#### BACKGROUND / DISCUSSION:

The City of El Paso combined Solicitation No. 2017-1357R to afford vendors the opportunity of submitting bundled or unbundled services. Thereby, the City expected more competitive pricing and streamlined solutions to benefit options and benefit administration. The components of the solicitation are outlined as follows:

- 1. The City of El Paso offers self-funded group medical and prescription drug benefits to its eligible employees and dependents. Self-funded dental and vision benefits are included for its collectively bargained employees (Police and Fire Association members) and dependents.
- 2. City offers Flexible Spending Arrangements (FSA), Health Savings Accounts (HSA), and COBRA continuation benefits.
- 3. The City provides an employer paid Employee Assistance Program to all of its non-uniformed eligible employees and dependents.
- 4. The City purchases Stop Loss Reinsurance for its self-funded group medical and prescription drug plans to protect the plans from catastrophic losses.
- 5. The City also provides employer paid group term life to eligible employees and dependents, and accidental death and dismemberment insurance to its eligible employees.
- 6. The City makes available the following fully insured voluntary benefits to its eligible employees and dependents on a voluntary (100% contributory, employee paid) basis:
  - Dental Insurance
  - Vision Insurance
  - Supplemental Term Life Insurance
  - Dependent Life Insurance
  - Short Term Disability Insurance (eligible employees only)

The current contracts with the suppliers of these services expire on December 31, 2017. The City began preparing for this benefit solicitation in early Spring of 2017, with goals and objectives for the various programs identified in the solicitation.

Evaluation Committee included representation from Office of Management and Budget, Fire Association, El Paso Water, and Human Resources.
