

**CITY OF EL PASO, TEXAS
AGENDA ITEM
DEPARTMENT HEAD'S SUMMARY FORM**

DEPARTMENT: Engineering and Construction Management

AGENDA DATE: September 24, 2013

CONTACT PERSON/PHONE: Irene D. Ramirez, P.E., Interim City Engineer, 541-4428

DISTRICT(S) AFFECTED: 6

SUBJECT:

Discussion and action to award Solicitation No. 2013-260 for Blackie Chesher Park Improvements to Best Ironworks and Screens, Inc., for an estimated total amount of \$79,996.30.

Department:	Engineering and Construction Management
Award to:	Best Ironworks and Screens, Inc. El Paso, TX
Base Bid:	\$79,996.30
Total Estimated Award:	\$79,996.30
Time for Completion:	90 Consecutive Calendar Days
Accounts:	190-28340-580270-4560-PCP12MFG640
Funding Source:	2012-2013 Certificates of Obligation, Short Term CIP
District:	6

It is requested that the City Manager be authorized to establish the funding sources and make any necessary budget transfers and execute any and all documents necessary for execution of this award.

Work under this unit price contract is only an estimated value and will be ordered, performed, invoiced, and paid by measure quantity. The actual cost of this contract may be higher or lower than the total estimated value and will be the sum total of unit prices at the end of the contract term.

As a part of this award, upon the review of the City Attorney, the City Engineer may without further authorization from City Council approve contract changes which are necessary for proper execution of the work and carrying out the intent of the project, which are in accordance with applicable law, do not make changes to the prices and are within the appropriate budget.

This is a low bid, unit-price contract. The Engineering & Construction Management Department recommends award as indicated to the lowest responsive and responsible bidder.

BACKGROUND / DISCUSSION:

The Blackie Chesher Park Outfield Fencing project is located in District # 6 at 9143 Escobar Drive. This project involves the removal of the existing outfield fencing and replacement with a new 8' high chain link fencing with double gated access and maintenance gates.

Other improvements include new foul ball pole markers with ribbon and minor ground surface grading.

SELECTION SUMMARY:

The solicitation was advertised on 7/16/13 and 7/23/13. A total of 38 interested bidders picked up a bid package. The bid was opened on 8/7/13 and 6 bids were received.

BLACKIE CHESHER PARK IMPROVEMENTS

SOLICITATION No. 2013-260

SCOPE OF WORK

BASE BID

The contractor shall provide all labor, equipment, materials and incidentals to remove existing outfield chain link fences, gates, line posts, corner posts, concrete footings, bushes, and ground leveling of surrounding ground where applicable and construct new chain link fencing, gates, corner posts, gate posts, foul ball pole markers- two at each field, and new concrete footings.

See attached plan for each field below. Contractor is to field verify all dimensions and quantities.

NOTES:

- Existing gates to be salvaged and delivered to Parks Dept. at a location determined by field staff for the three of six double gates. Remaining three double gates are to be removed, protected and re-installed on site.

BASE BID

The Blackie Cheshher Park Improvements-Softball Outfield Fencing project consists of providing all labor, equipment, material and incidentals to install a new athletic outfield chain link fencing at Field 1, Field 2, and Field 3 at the Blackie Cheshher Park located at 9143 Escobar Drive.

The contractor shall be responsible for the demolition of existing fencing. Remove all poles, concrete footings, fencing, fabric, and vegetation and dispose at proper disposal site.

OPTION 1: FIELD 4

Option 1 consists of providing all labor, equipment, material and incidentals to install new athletic outfield chain link fencing at Field 4 at the Blackie Cheshher Park located at 9143 Escobar Drive.

OPTION 2: FIELD 5

Option 2 consists of providing all labor, equipment, material and incidentals to install a new athletic outfield chain link fencing at Field 5 at the Blackie Cheshher Park located at 9143 Escobar Drive.

The new work consists of but not limited to: installing athletic outfield fencing and access gates at Blackie Cheshher Park. Each softball field will include 8ft high outfield fence and 15 ft high corner poles at the foul area to serve as foul line poles. Exact measurements are solely the responsibility of the contractor. It is the contractor's responsibility to locate existing underground utilities as well as electrical and irrigation lines, these lines must be marked by a professional in the field. It is also the contractor's responsibility to coordinate with the Engineering & Construction Management & the Parks & Recreation Departments the construction activities so there is no conflict with scheduled games and tournaments. The contractor must protect and secure the fields once the existing outfield fence has been demolished; this will include

temporary fencing. The fence's bottom and middle rails must be welded to the vertical posts, no fittings will be allowed to connect these rails to the vertical posts and top rails must be welded to the terminus or gate posts. In addition, all post caps and screws need to be tack-welded, cleaned, primed and painted with galvanized paint.

