu of foreclosure shall succeed to all of Lessee's rights, interests, duties and obligations under this Lease.

**ARTICLE XI - EXPIRATION, CANCELLATION,
ASSIGNMENT AND TRANSFER**

11.01 Expiration. This Lease shall expire at the end of the term or any extension thereof.

11.02 Cancellation. Subject to the provisions of Article X above, this Lease shall be subject to cancellation by Lessor in the event Lessee shall:

- A. Be in arrears in the payment of the whole or any part of the amounts agreed upon hereunder for a period of ten (10) days after Lessor has notified Lessee in writing that payment was not received when due.
- B. File in any court a petition in bankruptcy or insolvency or for the appointment of a receiver or trustee of all or a portion of Lessee's property and such petition is not dismissed within ninety (90) days after filing;
- C. Make any general assignment for the benefit of creditors;
- D. Abandon the Premises;
- E. Be in violation of any local, state, or federal rules and/or regulations or in default in the performance of any of the covenants and conditions required herein (except payments) to be kept and performed by Lessee, and such violation or default continues for a period of thirty (30) days after receipt of written notice from Lessor to cure such default, unless during such thirty-day period, Lessee shall commence and thereafter diligently perform such action as may be reasonably necessary to cure such default;
- F. Be adjudged bankrupt in involuntary bankruptcy proceedings; or
- G. Be made a party to any receivership proceeding in which a receiver is appointed for the property or affairs of Lessee where such receivership is not vacated within ninety (90) days after the appointment of such receiver.

In any of the aforesaid events, Lessor may take immediate possession of the Premises including any and all improvements thereon and remove Lessee's effects, forcibly if necessary, without being deemed guilty of trespassing.

Failure of Lessor to declare this Lease canceled upon the default of Lessee for any of the reasons set out shall not operate to bar or destroy the right of Lessor to cancel this Lease by reason of any subsequent violation of the terms of this Lease.

No receipt or acceptance of money by Lessor from Lessee after the expiration or cancellation of this Lease or after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue, or extend the terms of this Lease, or affect any such notice, demand or suit or imply consent for any action for which

Lessor's consent is required or operate as a waiver of any right of the Lessor to retake and resume possession of the Premises.

11.03 Repossessing and Reletting. In the event of default by Lessee hereunder which shall remain uncured after the required notices have been given pursuant to this Lease, and for such time as provided herein, Lessor may at once thereafter, or at any time subsequent during the existence of such breach or default:

- A. Enter into and upon the Premises or any part thereof and repossess the same, change the locks on the Premises, install fences and gates, expelling therefrom Lessee and all personal property of Lessee (which property may be removed and stored at the cost of and for the account of Lessee), using such force as may be necessary; and
- B. Either cancel this Lease by notice or without canceling this Lease, relet the Premises or any part thereof upon such terms and conditions as shall appear advisable to Lessor. If Lessor shall proceed to relet the Premises and the amounts received from reletting the Premises during any month or part thereof be less than the rent due and owing from Lessee during such month or part thereof under the terms of this Lease, Lessee shall pay such deficiency to Lessor immediately upon calculation thereof, providing Lessor has exercised good faith in the terms and conditions of reletting. Payment of any such deficiencies shall be made monthly within ten (10) days after receipt of notice of deficiency.

11.04 Assignment and Transfer. Lessee shall have the right and privilege to assign or transfer this Lease subject to the prior written approval of Lessor; provided, however, that Lessor's approval shall not be required in the event of an assignment of this Lease by Lessee to the first leasehold Mortgagee.

Any person or entity to which this Lease is assigned to pursuant to the Bankruptcy Code, 11 U.S.C. 101 et seq., shall be deemed without further act or deed to have assumed all the obligations arising under this Lease on or after the date of such assignment. Any such assignee shall, upon demand, execute and deliver to Lessor an instrument confirming such assumption.

11.05 Subleasing. Lessee shall have the right to sublease all or any part of the Premises hereunder for the same purposes permitted under the terms and provisions of this Lease, including but not limited to the insurance and indemnity requirements. Any such sublease executed after the effective date of this Lease shall be subject to the same conditions, obligations and terms as set forth herein and Lessee shall be responsible for the observance by its sublessees of the terms and covenants contained in this Lease. Lessee shall promptly report to Lessor any subleases of the Premises, or any improvements thereon and, upon request of Lessor, Lessee shall furnish Lessor with a copy of the Sublease Agreement. In addition, Lessee shall provide a list of its sublessees and the sublessees contact information to the Director every six (6) months. The subleases described on Exhibit "C" to this Lease are in existence on the Premises prior to the effective date of this Lease. Lessor acknowledges that the subleases shall not be disturbed by the surrender of the Original Lease and execution of this Lease.

