AGENDA ITEM
DEPARTMENT HEAD'S SUMMARY FORM**

DEPARTMENT: Economic Development

AGENDA DATE: June 17, 2014

CONTACT PERSON NAME AND PHONE NUMBER: Memo Sotomayor 915-212-1572

DISTRICT(S) AFFECTED: 2

SUBJECT:

An Ordinance authorizing the City Manager to sign a lease with El Paso Independent School District for 85,400 square feet of property at Memorial Park (including a portion of a vacated street) for a 99 year term. Consideration is conveyance of District's fee interest of vacated Lackland Street near Altura Street, joint use of a portion of District flat field for pedestrian pathway and City's use of District's multipurpose center to be constructed on leased site.

BACKGROUND / DISCUSSION:

The City of El Paso and El Paso Independent School District worked together to identify underutilized properties in an effort to put them back into productive use. During the analysis, it was discovered that Crockett Elementary School was encroaching on a public park and a lease for a portion of the area had expired. This lease will rectify the issues and allow the City to be compensated accordingly. During the process of negotiating with EPISD, the EPWU/PSB identified a need for an area on Lackland Street to be used as part of the storm-water drainage system. The District proposes to construct a multipurpose center for the adjacent Crockett Elementary School. In exchange, the City will receive the fee interest of a portion of Lackland Street for the use of the City's water utility, joint use of a portion of District flat field for the construction and operation of a pedestrian pathway, and the City's use of the multipurpose center to be constructed by the District on the leased property via the Interlocal Agreement dated August 28, 2012.

PRIOR COUNCIL ACTION:

December 13, 2011 – Resolution stating the intent of the City of El Paso and EPISD to enter into leases for properties at Memorial Park and Wainwright Elementary School.

AMOUNT AND SOURCE OF FUNDING:

EPWU/PSB will be funding the construction and maintenance of the storm-water drainage system and the pedestrian pathway.

(MEMORIAL/CROCKETT)

THIS GROUND LEASE AGREEMENT (the "Lease") made and entered into as of this _____ of _____, 2014, by and between the City of El Paso, Texas, a home-rule municipality ("Landlord" or "City"), and El Paso Independent School District, a Texas independent school district pursuant to the Texas Government Code Section 791.001 et seq. ("Tenant" or "EPISD").

WITNESSETH

- A. Landlord and Tenant are political subdivisions of the State of Texas, and are authorized to provide recreational and education services.
- B. Landlord is the owner of two tracts of land located in the City of El Paso, El Paso County, Texas, containing Eighty-Five Thousand Four Hundred (85,400) square feet, more particularly described in Exhibit "A" attached hereto and shown on the boundary survey as Parcels A and B, which is attached as Exhibit "B" made apart hereof for all purposes (collectively, the "Land").
- C. A portion of the Land (described as Parcel A herein) was previously a portion of Wheeling Street, a city street that has been vacated by the City pursuant to state and local law, while the remaining portion of the Land (described as Parcel B herein) is currently designated by the City as a public park commonly known as Memorial Park, and is adjacent to EPISD's Crockett Elementary School ("Crockett ES").
- D. Tenant desires to lease the Land from Landlord for the purposes of constructing educational facilities in conjunction with Crockett ES upon the terms and conditions set forth herein.
- E. The City and EPISD agree as consideration for this Lease, EPISD will convey to the City all of the EPISD fee title interest in a portion of Lackland Street between Altura Avenue and Leeds Avenue, a city street that is proposed to be vacated by the City pursuant to state and local law for the purposes of constructing and operating a storm water and drainage pond for the City of El Paso Water Utility ("EPWU") through its Public Service Board ("EPWU Facility"), enter into a Joint Use Park Agreement allowing the City to integrate the Austin High School soccer practice flat field into a walking trail that will be constructed as a part of the EPWU Facility, and provide access to the multipurpose facility to be constructed at Crockett ES for Parks Department programming ("In-Lieu Consideration").
- F. The parties agree to pay for the performance of governmental functions and services from current revenues available to the paying party at the date of execution of this Agreement.

