4. **TIMES OF PERFORMANCE.** The City of El Paso shall commence the provision of its services on the 1st day of September 2019, and shall terminate on the 31st day of August 2020, regardless of the date of execution of this Agreement.

4.1 This Agreement will automatically renew each year unless the parties execute a new agreement by August 31st for the next year of performance or unless either party terminates this Agreement within 30 days after the beginning of the next fiscal year. If the Agreement is automatically renewed, the rate for service shall be as set forth in Schedule C of the annual budget as approved by the El Paso City Council for the respective fiscal year. Any change to the rate for service reflected by the City of El Paso's Schedule C shall be effective for the period beginning on September 1st of the next year of performance. All other terms and conditions of the Agreement shall remain in full force and effect. By way of example, the parties agree that if the City of El Paso adopts Schedule C in August of 2020, and said Schedule C changes any rate for service covered by this Agreement, said rate change shall be effective beginning on September 1, 2020 through August 31, 2021. For each year that this agreement will be automatically renewed, the City

of El Paso shall notify the City of Socorro by August 1st of each year regarding the proposed service rates set forth in Schedule C for the upcoming fiscal year. The parties understand that any rate provided prior to the El Paso City Council's adoption of Schedule C is merely a guide which may or may not be changed once the El Paso City Council approves Schedule C which will contain the actual rate for service.

- 4.2 In the event of a public health or environmental emergency, such as, but not limited to, a disaster declaration of the City of Socorro, requiring, as a result of the emergency, specific health and environmental services from the City of El Paso after August 31, 2020, and prior to the signing of a subsequent interlocal agreement for health and environmental services between the parties to this Agreement, the required services shall be provided by the City of El Paso to the City of Socorro at the rate described in this Agreement, and the City of Socorro shall pay for said services at said rate within thirty (30) days of receipt of an invoice from the City of El Paso for said services.

All fees that the City of Socorro collects for this purpose shall be paid to the City of El Paso on a quarterly basis, within 30 days of the conclusion of the quarter. The City of Socorro shall also provide the City of El Paso with a report indicating the amount of fees collected and the time period associated with such collection.