11.06 Rights Upon Expiration. At the expiration of this Lease, Lessor shall be entitled to have the Premises returned to Lessor clear of all improvements above and below ground level and to have the soil compacted to Lessor's specifications, with no subterranean uses.

Within one hundred twenty (120) days prior to the expiration of this Lease and prior to removing any improvements from the Premises, Lessee, at its own cost and expense, shall cause to be made, executed, and delivered to Lessor two (2) separate bonds, as follows:

- A. A contract surety bond in a sum equal to the full amount for the removal of improvements and the compaction of the soil.

Said bond shall guarantee the faithful performance of necessary construction and completion of removal of the improvements and compaction in accordance with approved final plans and detailed specifications which have been approved by the Director and appropriate City departments; and shall guarantee Lessor against any losses and liability, damages, expenses, claims and judgments caused by or resulting from any failure of Lessee to perform completely the work described as herein provided.

- B. A payment bond with Lessee's contractor or contractors as principal, in a sum equal to the full amount of the removal and compaction contract awarded.

Said bond shall guarantee payment of all wages for labor and services engaged and of all bills for materials, supplies, and equipment used in the performance of said removal and compaction contract.

In accordance with Article 3503.004 of the Texas Insurance Code, if a performance bond is in an amount of excess of ten percent (10%) of the surety's capital and surplus, the Lessor will require, as a condition to accepting the bond(s), a written certification from the surety that the surety has reinsured the portion of the risk that exceeds ten percent (10%) of the surety's capital and surplus with one or more reinsurers who are duly authorized, accredited or trusted to do business in the State of Texas.

In lieu of the payment and performance bonds described in Paragraph A and B, above, Lessee may, at Lessee's option, provide Lessor with an irrevocable Letter of Credit, in a form acceptable to the Director in her/his reasonable discretion, and subject to approval by the City Attorney, in an amount equal to the full amount of the removal and compaction contract awarded. Such Letter of Credit shall be issued by a national banking association shall provide for partial draws, and shall have an expiration date of at least ninety (90) days after the completion date provided in the removal and compaction contract. Such Letter of Credit shall be payable upon presentment accompanied by an affidavit by an authorized representative of Lessor indicating that the proceeds to be paid will be used by Lessor to either (i) pay sums due and owing pursuant to the removal contract awarded or (ii) complete removal of the improvements contemplated by the removal and compaction contract.

In addition, upon expiration of this Lease for any reason and no later than thirty (30) days after the complete removal of improvements, Lessee, shall provide Lessor with an engineering report on the compaction of the Premises and the Lessee's Report as identified in Paragraph 4.03D of this Lease and if, in the opinion of Lessor, the engineering report on compaction indicates the soil has not been compacted in accordance with approved plans or if Lessee's Report indicates that the Premises are in violation of applicable Environmental Laws, then Lessee shall perform work as is necessary to cause the Premises to be in compliance with approved plans and applicable Environmental Laws.

Lessee shall have one hundred and eighty (180) days after expiration in which to remove such improvements and compact the soil, at its sole cost and expense; provided that any occupancy by Lessee for the purposes of removing the improvements and compacting the soil and for completing the Lessee's Report and any required remediation of the Premises shall be subject to the rental due hereunder and provided further that Lessee shall continue to be bound by the terms and conditions of this Lease. Lessee and Lessor agree that this continued tenancy will not be continued as an extension or renewal of the lease term for other than the aforementioned one hundred eighty (180) days.

If Lessee fails to remove said improvements and compact the soil, to provide the required engineering report or an environmental assessment or to complete any required remediation of the Premises, Lessor may elect to perform the identified requirements and Lessee shall promptly reimburse Lessor for all its costs upon written notice from Lessor.