- G. Landlord and Tenant agree that the Ground Lease and the In-Lieu Consideration further described herein will be of mutual benefit through enhancing each party's ability to deliver governmental functions and services by allowing Tenant to use the Land to construct facilities for the education of its students and by permitting Landlord to use the Crockett ES multipurpose facility and the EPWU Facility to be constructed by Landlord for the benefit of its citizens and that the rent and other consideration, including the terms and conditions of the leases, reflect a fair value to Landlord and Tenant for the lease of the each party's land.

NOW, THEREFORE, in consideration of the covenants, conditions and provisions set forth herein, the parties hereto agree as follows:

ARTICLE I

Defined Terms

Section 1.01. Definitions. For all purposes of this Lease, unless the context otherwise requires the following capitalized terms shall have the meaning indicated below:

"Demised Premises" means the Land and the Improvements to be constructed thereon.

"Improvements" means all buildings, structures, and other improvements hereafter constructed or placed upon the Land by Tenant.

"Land" means the real property described in Exhibit "A".

"Lease Term" means the period commencing on the Rent Commencement Date, and terminating at midnight on the day prior to the ninety-ninth (99th) anniversary of the Rent Commencement Date, unless the Lease Term shall sooner terminate.

"Permitted Use" means the use and occupancy of the Demised Premises for operation of a school and related purposes.

ARTICLE II

Grant and Term of Lease, Rental; Use

Section 2.01. Leasing Clause; Term. In consideration of the obligation of Tenant to pay rent herein provided and in consideration of the other terms, covenants, and conditions of this Lease, Landlord does hereby lease, demise, and let unto Tenant, and Tenant does hereby take and lease from Landlord, the Demised Premises, TO HAVE AND TO HOLD the Demised Premises, together with all rights, privileges, easements, and appurtenances belonging to or in any way appertaining to the Demised Premises for the Lease Term, upon and subject to the terms, conditions, and agreements hereinafter contained.

Section 2.02. Intentionally omitted.

Section 2.03 Offsetting Consideration. In lieu of monetary payment as consideration for this Lease, the Tenant agrees (1) that at the time the vacation is approved by the City Council, EPISD will convey to the City all its interest in the vacated portion of Lackland Street, including the underlying fee title as well as its interest in the vacated right of way, for a storm water and drainage pond for the City of El Paso Water Utility ("EPWU") through its Public Service Board ("EPWU Facility"); (2) it will enter into a Joint Use Park Agreement allowing the City/EPWU to integrate the Austin High School soccer practice flat field into a walking trail along the northern portion of the field that will be constructed as a part of the EPWU Facility as further depicted in the Concept Plan set forth in the attached **Exhibit "C"**, and (3) provide access to the multipurpose facility to be constructed at Crocket ES for Parks Department programming (the "In Lieu Consideration"). The parties acknowledge that that pursuant to Government Code Section 272.001(l), the City is vacating a portion of the right-of-way on Lackland Street between Altura Avenue and Leeds Avenue and that under state law the Landlord and Tenant are each the owner of an adjacent property and have the right to conveyance of it proportionate share of the vacated right-of-way, as further depicted in the attached **Exhibit "D"**. It is the agreement of the parties that the value paid by EPISD to the City for the use of this Memorial Park Property and the In-Lieu Consideration paid by the EPISD to the City for are nearly equal. There is a value to both entities to exchange the properties to support each entity's mission to provide educational, water resources and recreational services to the public. No further monetary payments shall be made by EPISD for the Demised Premises or the use of EPISD properties by the City, except for such payments as may be required under the Joint Use Agreement and the Interlocal agreement described in Section 2.04 below. It is the intent of the parties hereto that the two leases between the City and EPISD and the covenants to provide the services described therein are adequate consideration.

