ISMAEL LEGARRETA, P.E. is presently the General Manager for Kasco Structures (El Paso Machine and Steel Co. Inc.) and has been for the past 14 years. Ismael obtained his Bachelor of Science in Civil Engineering from the University of Texas at El Paso in 1986. He is licensed under the structural designation and has been practicing structural engineering since . Previously, he was the chief engineer and co-owner of Ramsey Steel Co. in El Paso.

His involvement in SEAOt includes being the local chapter President of the El Paso Chapter in 2009. Ismael's dedication to SEAOt lead to his being President of SEAOt in 2010 and Past President in 2011. During his term as President , he championed the SE Licensure Initiative by SEAOt. After his presidency , Ismael continued on the SEAOt board by chairing the Financial Health Committee for 2 years. Ismael currently serves as the alternate State Director for El Paso.

Ismael's community involvement has always being focused on the need to encourage young people to enter the engineering and science fields. As President of AACE (Academy of Civil Engineers) at UTEP, Ismael has helped provide resources for the SEAOt student chapter and all Civil Engineering students. Ismael has served on the UTEP advisory board and the Committee to select new UTEP professors as a representative of SEAOt and AACE. His involvement at the university led to his running for the Ysleta school board in El Paso and serving on this board for 9 years.

Ismael's list of civic involvement includes serving on the boards of the Salvation Army, United Way, El Paso Jaycees and the Alumni Association at UTEP.