Lessor may, at its option, take title to the improvements in lieu of removal by or for Lessee at no additional consideration to Lessee. Lessor acknowledges and agrees that all of the improvements on the Premises as of the effective date of this Lease are the sole property of Lessee. Lessor shall notify Lessee of its election to require removal of the improvements or take possession of the improvements at least ninety (90) days prior to the beginning of the last year of this Lease; provided Lessee may request Lessor to make such election at least one hundred eighty (180) but not more than three hundred sixty (360) days before the beginning of the last year of this Lease, Option Period or any extension or renewal thereof. If Lessor exercises its option to take title to the improvements, Lessee will not be required to deliver to Lessor an instrument to guarantee the removal of all improvements from the Premises. However, Lessee shall execute all documents deemed necessary by Lessor to effectuate such transfer of title to Lessor.

11.07 Landlord's Lien. It is expressly agreed that in the event of default in the payment of Rent or any other sum due from Lessee to Lessor under the terms of this Lease, Lessor shall have a lien upon all goods, chattels, personal property or equipment, save and except delivery vehicles or rolling stock belonging to Lessee which are placed in, or become a part of, the Premises, as security for Rent due and to become due for the remainder of the Lease term, which lien shall not be in lieu of or in any way affect the statutory landlord's lien given by law, but shall be in addition to that lien, and Lessee grants to Lessor a security interest in all of Lessee's personal property placed in or on the Premises for purposes of this contractual lien. Provided, however, that the terms of this provision shall have effect only to the extent they are not inconsistent with the rules and regulations of the Interstate Commerce Commission and any other laws pertaining thereto and the Railroad Commission of the State of Texas. Lessor agrees that Lessor will not levy a landlord's lien against any delivery vehicle or rolling stock or any of the goods or personal

property of third parties in the possession of Lessee, any sublessee or any assignee of Lessee. In the event Lessor exercises the option to terminate the leasehold as provided herein, Lessor, after providing reasonable notice to Lessee of its intent to take possession and giving an opportunity to cure the default, may take possession of all of Lessee's property on the Premises and sell it at public or private sale after giving Lessee reasonable notice of time and place of any public sale or of the time after that any private sale is to be made, for cash or credit, for such prices and terms as Lessor deems best. The proceeds of the sale shall be applied first to the necessary and proper expense of removing, storing and selling such property, then to the payment of any Rental due or to become due under this Lease, with the balance, if any, to be paid to Lessee.

ARTICLE XII - GENERAL PROVISIONS

12.01 Continuity of Deed Restrictions and Covenants. This Lease agreement is subject to the terms, covenants and conditions contained in the Declarations. Lessor reserves the right to revise the standards set forth in Exhibit "B" provided, however, that such revisions will not cause a substantial reduction in the value of Lessee's leasehold interest, result in a material cost or expense to Lessee, or be contradictory to the reasonable and prudent operation of property located within Butterfield Trail Industrial Park similar to the Premises. Lessor's right to revise the restrictions and covenants contained in the Declarations, is limited to the right to revise said document because of the development of new concepts or improved construction and architectural techniques and, in any event, such revisions shall be operative on a going forward basis only and shall not apply retroactively to any existing improvements.

Lessor reserves for itself, its successors and assigns the right to prevent any use of the Premises which would interfere with aircraft landing on or taking off from the Airport and the right to prevent any other use of the Premises which would constitute an airport hazard.

Lessee assures that it will require that its covered sub-organizations (sublessees) provide assurances to Lessor, as set forth herein, that they similarly will undertake affirmative action programs, and that they will require assurance from their sub-organizations (sublessees) to the same effect.

Likewise, the exercise by Lessor of any remedy provided for herein or allowed by law shall not be to the exclusion of any other remedy.

12.11 Interpretation. Lessor and Lessee agree that this Lease has been freely negotiated by both parties and that any controversy, dispute, or contest over the meaning, interpretation, validity, or enforceability of this Lease or any of its terms or conclusion. There shall be no inference, presumption, or conclusion drawn whatsoever against other party by virtue of that party having drafted this Lease or any portion thereof.

12.12 Lease Made in Writing. This Lease contains all of the agreements and conditions made between the parties hereto and may not be modified orally or in any manner other than by agreement in writing signed by the parties hereto or their respective successors in interest.

12.13 Paragraph Headings. The Table of Contents of this Lease and the captions of the various articles and sections of this Lease are for convenience and ease of reference only, and do not define, limit, augment or describe the scope, context or intent of this Lease or any part or parts of this Lease.

