**STATE OF TEXAS            )        CHAPTER 380 ECONOMIC DEVELOPMENT**  
   )        **PROGRAM AGREEMENT**  
**COUNTY OF EL PASO        )        (Infill Construction Materials Sales Tax Rebate)**

This Chapter 380 Economic Development Program Agreement ("Agreement") is made and entered into by and between the CITY OF EL PASO, TEXAS, a Texas home rule municipal corporation, ("CITY"), and **George E. Hermann, Trustee for the George E. Hermann Living Trust**, a Florida trust, as the property owner (the "APPLICANT"), for the purposes and considerations stated below:

### RECITALS

The APPLICANT desires to enter into this Agreement pursuant to Chapter 380 of the Texas Local Government Code (hereinafter referred to as "Chapter 380").

On August 24, 2010, City Council adopted, and subsequently amended on November 16, 2010, an Infill Development Incentive Policy to promote infill development through property tax abatements, sales tax rebates, and other incentives for eligible projects meeting certain criteria.

The CITY desires to provide, pursuant to Chapter 380, incentives to APPLICANT to construct or renovate the REAL PROPERTY located at 1211 E. Cliff Dr., El Paso, TX, meeting the eligibility requirements of the Infill Development Incentive Policy, such development being more specifically described in Exhibit B attached hereto (the "DEVELOPMENT") which is in the designated incentive area as more specifically described in the Infill Development Incentive Policy.

- A. The CITY has the authority under Chapter 380 to make loans or grants of public funds for the purposes of promoting local economic development and stimulating business and commercial activity within the City of El Paso.
- B. The CITY determines that a grant of funds to APPLICANT will serve the public purpose of promoting local economic development and enhancing business and commercial activity within the City of El Paso.
- C. The CITY and APPLICANT desire the construction or renovation of the DEVELOPMENT and the CITY has further determined that the DEVELOPMENT will advance the CITY'S revitalization strategy for the future growth and development of the CITY and directly and indirectly result in the creation of additional jobs in the CITY and stimulate commercial activity in an undeveloped area, the value of such benefits to the CITY outweighing the amount of the REBATE the CITY will provide to APPLICANT under this Agreement.
- D. The contemplated use and improvement of the Property in the amounts and for the purposes set forth in this Agreement and the other terms hereof will encourage increased economic development in the CITY, provide significant increases in the CITY'S sales tax revenues, and improve the CITY'S ability to provide for the health, safety and welfare of the citizens of El Paso; and

- E. The CITY has concluded and hereby finds that this Agreement clearly promotes economic development in the City of El Paso and, as such, meets the requisites under Chapter 380 of the Texas Local Government Code and further, is in the best interests of the CITY and APPLICANT.
