MEMORANDUM

DATE: September 25, 2014

TO: The Honorable Mayor and City Council
Tommy Gonzalez, City Manager

FROM: Michael McElroy, Planner

SUBJECT: PZRZ14-00024 (Related to PZCR14-00005)

The City Plan Commission (CPC), on August 28, 2014, voted 8-0 to recommend **approval** of rezoning the subject property from R-3A/c/sp (Residential /condition/special permit) to C-1 (Commercial).

The CPC found that the rezoning is in conformance with Plan El Paso. The CPC also determined that the rezoning protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the rezoning will have no negative effects on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

The Planning division received one letter and one phone call in opposition of the rezoning request.

Notice of a Public Hearing was mailed to all property owners within 300 feet of the subject property on July 30, 2014. The Planning Division has received one phone call and one letter in opposition to the rezoning request.

CASE HISTORY

Ordinance No. 14578 (Attachment 4), approved August 15, 2000, rezoned the subject property (a portion of Parcel 1 in the ordinance) from R-3 to R-3A and imposed conditions as follows:

- 1. No building permits shall be issued for Parcels 1 to 5 until a subdivision plat has been approved by the City Plan Commission and recorded with the El Paso County Clerk.*
- 2. No building permits shall be issued for Parcel 1 until a special permit for planned residential development and a detailed site development plan have been approved by the El Paso City Plan Commission and City Council.*
- 3. The following uses shall be prohibited within Parcel 5:*

- a. *Banks or other similar financial institutions, drive-in or otherwise.*
- b. *Theaters*
- c. *Garage, community, parking lot.*
- d. *Temporary non –accessory tents for special purposes.*
- e. *Temporary non-accessory amusement park.*
- f. *Swimming pools.*
- g. *Railroad right-of-way.*
- h. *Automotive tune-up service.*
- i. *Automobile and light truck lubrication service.*
- j. *Outdoor flea market.*
- k. *Retail shopping center.*

Condition #3 does not apply to the subject property. Conditions #1 and #2 of Ordinance No. 14578 have been satisfied.

Ordinance No. 14603, dated September 5, 2000, granted Special Permit SU-00008 (Attachment 5) to allow for a planned residential development on the subject property. While the majority of the parcel granted the special permit has been developed accordingly, only the small portion comprising the subject property has remained vacant.

As part of the rezoning request City Council will be asked to repeal the special permit for the subject property only.

APPLICATION DESCRIPTION

The property owner is requesting a rezoning from R-3A/c/sp (Residential/condition/special permit) to C-1 (Commercial) to clean-up up the existing split zoning. The property is currently vacant and is 0.5722 acres in size. The conceptual site plan proposes a 15,000 sq. ft. shopping center for 12 tenant spaces. The development requires 50 parking spaces and provides 54, including 3 ADA accessible spaces and bicycle parking. A 10’ landscape buffer is proposed at the rear along residentially-zoned properties. Access is proposed from Vista del Sol with additional egress-only on Jose Bombach.

PLANNING DIVISION RECOMMENDATION

The Planning Division recommends **approval** of rezoning the subject property from R-3A/c/sp (Residential) to C-1 (Commercial). The majority of the lot is already zoned C-1 (Commercial) and the rezoning will clear up the present split-zoning and enable the lot to be developed to its full potential.

Plan El Paso-Future Land Use Map Designation

All applications for a rezoning shall demonstrate compliance with the following criteria:

G-4 – Suburban (Walkable): This sector applies to modern single use residential subdivisions and office parks, large schools and parks, and suburban shopping centers. This sector is generally stable but would benefit from strategic suburban retrofits to supplement the limited housing stock and add missing civic and commercial uses.

The purpose of the C-1 (Neighborhood Commercial) district is to provide compatible neighborhood convenience goods and services that serve day-to-day needs. Permits locations for business and professional offices and retail category uses within adjacent residential areas of medium and high densities.

COMMENTS:

City Development - Planning Division - Transportation

No objections. A TIA is not required.

Note: All existing / proposed paths of travel (accessible sidewalks, wheelchair access curb ramps and driveways) within public rights-of-way shall be in compliance with current ADA/TAS rules and regulations and the current City of El Paso Design Standards for Construction.

City Development Department – Building & Development Permitting

No objections to proposed rezoning.

City Development Department – Landscape Review

No objections.

City Development Department - Land Development

No objections.

El Paso Fire Department

The re-zoning case as submitted has been reviewed and the fire dept. recommends approval for the re-zoning.

El Paso Water Utilities

EPWU does not object to this request.

Water:

1. There is an existing 8-inch diameter water main extending along Joe Bombach that is available for service, the water main is located approximately 8-ft east from the center line of the right-of-way.
2. There is an existing 12-inch diameter water main extending along Vista Del Sol Drive that is available for service, the water main is located approximately 35-ft north from the center line of the right-of-way.

Sanitary Sewer:

1. There is an existing 8-inch diameter sanitary sewer main extending along Joe Bombach that is available for service, the sewer main is located approximately 5-ft west from the center line of the right-of-way.
2. There is an existing 12-inch diameter sanitary sewer main extending along Vista Del Sol Drive that is available for service, the sewer main is located approximately 24-ft south from the center line of the right-of-way.

General:

1. 6. EPWU requires a new service application to provide service to the property. New service applications are available at 1154 Hawkins, 3rd floor and should be made 6 to 8 weeks in advance of construction to ensure water for construction work. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

Subject: Preserve Wildlife Land
Date: Monday, August 25, 2014 1:40:33 PM

We as El Pasoans need to incorporate and focus more on preserving spaces in our community for our peace of mind. We need to be more aware and acknowledge our wildlife animals and their habitats just like we are aware of our growing community. Since 2005 the building of Joe Battle Freeway the populations of many wildlife conservation have been killed off, close to extinction. I've had the pleasure in seeing Coyotes and other wildlife in action in their natural habitat, roaming free. It's heartbreaking to say that the Far East of El Paso has become too commercialize with highways and acres of unsold homes still "in the building process." There is no more room, nor respect or compassion for the beauty of nature and wildlife. We need spaces that are untouched sanctuaries for our wildlife as a refuge for them. Please put aside greed and help me and others to keep El Paso's true beauty in mind and heart.