12.14 Severability. If any provision of this Lease is found by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remainder of this Lease will not be affected, and in lieu of each provision which is found to be illegal, invalid, or unenforceable, there will be added as part of this Lease a provision as similar to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

12.15 Successors and Assigns. All of the terms, provisions, covenants and conditions of this Lease shall inure to the benefit of and be binding upon Lessor and Lessee and their successors, assigns, legal representatives, heirs, executors and administrators.

12.16 Taxes and Other Charges. Lessee shall pay all taxes and governmental charges of any kind whatsoever that may be assessed against Lessee or Lessor, with respect to the Premises, any improvements, equipment, personal property or inventory thereon or Lessee's use and/or occupancy of the Premises, during the Term of this Lease including any extensions granted thereto. By March 1 of each year of this Lease and at no charge to Lessor, Lessee will provide written proof satisfactory to the Director that all taxes and governmental charges of any kind as described herein have been paid in full.

Lessor is a tax-exempt governmental entity and shall not be responsible for any taxes or assessments arising from Lessee's use of the property or possession of the Premises.

Lessee in good faith may contest any tax or governmental charge, provided that Lessee may not permit such tax or governmental charge to remain unpaid during the period of such contest and any appeal therefrom unless, in the opinion of counsel satisfactory to Lessor, such action will not adversely affect any right or interest of Lessor.

12.17 Waiver of Warranty of Suitability. LESSOR DISCLAIMS ANY WARRANTY OF SUITABILITY THAT MAY ARISE BY OPERATION OF LAW. LESSEE LEASES THE PREMISES AS IS AND LESSOR DOES NOT WARRANT THAT THERE ARE NO LATENT DEFECTS THAT ARE VITAL TO LESSEE'S USE OF THE PREMISES FOR THEIR INTENDED COMMERCIAL PURPOSE.

12.18 Survival of Certain Provisions. 12.19 Restrictions and Reservations. This Lease is subject to all rights-of-way, easements, dedications, restrictions, reservations and other encumbrances of record and running with the land. Lessor reserves the right to grant any future rights-of-way, easements, dedications, restrictions, reservations, or encumbrances and Lessee consents to and will diligently execute all documentation necessary to complete any future rights-of-way, easements, dedications, restrictions, reservations, or encumbrances, so long as such grants do not adversely affect Lessee's use of the Premises.

Lessor reserves for itself and any authorized agent to, at any reasonable time and without notice, enter upon and inspect the Premises for all legal purposes, including without limitation the purpose of ascertaining whether the maintenance of such parcel, and the maintenance, construction, or alteration of structures thereon are in compliance with all the Environmental Laws and for the purpose of showing the Premises; Lessor shall not be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

12.20 Subordination of Lease. All rights granted in this Lease shall be subordinate to the rights in any deed from the United States to the City of El Paso. This Lease shall further be subordinate to the provisions of any existing or future agreements between Lessor and the United States relative to the operation and maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of federal funds for the development of the Airport. Should the effect of such agreement with the United States Government be to substantially destroy the commercial value of the Premises, Lessee may cancel this Lease in its entirety. Should Lessee cancel its lease pursuant to this paragraph, it can pursue any remedies available to it under Section IX of this Lease, if applicable.

12.21 Authorization To Enter Lease. If Lessee signs this Lease as a corporation, each of the persons executing this Lease on behalf of Lessee warrants to Lessor that Lessee is a duly authorized and existing corporation, that Lessee is qualified to do business in the State of Texas, that Lessee has full right and authority to enter into this Lease, and that each and every person signing on behalf of Lessee is authorized to do so. Upon Lessor's request, Lessee will provide evidence satisfactory to Lessor confirming these representations.

The Airport Architectural Review Committee shall also be responsible for inspecting and continuous monitoring of construction, signs, installation of landscaping, and review of the as-built plans.

5.05 BASIS FOR APPROVAL BY THE DECLARANT: Approval by the Declarant or its authorized agent shall be based on the adequacy of site dimensions and on the general conformity of the plans and specifications to the intent of this Declaration. The Declarant shall not arbitrarily, without written explanation, withhold approval of properly submitted plans and specifications.

Approval of any plans or specifications for use on any one Lot shall not be deemed a waiver of the discretionary right of the Declarant to disapprove the same plans or specifications if such plans or specifications are subsequently submitted for approval for use on any other Lot or Lots.

