Kimberly C. Shaw, MIM, MAAC, CIA, EA

Curriculum Vitae

Current position:

Owner of Individualized Systems, El Paso's Aggressive De-Tax Professionals. With clients around the globe she specializes in Tax Planning and Representation and Financial Control and Asset Protection for Small Businesses, Individuals, and Non-profit Organizations.

Appointed in 2004 by Senator Tom Reynolds to the National Small Business Advisory Council where I continue assisting the RNCC with proposals for tax law changes, in 2017 I was appointed to the Presidential Advisory Committee for the same purpose.

Education:

Bachelor's Degree (BA) from the University of Texas El Paso at age 19. At age 21, I am the youngest graduate ever of the prestigious international Thunderbird School of Global Management where I earned her first Masters Degree in International Management (MIM) specializing in Finance and Budgeting. I earned a second Masters Degree in Accounting and Tax Law (MAAC) from the University of Texas at El Paso. I am one of only four Certified Internal Auditors (CIA) in the El Paso/Las Cruces area and is the only one to have passed the 16-hour international certification exam in a single sitting. I also passed the two-day IRS Enrolled Agent exam in a single sitting putting me in the top 2% nationwide in both Certifications.

Audit and Taxation Representation:

With over 35 years experience in all forms of taxation on both local and international levels I now spend my time representing taxpayers before the IRS and other taxing authorities for clientele around the country to include Attorneys, Judges and CPAs. I recently settled an IRS case with an assessment of \$687,000 for \$10,000 and another for \$68,000 that started at \$2.2 million dollars. I have a proven record of 95.10% in tax assessment reductions. You may have seen me on Channels 4 or 26 providing Tax Tips to the El Paso/Juarez area.

Forensic Examination, Records Management, Asset Protection, and Budgeting:

With more than 42 years in financial management, budgeting and asset protection I was responsible for finding and correcting an \$8.5 million discrepancy between book and bank cash balances for the City of El Paso which required reviewing over 9,000,000 transactions. I worked for over 10 years as the Senior Auditor on the annual audits of two National Not-for-Profit Educational organizations. Over past years, I dealt with State Comptroller audits, Internal Revenue Audits and a variety of State audits dealing with I/S clients' tax and financial records and have a proven record of increased income and asset protection while lowering costs and increasing cash flow.

Teaching:

I have taught and tutored a variety of accounting and tax classes at both Undergraduate and Graduate levels in a various Universities and Colleges both in the United States and Europe to include: University of Maryland, City Colleges of Chicago, University of Phoenix, El Paso Community College and the University of Texas El Paso. I regularly teach seminars on Business Activity Records Documentation Analysis and Management, Taxation and Internal Controls for various entities in and around the El Paso area and have appeared frequently on Television and Radio providing information on business and tax management.