Additional notes and comments:

1. Protect existing irrigation system.
2. Protect existing underground cabling.
3. Protect existing underground utilities.
4. Protect existing 17' to 20' high chain link fence section that is in proximity to playground area on Field #4 (this is approximately 80 lineal feet of chain link fence and along right field).
5. Remove existing outfield fence chain link fabric, rails, tension bands, tension wire, poles with concrete footings, all hardware, gates, etc., to include the corner/gate posts for each existing double gate that is to be re-installed (3 total double gates) salvage for Parks - 2 double gates found on Field #5 that are not to be reused.
6. Remove vines/shrubs that are growing along outfield fence line.
7. Remove and protect existing double wide gates that are along the walk paths between Fields #1 and #5, Fields #2 and #3, and Fields #4 and #5. Note that double gates between Fields #1 and #5 need to have 4 new caps installed; match existing.
8. Posts, whether Gate Posts or Line Posts, are to be aligned with softball fields foul lines and painted yellow (coordinate locations with El Paso Parks and Recreation Department care off Paula Powell (915) 351-1320).
9. New Fence Posts are to be set at maximum spacing of 10' center to center.
10. New Gate/Terminus Posts are to be set at proper distance to accommodate re-installation of existing Double Gates to insure proper operation of all equipment.
11. Gate/Terminus, Line Posts, all Rails and Gate Frames are to be of required material and pipe sizes as called out in the City Council adopted Parks Design and Construction Standards.
<<http://home.elpasotexas.gov/parks/documents/ParkDesignConstructionStandards.pdf?1369181505>>.
12. Coordinate with Parks and Recreation Department and General Services Department for scheduled maintenance on possible site preparation. Minor site preparation will be performed by contractor(s).
13. Coordinate the work on softball fields in a sequential order as discussed and agreed by Parks and Recreation Department. Based on time schedule of work one field will be worked on at a time; if scheduling permits contractor(s) may work on more than one field at a time.
14. Softball field that is (are) being worked on will need to be properly secured by contractor(s) for the safety and general welfare of park patrons.
15. Softball fields must be kept clean and free of any construction waste daily for the safety and general welfare of park patrons.
16. Concrete footings must be installed with a formed top (Sonotube or form may be used) finished at 3" above finished ground and tapered to insure water sheds off top of footing. Bottom Rail must be installed 3" above finished ground to insure that it may be welded in place in its entirety.
17. Chain Link Fabric must be installed to provide a clearance of 1/2" to 1-1/2" above finished ground.
18. Ribbons on Foul Line Markers are to be set so they are facing towards the field's play area.

Once the contractor has been authorized to begin work, he should have 30 consecutive calendar days per field to complete the project (150 consecutive calendar days total).

This project will be accomplished as shown below or as approved by the City of El Paso Engineering Department. All work shall begin at Notice to Proceed, and must be completed within the indicated time frame.

- **Issuance of Notice to Proceed**

This project will be accomplished as shown below or as approved by city of El Paso Engineering Department and Parks and Recreation Department. All work shall begin at Notice to Proceed and must be completed within the indicated time frame. More than one field can be started concurrently subject to user department approval. The LD's will be charged according to the table below:

	No. CCD – Substantial Completion	LD's per CCD – Substantial Completion	No. CCD – Remaining Work	LD's per CCD – Remaining Work
Base Bid I: Softball Field No. 1	25	\$150.00	5	\$150.00
Base Bid I: Softball Field No. 2	25	\$150.00	5	\$150.00
Base Bid I: Softball Field No. 3	25	\$150.00	5	\$150.00
Option 1: Softball Field No.4 if awarded	25	\$150.00	5	\$150.00
Option 2: Softball Field No. 5 if awarded	25	\$150.00	5	\$150.00

NOTE: Owner has the option to issue Notice to proceed concurrently or separately depending on their operational needs.