5.06 FAILURE TO APPROVE: If the Declarant fails to approve or disapprove plans and specifications within forty (40) working days after the same have been submitted, it shall be conclusively presumed that the Declarant has approved said plans and specifications.

5.07 COMMITMENT TO CONSTRUCT: Upon approval by the Declarant of plans for construction of any structure, a copy of the approved plans shall be deposited for permanent record with the Declarant and a copy of such plans bearing the written approval of the Declarant shall be returned to the Tenant of the Lot(s) on which such structure is or will be placed.

Approval of these plans by the Declarant shall constitute a commitment on the part of the Tenant to erect and maintain the Improvements as proposed and approved within the time schedule established in Paragraph 5.01.

5.08 CONSTRUCTION WITHIN TIME SCHEDULE SPECIFIED: Any approved construction shall be prosecuted diligently in accordance with the approved plans and specifications and shall be completed within the specified time schedule. Failure to complete such work in the specified time schedule shall cause such approval to be automatically withdrawn unless the Declarant or his authorized agent grants written extension of such approval. After such automatic withdrawal of approval, the Tenant will be considered in default of its lease for such Lot(s), and the Declarant may terminate such lease in accordance with the provisions in that document.

5.09 LANDSCAPING PLANS: Trees, shrubs, fences, hedges, or other landscaping shall not be planted, placed, or maintained on any Lot until a complete plan thereof has been submitted to and approved by the Declarant or his authorized agent in writing. The landscaping plans shall be prepared in accordance with the Airport Landscaping Standards and shall be

submitted at the same time as the other plans and specifications for proposed Improvements. The plans shall be reviewed by the Airport Architectural Review Committee in the same manner and time period as those required for architectural plans under Paragraph 5.04.

All plans for landscaping Improvements shall be prepared by registered or approved landscape architects. Final approval shall be by the Declarant or its authorized agent.

5.10 PLANS FOR ALTERATIONS IN IMPROVEMENTS: All plans for alterations to the leased Lot(s), either for the construction of additional facilities or alterations to existing Buildings, shall be prepared, submitted, and approved as outlined in Paragraphs 5.01 through 5.09 and shall be subject to the same restrictions as herein provided. This paragraph shall apply only to exterior or structural changes; alterations to the interior of Buildings shall not be considered unless they affect the performance standards in Article 3.

5.11 FEES: The Declarant shall charge and collect a reasonable fee, as determined every five years by the Declarant or its authorized agent, for architectural review and other reviews of plans submitted for approval. Such plans could relate to initial development or alterations to existing development. The fee shall be payable at the same time such plans are submitted.

If initial plans or any subsequent plans are disapproved, an additional review fee, as determined by the Declarant or its authorized agent, shall be paid before further review.

The amount of such fee shall not exceed the actual cost to the Declarant of making such examination, including the cost of any architect's or engineer's fees incurred in connection therewith.

ARTICLE 6

In the event of such construction without approval, the Tenant will be considered in default of the lease for such Lot, and the Declarant may terminate the lease in accordance with the provisions set forth in that document.

6.02 ABATEMENT AND REMOVAL: If the Declarant determines that his Declaration is being violated by any Tenant on a Lot or Lots, the Declarant shall have the right after giving notice as required by the lease to enter the Lot(s) of such Tenant to determine the exact cause, effect a cure, and abate or remove the violation from the Lot(s). All expenses incurred in this action shall be payable by the Tenant of the facility in which the violation occurred.

6.03 SUIT: The Declarant or the Tenants of facilities affected by a violation shall have the right to file suit against violators of this Declaration, to prevent a violation, effect a cure, abate or remove a violation, or recover damages for said violation.

6.05 RIGHT OF ENTRY AND INSPECTION: Any authorized agent of the Declarant, at any reasonable time and without notice, may enter on and inspect any Lot to ascertain whether the maintenance of such Lot, Improvements under construction, or alteration of structures thereon are in compliance with the provisions hereof. Neither the Declarant nor such authorized agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

6.06 FAILURE TO ENFORCE A RESTRICTION: The Declarant may fail to enforce any restriction herein specified on any Tenant on a Lot or Lots, but in no event should this be deemed a waiver of this Declaration or the right to enforce any restriction at a later date.
