ORDINANCE NO. _____

AN ORDINANCE RELEASING ALL CONDITIONS PLACED ON PROPERTY BY SPECIAL CONTRACT APPROVED ON OCTOBER 23, 1956 WHICH CHANGED THE ZONING OF LOTS 18-20, BLOCK 4, EASTSIDE INDUSTRIAL DISTRICT UNIT ONE, 1010 WALL STREET, CITY OF EL PASO, EL PASO COUNTY, TEXAS. THE PENALTY IS AS PROVIDED FOR IN CHAPTER 20.24 OF THE EL PASO CITY CODE.

WHEREAS, the zoning of the property described as *Lots 18-20, Block 4, Eastside Industrial District Unit One, 1010 Wall Street, City of El Paso, El Paso County, Texas*, was rezoned by Special Contract approved by City Council on October 23, 1956; and,

WHEREAS, the rezoning was subject to certain zoning conditions, and

WHEREAS, placement of such conditions were necessitated by and attributable to the increased intensity of use generated by the change of zoning; and,

WHEREAS, the owner (applicant) submitted an application requesting the removal all of the conditions because these conditions have been satisfied or are current requirement of the City Code; and,

WHEREAS, a public hearing regarding removal of the conditions was held before the City Plan Commission, and the Commission recommended approval of the release of all conditions; and,

WHEREAS, the City Council of the City of El Paso has determined that the release of certain conditions will protect the best interest, health, safety, and welfare of the public in general.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL PASO, TEXAS:

1. That all of the zoning conditions imposed by Special Contract approved by City Council on *October 23, 1956* on the portion of land identified in Exhibit "A" be released because the conditions have been satisfied and are no longer necessary, or are current requirements of the City Code.

Conditions to be released are identified in Exhibit "A."

East Side Industrial District (1st Section)
CONTRACT

This contract made this 23rd day of October 1956, by and between Pat DeWitt and Harry O. Rearick, copartners doing business as DeWitt & Rearick, hereinafter called First Parties, and the City of El Paso, hereinafter called Second Party, witnesseth:

First Parties have applied to Second Party for the approval of a subdivision map or plat styled the East Side Industrial District, as per copy of said map and plat attached hereto and made a part hereof, and whereas the Planning Commission of the City of El Paso has raised some objection to the use of said property because of its location and to remove objections to the same First Parties have consented if the property is rezoned as requested and the plat approved, to place the hereinafter described restrictions therein:

(1) No premises or building in said district shall be used for other than industrial, commercial and warehousing purposes.

(2) None of said building sites designated on said map or plat may be used for any purpose or use which would constitute a nuisance or which would cause the emission of odors which are injurious or noxious to persons.

(3) No building or structure shall ever be erected on said building sites which shall be nearer than 35 feet to the property line of the road now designated as F.M. 2233 or nearer than 25 feet to the line of any other established access road or frontage road or any cross streets or nearer than 15 feet to the side line of any property.

(4) No structures (including billboards) shall be erected within the areas required for ~~front yard, side street yards~~ without the approval of the City Council.

(5) No billboard or advertising signs other than those identifying the name, business, and products of the person or firm occupying the premises shall be permitted ^{ALL SUCH STRUCTURES SHALL BE AFFIXED TO THE} on any building. No billboard or identifying sign shall be erected to a height greater than five feet higher than the main building on the same site. A sign not to exceed 10' x 20' in size offering the premises for sale or lease may be erected.

(6) Necessary building use shall be construed to permit the keeping of articles, goods, or materials in the open or exposed to public view on the front one-third of the parcel. When necessary to store or keep such materials in the open, the lot or area shall be limited to the rear two-thirds of the property and this area shall be screened by a masonry fence six feet in height measured from the grade of the ground on the high side.

Building sites in the East Side Industrial District shall not be used for any of the following businesses:

The manufacture of paper.
Storage in bulk of junk or secondhand material.
Public blacksmith.
Public horseshoeing.
Public wagon shop.
Public veterinary hospital.
Public stable.
Dairy.
Iron foundry.
Butane or propane.

Objectionable noises, due to intermittence, beat frequency or shrillness shall be muffled so as not to become a nuisance to properties in or outside the District.

Sound levels shall be measured with a sound level meter and associated octave band filter manufactured according to standards prescribed by the American Standards Association. Measurements are to be taken at the property lines of the site.

(10) No plant shall permit emission of smoke from any source whatever during normal operation of a density greater than that density described as No. 1 on the Ringelmann Chart.

For the purpose of grading the density of smoke, the Ringelmann Chart, as published and used by the United States Bureau of Mines which is hereby made a part of these restrictions shall be the standards.

(11) No plant shall employ any process that will emit any dirt, dust, sprays, or mists into the air that will be transmitted beyond their property lines during normal operations.

(12) Incandescent lights shall be so located and shielded that no incandescent light source will be directly visible from the right of way of F.M. 2233. Direct or reflected light in a horizontal plane at a height of 6' at the right of way line of F.M. 2233 shall not exceed an intensity of 20 footcandles.