Section 2.04. Additional Consideration. As additional consideration for this Lease, Landlord and Tenant agree that the parties may use the facilities constructed on the leased properties under the terms and conditions of an Intergovernmental Agreement between the City and EPISD dated August 28, 2012, as it may be amended from time to time by the parties. During the use of such facilities, the obligation of the parties for insurance, repair and liability shall be governed by the terms of such Interlocal Agreement.

Section 2.05. "Net" Rental. This is an absolutely net lease, and except as is otherwise expressly herein provided, all taxes, utilities, costs of improvements, maintenance, repairs, alterations, additions, replacements, and insurance relating to the Demised Premises shall be at the sole cost and expense of Tenant; and Landlord shall not be obligated to make any improvements, repairs, alterations, additions, or replacements whatsoever to the Demised Premises. Throughout the term of this Lease, Tenant, at Tenant's own cost and expense, shall keep the Improvements, and all appurtenances thereunto belonging, in good and safe condition, order, and repair; and Tenant shall conform to and comply with all valid ordinances, regulations or laws (federal, state or municipal) affecting the Demised Premises, and Tenant shall be responsible for all penalties, damages, or charges imposed or incurred for any violation by Tenant of such ordinances, regulations, or laws whether occasioned by the neglect of Tenant or by Tenant's agent, contractor, or licensee then upon or using the Demised Premises. Tenant shall also be responsible for any and all costs arising out of any accident or other occurrence

causing injury to or death of persons, or damage to property, due to the condition of the Demised Premises, or of any buildings or other Improvements now or hereafter situated thereon, or the fixtures or personal property thereon or therein, or due to the use or neglect thereof by Tenant or any other persons holding under Tenant. It is not Tenant's intent, nor should this provision be construed otherwise, to waive Tenant's governmental immunities against premises defects or any legal defenses to any suits or claims for damages.

Section 2.06. Permitted Use.

A. The Demised Premises may be used only for the Permitted Use.

B. In no event may all or any portion of the Demised Premises be used for any unlawful use or any use other than the Permitted Use, without the prior written consent of Landlord, which consent shall not be unreasonably withheld or delayed.

No goods, merchandise or materials shall be kept, stored or sold in or on said Demised Premises which are explosive or hazardous and which are not in customary use in the businesses herein authorized; and no offensive or dangerous trade, business or occupation shall be carried on therein or thereon. All herbicides and pesticides applied to the Demised Premises by the Tenant should conform to the requirements of the Texas Occupations Code and the Tenant's Integrated Pest Management Plan, as such may hereafter be amended, a copy of which has been provided to and approved by the Landlord.

Section 3.03. Ownership of the Improvements. The Improvements and any modifications, additions, restorations, repairs and replacements thereof hereafter placed or constructed by Tenant, at Tenant's expense, upon the Demised Premises shall be owned by

Tenant, its successors and assigns, until the expiration of the Lease Term and any extensions thereof; provided that (i) the terms and provisions of this Lease shall apply to the Improvements; and (ii) the Improvements (with the exception only of movable trade fixtures, furniture, books, computer connections but excluding computer cabling, educational equipment but excluding HVAC, plumbing, electrical, and mechanical equipment, and personalty) shall be surrendered to and become the absolute property of Landlord upon the termination of the Lease Term, whether by expiration of time or otherwise.

Section 3.04. Liens. It is expressly acknowledged and understood that Landlord does not consent, and has not by the execution and delivery of this Lease consented, to the imposition of any liens upon the Landlord's interest in the Demised Premises by any party whomsoever. The provisions in this Article are solely for the benefit of the parties to this Agreement and are not intended to create or grant any rights, contractually or otherwise, to any third party.

