STRATEGIC GOAL: #2 Set the Standard for a Safe and Secure City

SUBJECT:

Request that the Director of Purchasing and Strategic Sourcing be authorized to issue an initial purchase order in the amount of \$49,950 to International Business Machines Corporation for an annual subscription to the CopLink System. A one (1) year term is the minimum required by the agreement, however, a second year term will be contingent upon grant funding for a total contract amount of \$99,900 for the two (2) year period.

BACKGROUND / DISCUSSION:

The City of El Paso purchased server-based CopLink software in 2010. This server-based CopLink software will be phased out at the end of its current maintenance agreement (1/2017) and replaced by the cloud-based version of CopLink. CopLink is a proprietary IBM solution. The subscription fees associated with this purchase will be paid for using FY2015 SHSP Fus LE grant funding. There is no cost to the City for this purchase and, in fact, will offer a cost saving of more than \$65,000 per over the server-based CopLink version.