(13) No plant shall emit any toxic or corrosive gas under any condition.

(14) All welding and heating operations normal to any plant shall be screened from ^{the} view of adjacent properties or roadways. No operation shall be carried on that would produce heat ² which the operation is located as measured in a horizontal plane to a distance of 24 feet above the ground level of the site. *omission*

(15) All sites shall be landscaped and maintained by the planting of grass in the front set back area, ~~and~~ the planting of evergreen shrubs on an average of every twenty feet of building width shall be required.

(16) Development of all parcels shall conform to the requirements of the Comprehensive Zoning Ordinance of the City of El Paso.

The above agreement by First Parties shall constitute covenants running with the land and easements and servitudes thereon and be binding on First Parties and their successors in title and may be enforced by Second Party by injunction or any other remedy.

The City Council of the City of El Paso may release the above restrictions or any one or number of them in whole or in relation to any particular site, without the consent of any third person who may be benefitted thereby.

MEMORANDUM

REVISED

DATE: May 26, 2015

TO: The Honorable Mayor and City Council
Tommy Gonzalez, City Manager

FROM: Andrew Salloum, Planner

SUBJECT: PZCR15-00004

The City Plan Commission (CPC), on May 21, 2015, voted **6-0** to recommend **approval** of the condition release request for the subject property.

The CPC found that the condition release is in conformance with Plan El Paso. The CPC also determined that the condition release protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the condition release will have no negative effects on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

The Planning Division has not received any phone calls or letters in support or opposition to the request.

 16. *Development of all parcels shall conform to the requirements of the Comprehensive Zoning Ordinance of the City of El Paso, (existing code requirement).*

APPLICATION DESCRIPTION

The applicant is requesting to release all conditions imposed on the property by special contract, dated October 23, 1956, (see Attachment #4). The conditions imposed by the rezoning special contract are either current code requirements, are no longer applicable, or have been satisfied. The proposed use shall comply with the all El Paso City Code requirement prior to the issuance of a certificate of occupancy. This case is related to rezoning application (PZRZ15-00010).

PLANNING DIVISION RECOMMENDATION

The Planning Division recommends **approval** of the condition release request, as the conditions are either current code requirements, are no longer necessary or have been satisfied.

Plan El Paso- Future Land Use Map Designation

All applications for a condition release review shall demonstrate compliance with the following criteria:

G-7 Industrial and/or Railyards: This sector applies to industrial parks, large free-standing industrial uses, refineries, non-military airfields, trucking terminals, and mines, all on large tracts in areas dominated by vehicles. This sector is essential to El Paso's economy; however, when an industrial use becomes obsolete, there can be potential for mixed-use redevelopment of the site. This sector also includes the existing rail

yards which could be redeveloped as mixed-use communities if the rail yards were moved out of town.

The purpose of the P-I (Planned Industrial) district is to establish an industrial environment for certain types of manufacturing, business or industrial uses which are compatible with any adjacent land use by performance, appearance, and general operating characteristics. The regulations of the district are designed so that all operations and activities, specifically including but not limited to, the storage of materials of all kinds are conducted within a building or appropriately screened.

COMMENTS:

Planning Division - Transportation

No objections to the condition release request.

Note:

All existing and/or proposed paths of travel (accessible sidewalks, wheelchair access curb ramps and driveways) located within public rights-of-way shall follow the City of El Paso Design Standards for Construction and be ADA/TAS compliant.

Planning and Inspections Department – Building and Development Permitting

No objections.

Planning and Inspections Department - Land Development

No objections.

Fire Department

The request does not adversely affect the Fire Department.

Sun Metro

Sun Metro does not oppose this request.

El Paso Water Utilities

1. EPWU does not object to this request.

Water:

2. There is an existing 8-inch diameter water main extending along Wall Street that is available for service, the water main is located approximately 30 feet east of the right-of-way.

3. EPWU records indicate two (2) active 8-inch water meters serving the subject property. One is a fire line and the other is a domestic service connection.

4. Previous water pressure tests from fire hydrant # 6760 located approximately 100 feet from the south boundary of the subject property, have yielded a static pressure of 136 (psi) pounds per square inch, a residual pressure of 110 (psi) pounds per square inch, and a discharge of 1300 (gpm) gallons per minute. The owner should, for his own protection and at his own expense, install at the discharge side of each water meter a pressure regulator, strainer and relief valve, to be set for pressure as desired by the customer. The Lot owner shall be responsible for the operation and maintenance of the above-described water pressure regulating device.

Sanitary Sewer:

5. There is an existing 12-inch diameter sanitary sewer main extending along Wall Street that is available for service, the sewer main is located approximately 45-ft east of the right-of-way.

General:

6. EPWU requires a new service application to provide additional service to the property. New service applications are available at 1154 Hawkins, 3rd floor and should be made 6 to 8 weeks in advance of construction to ensure water for construction work. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWU – PSB Rules and

Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

El Paso Water Utilities - Stormwater Division

No objections.

