**R E S O L U T I O N**

**WHEREAS**, in 2007, the 80th Texas Legislature passed House Bill 2391, which amended the Texas Code of Criminal Procedure Section 14.06 relating to the appearance of certain misdemeanor offenders before a magistrate; and

**WHEREAS**, House Bill 2391 authorizes a peace officer charging a person with certain Class A or B misdemeanors to issue a citation with written notice of a later time and place to appear before the magistrate instead of taking the person immediately before the magistrate if that person resides in the county where the offense occurred ("cite and release"); and

**WHEREAS**, House Bill 2391 enumerated these certain misdemeanors to include Class A and B possession of marijuana; and

**WHEREAS**, on August 6, 2019, the El Paso City Council was briefed on the history of House Bill 2391; history on cite and release implementation in other Texas municipalities; options and the process for implementing a cite and release program for Class A and B possession of marijuana; and the goals of a cite and release program;

**WHEREAS**, even short periods of incarceration are strongly correlated with higher rates of new criminal activity; when held as few as 2 or 3 days, low-risk defendants are almost 40 percent more likely to commit new crimes before trial than defendants held for fewer than 24 hours; and

**WHEREAS**, arrests for misdemeanor possession of marijuana result in a

significant drain on our police department, pre-trial services and court resources, requiring countless man hours and tax dollars to arrest, transport, book, supervise, coordinate, and process paperwork for each alleged offender; and

**WHEREAS**, because the City Council still seeks to further the goals of reducing jail population for non-violent offenders, reducing the time officers spend on jail processing procedures, and improving response times by getting officers back into service quicker, a cite and release program for Class A and B misdemeanor possession of marijuana is in the best interest of the City of El Paso and its citizens;

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:**

**SECTION 1.** That the City Manager is directed to meet with the stakeholders and make recommendations to implement a cite and release program.

**SECTION 2.** That the City Manager provide quarterly reports to City Council regarding the cite and release program for the purposes of transparency, to provide data concerning the use of discretionary arrest in lieu of citation for nonviolent misdemeanor offenses when a ticket or citation would be allowed by state law.