THIS IS A UNIT PRICE PROJECT

To Substantial Completion 125 consecutive calendar days

Remaining Work Completion 25 consecutive calendar days

Total Construction Contract Time 150 consecutive calendar days

Prior to commencement of any work, the Contractor shall submit and obtain approval from City of El Paso, Engineering & Construction Management Department, for the Sequence of Construction, Schedule of Work, and Haul/Waste Route to an approved disposal site. Traffic Control Plan must be submitted and approved, if applicable. Contractor shall provide written approved documentation from the owner or operator of the waste site.

The description of this scope of work as shown above is only a general overview of this project. Contractor shall refer to the project plans and specifications for further information.

Contractor

Best Iron Works

Project 1

Blackie Chesher Park Soccer Fields

Project 1 Scope

Installation of chain link fence 8' high - 1100 lineal feet and wrought iron fence 5' high about 550 lineal feet. Project cost is \$50,297.00.

Project 1 Comments

The project was completed as per schedule and meeting contract requirements last Aug. 2013. They completed fencing job as a subcontractor to Medlock.

Project 2

Magellan Power Plant

El Paso Electric Company

Project 2 Scope

Installation of 14,500 lineal feet of 9' high chain link security fencing and 10' high double gates. Project cost was \$318,000.00.

Project 2 Comments

The project was completed successfully with no major problems as per contract plans and specifications as a subcontractor to CSA Constructors.

Project 3

El Paso High School

EPISD

Project 3 Scope

Installation of baseball fields, softball fields and soccer fields. Project cost was \$132,000.00

Project 3 Comments

The project was completed successfully with no major problems as per contract plans and specifications.

PROPOSAL

TO THE HONORABLE MAYOR AND CITY COUNCIL
CITY OF EL PASO
EL PASO, TEXAS

Cham Link
Fence

CGW 6/5/11

The undersigned having familiarized themselves with the local conditions affecting the cost of work and with the Contract documents consisting of Invitation to Bid, Instructions to Bidders, General Conditions, the Contractor's Proposal, Special Bid Conditions, Applicable Wage Rates, the Contract Form, plans, specifications, drawings, and addenda on file in the Engineering & Construction Management Department of the City of El Paso, hereby propose to perform everything required to be performed and to provide, furnish and install all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services, and to complete in a workmanlike manner all the work required for the

Blackie Cheshier Park Improvements

Solicitation No. 2013-260

within the specified limits and in accordance with the plans, including Addenda numbers _____, AT THE FOLLOWING UNIT PRICES:

ONLY ONE BIDDER MAY BE AWARDED THIS CONTRACT PURSUANT TO THIS BID.

Note: For this solicitation, the lowest responsible bid will be determined based on the sum total of Base Bid I plus Option I and/or Option II in any combination as the budget allows.

NOTE: The quantities shown in the unit price schedule are ESTIMATES ONLY. They are shown here only for the purpose of comparing bids as an expected total expenditure. The City, at its sole discretion, will direct exactly how many actual units will be placed, and will pay for only those units that are ordered and accepted. No payments will be made regarding the estimated quantities, they are estimates only.

Estimates are minimums, but not guaranteed minimums, and the contract cost can increase so long as the unit costs remain the same and the increased funds are appropriated in the budget. Line item entries shall prevail over sum total entries. When discrepancies exist between unit prices and corresponding extended prices, unit prices shall prevail.

EACH PROPOSAL MUST BE SUBMITTED ON THE PRESCRIBED FORM AND all blank spaces on the proposal form for proposal prices must be filled in, in ink or typewritten. FAILURE TO FILL IN ALL BLANK SPACES SHALL CAUSE THE BID PROPOSAL TO BE DEEMED NOT RESPONSIVE AND BID PROPOSAL WILL NOT BE CONSIDERED IN DETERMINING THE LOWEST RESPONSIBLE BIDDER.

