

Bridge Const. Agreement 2nd Amendment

August 06, 2019

*Strategic Plan Goal:
7) Enhance and Sustain El Paso's Infrastructure Network*

Amendment

- That the City Manager be authorized to sign an Second Amendment to the Agreement by and between the City of El Paso and Consor Engineers, LLC., for the project "**Alabama, Davis, Delta, and Yarbrough Bridge Construction**".
- Amendment is for required utility coordination and drainage improvements related to the design and construction of the Yarbrough Bridge and Arvin Rd.
- \$14K additional design fees paid for by El Paso Water
- Additional construction costs for this work will also be paid by El Paso Water

Project Location – Yarbrough Drive Bridge

8

Intersection of Yarbrough Drive and Independence Drive

An aerial photograph of a city skyline at sunset. The sky is filled with large, dark clouds that are illuminated from below by the setting sun, creating a dramatic orange and yellow glow. The city below is a dense collection of buildings, with several tall skyscrapers standing out. In the foreground, a residential neighborhood is visible, featuring a grid of streets and houses with varying rooflines. The overall scene is a mix of urban architecture and natural light.

THANK YOU
