

Supplemental Foliar Nutrients

2020-1090

November 24, 2020

Strategic Plan Goal:

3) Promote the Visual Image of the City

Purpose of Procurement

- Enable the City to enter into a contract with CMC Agronomy and Turf Care of Texas to provide foliar nutrient products used on designated game fields.
- The application of these nutrients aids the growth of grass by allowing deeper root growth causing healthier, greener grass surfaces that withstand heavier than normal foot traffic.

City Parks and Facilities Litter Control