ARTICLE IX

Condemnation

Section 9.01. Definitions. Wherever used in this Article, the following words shall have the definitions and meaning hereinafter set forth:

- A. **"Condemnation proceedings"** means any action or proceedings brought by an entity other than the Landlord or the Tenant for the purpose of any taking of the fee of the Demised Premises or any part thereof or any other property interest therein by competent authority as a result of the exercise of the power of eminent domain, including a voluntary sale to such authority either under threat of condemnation or while such action or proceeding is pending.
- B. **"Taking" or "taken"** means the event of vesting of title to the fee of the Demised Premises or any part thereof pursuant to the condemnation proceedings.

Section 9.02. Entire Taking. If substantially all of the Demised Premises shall be taken in condemnation proceedings, this Lease shall terminate as of the taking.

Section 9.03. Partial Taking. If less than substantially all of the Demised Premises shall be taken in condemnation proceedings, and Tenant shall determine in its reasonable business judgment, within ninety (90) days after such taking, that the remaining building or buildings cannot be economically and feasibly used by Tenant, Landlord or Tenant, at their election, may terminate this Lease on thirty (30) days notice to the other party to such effect.

Section 9.04. Application of Award. If this Lease shall terminate pursuant to the provisions of Section 9.02 or Section 9.03 of this Article, the condemnation award shall be apportioned and paid in the following order of priority:

- A. There shall be first paid any and all reasonable expenses, charges and fees, including reasonable attorney's fees, in collecting the award.
- B. Landlord shall then be entitled to receive an amount equal to the fair market value of the Land (but not the Improvements) constituting part of the Demised Premises.
- C. The balance of the award, if any, shall be paid to Tenant and Landlord shall have no obligation to refund any of the Base Rental.

Section 9.05. Application of Award in Partial Taking. If it is determined pursuant to the provisions of Section 9.03, that the remaining Improvements after a partial condemnation can

be used economically by Tenant, (i) this Lease shall not terminate but shall continue in full force and effect as to the portion of the Demised Premises not taken, and (ii) Tenant shall commence and proceed with reasonable diligence to repair or reconstruct the remaining building or buildings on the Demised Premises to a complete architectural unit or units to the extent proceeds of the condemnation award are available therefor. Landlord's share of the award in condemnation proceedings for any partial taking where repair or reconstruction is undertaken shall be apportioned and paid in the following order of priority:

A. There shall first be paid any and all reasonable expenses, charges and fees, including reasonable attorney's fees, in collecting the award;

B. The proceeds of the awards shall next be used as a fund for the restoration and repair of the building, improvements and equipment situated on the Demised Premises to a complete architectural unit or units. Such proceeds shall be held by Landlord and Tenant jointly and shall be paid out from time to time to persons furnishing labor or materials, or both, including architects' fees and contractors' compensation in such restoration work on vouchers approved by a licensed architect or engineer approved by Landlord and contracted or employed by Tenant to monitor and supervise the work;

C. Landlord shall then be entitled to an amount equal to the fair market value of the Land taken; and

D. The balance of the award shall be paid to Tenant and Landlord shall have no obligation to refund any of the Base Rental.

Section 9.06. Consent to Settlement by Landlord. Tenant shall have primary responsibility for dealing with the condemning authority in the condemnation proceedings but Tenant shall not make any settlement with the condemning authority nor convey or agree to convey the whole or any portion of the Demised Premises to such authority in lieu of condemnation without first obtaining the written consent of Landlord thereto.

ARTICLE X

Default

Section 10.01. Events of Default. The following events ("**Events of Default**") shall be deemed to be events of default by Tenant under this Lease:

A. If Tenant shall fail to pay any sum of money payable hereunder on the date the same is due and such failure shall continue for a period of thirty (30) days after due written notice to Tenant.

B. If Tenant shall fail to comply with any term, provision or covenant of this Lease, other than the payment of rent or other sums of money, and shall not cure such failure within thirty (30) days after due written notice thereof to Tenant; or if such failure cannot reasonably be cured within the said thirty (30) days and Tenant shall not have commenced to cure such failure within such thirty (30) day period and shall not thereafter with all due diligence and good faith proceed to cure such failure as soon as reasonably practicable.