Blackie Chesher Park Improvements-Outfield Fencing

Solicitation No. 2013-260

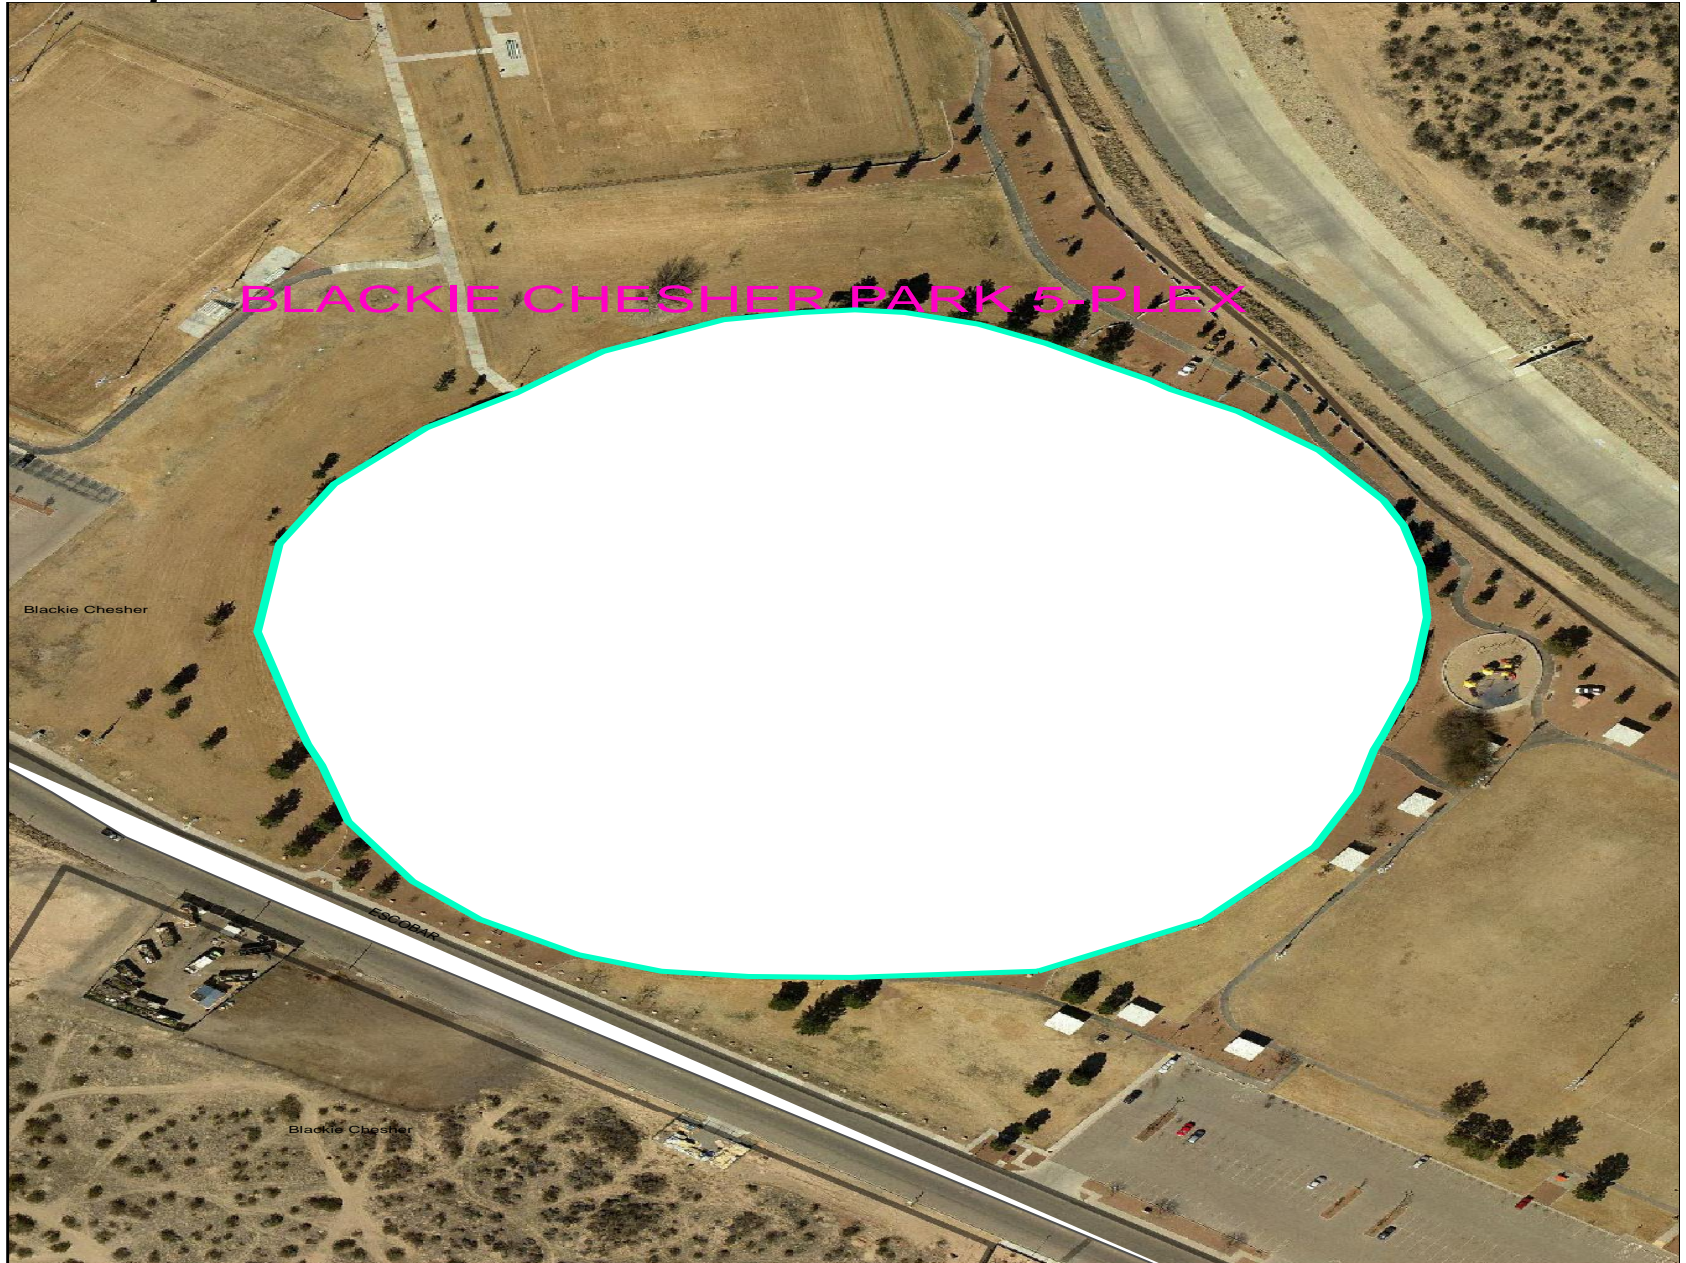

Scope of Work

District # 6 – 9143 Escobar Drive

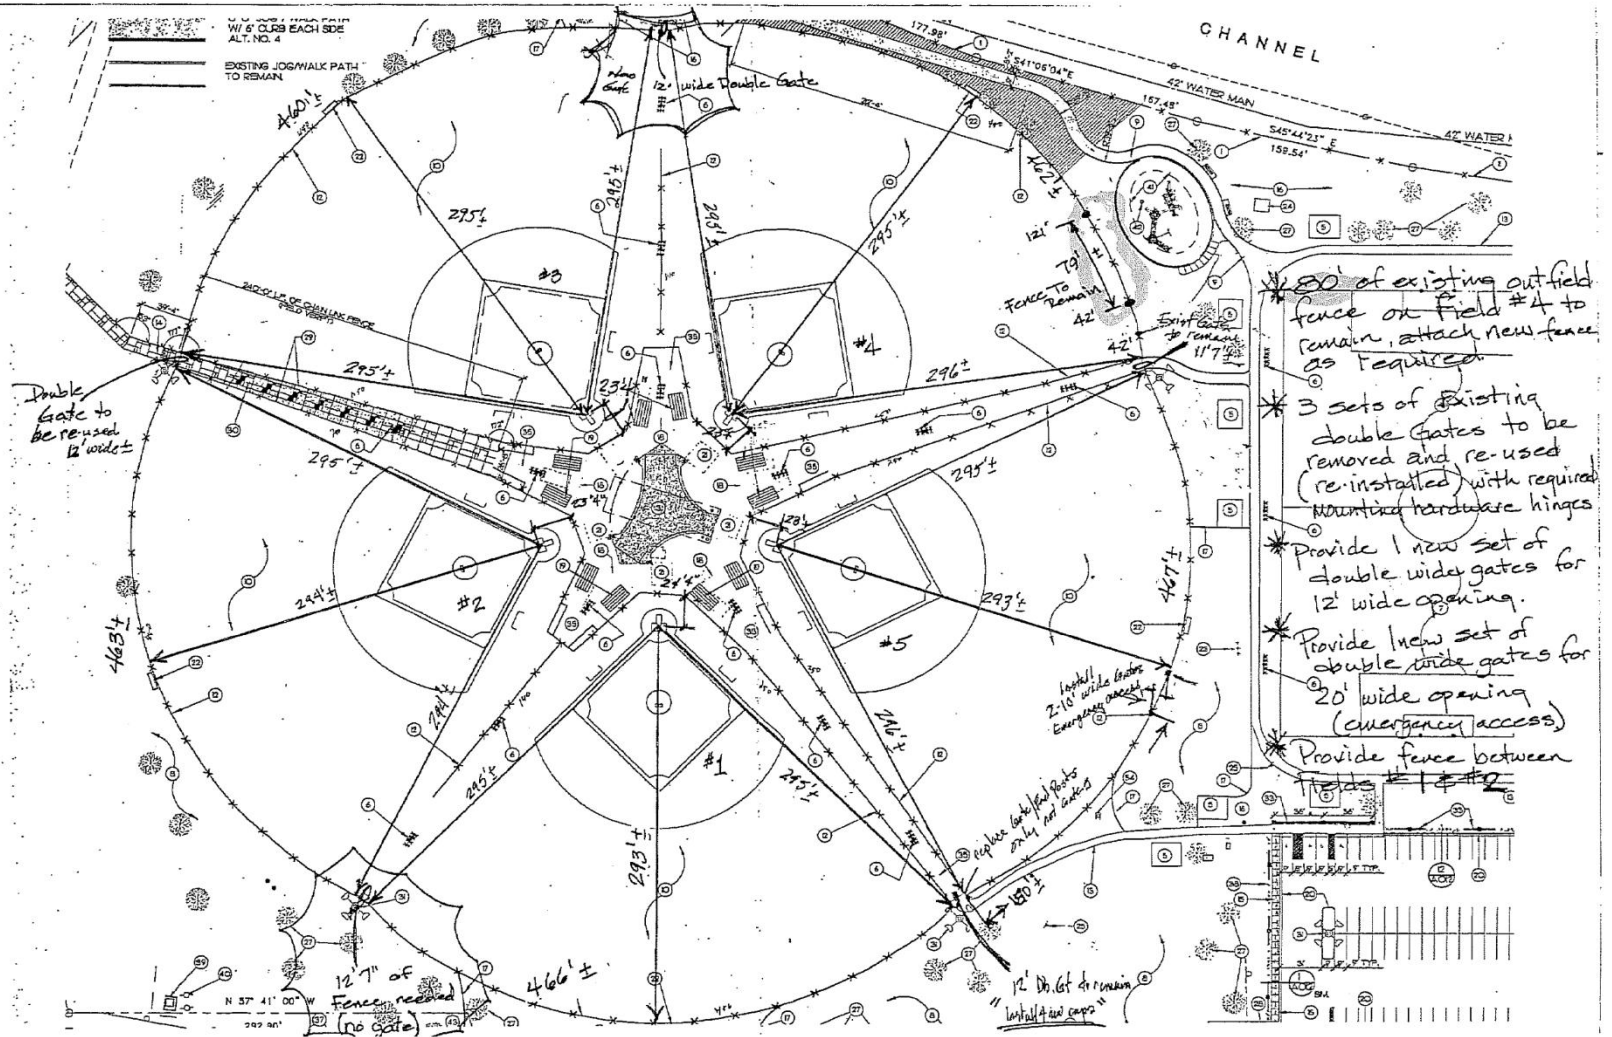

The Blackie Chesher Park Improvements-Outfield Fencing project consists of:

- ❖ Demolition and removal of existing outfield fencing, poles, fabric, footings & vegetation and fields 1, 2, and 3.
- ❖ Installing new outfield fencing for fields 1, 2, and 3.
- ❖ Installing foul line pole markers and ribbon.
- ❖ Installing chain link double gates
- ❖ Installing access gates
- ❖ Minor grading

Project Limits

Park Site Plan

Blackie Chesher Park- 5 Plex Softball Complex

Funding Source: 2012 – 2013 Certificate of Obligations

- This is a low bid, unit priced contract **#2013-260**
 - **Six (6)** bids were received
- Recommendation:
 - Award to **Best Iron Works** as the lowest responsible and responsive bidder.
 - Award Base Bid to **Best Iron Works in the amount of \$79,996.30**

Construction Time Frame:	60 Consecutive Calendar Days
