“Safety Town is a great program for the children of El Paso and the quality of our community.”

My child participated July 9-13, 2018. He was excited to return each day. He is quite verbal and active about his new safety skills: crossing the street, fire safety, crossing lights, strangers, knowing his address and parent’s phone numbers.

Kudos to the El Paso Police Department, including Cynthia Aguinaga, Safe Communities Coordinator.”

Nan Napier