C. If a decree or order by a court of competent jurisdiction shall have been entered adjudging Tenant bankrupt or insolvent or appointing a receiver or trustee or assignee in bankruptcy or insolvency of all or substantially all of its property, and any such decree or order shall have continued in force undischarged or unstayed for a period of ninety (90) days.

D. If Tenant shall do or permit to be done anything that creates a lien upon Landlord's interest in the Demised Premises, and any such lien is not discharged or bonded within ninety (90) days after filing.

E. If Tenant abandons the Demised Premises for two (2) consecutive years by failing to use same for operation of a public school and related programs.

Section 10.02. Remedies. Upon the occurrence of any such Event of Default, Landlord shall have the right, at Landlord's election to pursue, in addition to and cumulative of any other rights Landlord may have, at law or in equity, any one or more the following remedies without any notice or demand whatsoever:

A. Terminate this Lease, in which event Tenant shall immediately surrender the Demised Premises to Landlord, and if Tenant fails so to do, Landlord may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession of the Demised Premises and expel or remove Tenant and any other person who may be occupying such premises or any part thereof, without being liable for prosecution or any claim of damages therefor.

B. With an appropriate court order, enter upon and take possession of the Demised Premises and expel or remove Tenant and any other person who may be occupying such premises or any part thereof without being liable for prosecution of any claim for damages therefor.

Section 10.03. Cumulative Rights. Pursuit of any of the foregoing remedies shall not preclude Landlord's pursuit of any of the other remedies herein provided or any other remedies provided by law, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent due to Landlord hereunder or of any damages accruing to Landlord by reason of the violation of any of the terms, provisions and covenants herein contained. Failure by Landlord to enforce one or more of the remedies herein provided, upon any event of default, shall not be deemed or construed to constitute a waiver of such default or of any other violations or breach of any of the terms, provisions and covenants herein contained. In determining the amount of loss or damage which Landlord may suffer by reason of termination of this Lease or the deficiency arising by reason of the reletting by Landlord as above provided, allowance shall be made for the expense of repossession and any repairs reasonably undertaken by Landlord following repossession in order to return the Demised Premises to substantially the same condition as at the time of default, normal wear and tear expected.

Section 10.04. Re-Entry of Landlord. No re-entry or taking possession of the Demised Premises by Landlord shall be construed as an election on its part to terminate this Lease unless a written notice of such intention is given to Tenant. Landlord, at its option, may make such alterations, repairs and/or decorations to the Improvements as it, in its reasonable judgment, considers advisable and necessary upon the occurrence of an Event of Default, at the cost of

Tenant, and the making of such alterations, repairs and decoration shall not operate or be construed to release Tenant from liability hereunder. Landlord shall in no event be liable in any way whatsoever for failure to relet the Demised Premises and the Improvements or, in the event the Demised Premises and the Improvements are relet, for failure to collect rent thereof under such reletting; and in no event shall Tenant be entitled to receive any excess of such rent over the sums payable by Tenant to Landlord hereunder.

Section 10.05. Effect of Waiver or Forbearance. No waiver by Landlord of any breach by Tenant of any of its obligations, agreements, or covenants hereunder shall be a waiver of any subsequent breach or of any obligation, agreement or covenant, nor shall any forbearance by Landlord to seek a remedy for any breach by Tenant be a waiver by Landlord of its rights and remedies with respect to such subsequent breach.

ARTICLE XI

Attorney's Fees

If on account of any breach or default by either party hereunder, it shall become necessary for the other party hereto to employ an attorney to enforce or defend any of such party's right or remedies hereunder, and should such party prevail in a final judgment, the party against whom enforcement was sought shall pay to the other party any reasonable attorney's fees incurred by reason of such proceedings.

ARTICLE XII
