This easement shall be for the term of Grantee's franchise and any extension and renewal thereof by the Grantor. In accepting this easement, Grantee agrees that Grantor shall have the power at any time to require Grantee to remove and abate, at Grantee's expense, any installation or structure that is dangerous to life or property and that Grantor shall have the power at any time to require Grantee to change the route and position of its poles, lines, conduits or other construction at Grantee's expense when the El Paso City Council (the "City Council") shall find, by resolution, that such change is necessary in the closing, opening or relocation of streets or alleys, or water or sewer lines, the changing of grade of streets or alleys, the construction and maintenance of public improvements, the construction of private buildings, the construction or use of driveways or under other conditions which the City Council shall find necessary. Provided, however, that Grantee shall be entitled to be paid for its costs and expense of any relocation, raising or lowering of its wires or cables required by Grantor if such expenses or costs are reimbursable or payable to Grantee or Grantor by the State of Texas, the United States, or any agency or subdivision of either whether directly or indirectly. Grantor shall use its best reasonable efforts to consult and confer with Grantee before requiring any such relocation or raising or lowering of its lines or cables, with a view to accomplishing the result reasonably and economically.
