Ordinance Amending Title 12.88.030

Purpose of Amendment

On behalf of the neighborhood, the Capital Improvement Department (CID) has requested to restrict parking for a 135-ft segment of Manor Place, at the intersection with Alameda Avenue, in order to accommodate the new geometric configuration of the reconstructed street. The new geometric alignment allows for two lanes exiting onto Alameda Avenue – one for right-turning traffic and one for left-turning traffic – which requires use of the entire width of the street, preventing space for on-street parking at this location.

Parking restriction limits:

- Manor Place, from Alameda Avenue to a point 135 feet south thereof, west side only.
