Mayor and City Council Representatives  
City of El Paso  
300 N. Campbell  
El Paso, TX 79901

Honorable Mayor and City Council Representatives:

I write in enthusiastic support of the renaming of the City's Lomaland Community Center (709 Lomita Drive) to the Sylvia A. Carreon Community Center.

I have had the privilege of knowing Ms. Carreon for well over a decade. She is a dedicated, passionate member of our community who has devoted herself to public service. She works hard for her neighborhood, for our kids and for our quality of life. She devotes herself to endeavors that make the lives of others so much better, and she is selfless in her work.

Her commitment has made El Paso better.

It is my hope that the Council supports this effort and honors a lifetime of positive community work with this renaming.

Thank you all for your leadership,

Veronica Escobar