*Draft of a special contract
East Side Industrial District
(1st Section)*
CONTRACT

Pat DeWitt
This contract made this 23rd day of October 1956, by and between Pat DeWitt and Harry O. Rearick, copartners doing business as DeWitt & Rearick, hereinafter called First Parties, and the City of El Paso, hereinafter called Second Party, witnesseth:

First Parties have applied to Second Party for the approval of a subdivision map or plat styled the East Side Industrial District, as per copy of said map and plat attached hereto and made a part hereof, and whereas the Planning Commission of the City of El Paso has raised some objection to the use of said property because of its location and to remove objections to the same First Parties have consented if the property is rezoned as requested and the plat approved, to place the hereinafter described restrictions therein:

(1) No premises or building in said district shall be used for other than industrial, commercial and warehousing purposes.

(2) None of said building sites designated on said map or plat may be used for any purpose or use which would constitute a nuisance or which would cause the emission of odors which are injurious or noxious to persons.

(3) No building or structure shall ever be erected on said building sites which shall be nearer than 35 feet to the property line of the road now designated as F.M. 2233 or nearer than 25 feet to the line of any other established access road or frontage road or any cross streets or nearer than 15 feet to the side line of any property.

(4) No structures (including billboards) shall be erected within the areas required for front-yard, ^{yard} side-street yards without the approval of the City Council.

(5) No billboard or advertising signs other than those identifying the name, business, and products of the person or firm occupying the premises shall be permitted ^{ALL SUCH STRUCTURES SHALL BE AFFIXED TO THE} on any building. No billboard or identifying sign shall be erected to a height greater than five feet higher than the main building on the same site. A sign not to exceed 10' x 20' in size offering the premises for sale or lease may be erected.

(6) No accessory building ^{or} use shall be construed to permit the keeping of articles, goods, or materials in the open or exposed to public view on the front one-third of the parcel. When necessary to store or keep such materials in the open, the lot or area shall be limited to the rear two-thirds of the property and this area shall be screened by a masonry fence six feet in height measured from the grade of the ground on the high side.

Building sites in the East Side Industrial District shall not be used for any of the following businesses:

The manufacture of paper.

On October 23, 1956, City Council approved the rezoning request for the subject property to M-1 (Light Manufacturing) and imposed the following special contract conditions summarized below (see Attachment #4):

1. *No premises or building in said district shall be used for other than industrial, commercial and warehousing purposes, (existing code requirement).*
2. *None of said building sites designated on said map or plat may be used for any purpose or use which would constitute a nuisance or which would cause the omission of odors which are injurious or noxious to persons, (existing code requirement).*
3. *No building or structure shall ever be erected on said building sites which shall be nearer than 35 feet to the property line of the road now designated as F.M. 2233 (I-10) or nearer than 25 feet to the line of any other established access road or frontage road or any cross streets or nearer than 15 feet to the side line of any property, (not necessary).*
4. *No structures (including billboards) shall be erected within the areas required for front yard, side street yards without the approval of the City Council, (existing code requirement).*
5. *No billboard or advertising signs other than those identifying the name, business, and products of the person or firm occupying the premises shall be permitted on any building, see attachment #4, (not necessary).*
6. *No accessory building use shall be construed to permit the keeping of articles, goods, or materials in the open or exposed to public view on the front one-third of the parcel, see attachment #4, (existing code requirement).*
7. *Off-street parking facilities on the premises in back of the front yard line shall be provided on each building site to provide adequate space for customers, employees and tenants of the business on said sites, (existing code requirement).*

8. *No loading docks will be permitted to front on the highway now known as F.M. 2233 (I-10), see attachment #4, (not necessary).*
9. *No plant of any nature shall create noise in excess of the limits in the following table, see attachment #4, (existing code requirement).*
10. *No plant shall permit emission of smoke from any source whatever during normal operation of a density greater than that density described as No. 1 on the Ringlemann Chart, see attachment #4, (existing code requirement).*
11. *No plant shall employ any process that will emit any dirt, dust, sprays, or mists into air that will be transmitted beyond their property lines during normal operations, (existing code requirement).*
12. *Incandescent lights shall be so located and shielded that no incandescent light source will be directly visible from the right of way of F.M. 2233 (I-10), see attachment #4, (not necessary).*
13. *No plant shall emit any toxic or corrosive gas under any condition, (existing code requirement).*
14. *All welding and heating operation normal to any plant shall be screened from the view of adjacent properties or roadways, (existing code requirement).*
15. *All sites shall be landscaped and maintained by the planting of grass in the front set back area, see attachment #4 (existing code requirement).*
16. *Development of all parcels shall conform to the requirements of the Comprehensive Zoning Ordinance of the City of El Paso, (existing code requirement).*

The conditions imposed by the rezoning special contract are either current code requirements, are no longer applicable, or have been satisfied. The proposed use shall comply with the all El Paso City Code requirement prior to the issuance of a certificate of occupancy.
