TEMPORARY LAND USE LEASE

THIS Temporary Land Use Lease is made and entered into this 1st day of December 2015, between the **CITY OF EL PASO** ("Lessor") and **EAN HOLDINGS, LLC**, a Delaware limited liability company ("Lessee").

WITNESSETH:

WHEREAS, Lessor owns and operates El Paso International Airport, located in the County of El Paso, State of Texas, ("Airport"), said Airport being managed by the Director of Aviation ("Director");

WHEREAS, Lessor deems it advantageous to itself and to its operation of the Airport to lease to Lessee the parcel of land described below, together with certain privileges, rights, uses and interests therein;

WHEREAS, Lessee proposes to lease the parcel of land on a net basis from Lessor to avail itself of certain privileges, rights and uses pertaining thereto;

WHEREAS, Lessee has indicated a willingness and ability to properly keep and maintain said ground in accordance with standards established by Lessor if granted a lease on said ground area;

NOW THEREFORE, in consideration of the mutual covenants and agreements herein set forth, Lessor and Lessee agree and covenant as follows:

ARTICLE I PREMISES AND PRIVILEGES

Section 1.01 Description of Premises Demised. Subject to and on the terms, conditions, covenants, agreements and undertakings hereinafter set forth, Lessor does hereby demise and lease to Lessee and Lessee does hereby lease from Lessor the real property located in El Paso County, Texas, and more particularly described on Exhibit "A" attached hereto and incorporated herein by reference and hereinafter referred to as the "Premises".

Section 1.02 Right to Construct. Lessee shall not construct any permanent or temporary structures on the Premises, without the prior written approval of the Director.

**ARTICLE II
OBLIGATIONS OF LESSEE**

Section 2.01 Net Lease. This Lease shall be without cost to Lessor except for Lessor's obligations specifically set forth elsewhere in this Lease Agreement. Lessee shall:

- A. Keep and maintain the Premises and improvements located thereon in a good state of repair at all times;
- B. Pay all taxes and governmental charges of any kind whatsoever that may be assessed against the Lessee or the Lessor, with respect to the Premises or any improvements thereon, during the term of this Lease, including any extensions or option periods granted thereto.
- C. Pay all casualty, bond, and liability insurance premiums required in accordance with Article V hereinbelow.
- D. Maintain all ground area that is covered with concrete, asphalt or other comparable code compliant dust-free surfacing, and may fence the area in accordance with Section 1.02.

Section 2.02 Condition of Premises. Lessee accepts the Premises in their present condition and agrees that the Premises are suitable for Lessee's business, activities, and operations proposed to be conducted thereon subject to Lessee's right to construct limited improvements under the terms of this Lease. Lessee accepts the Premises "AS IS", with all faults, relying on Lessee's own inspection and judgment and not in reliance on any representations of Lessor. Lessor shall assume no responsibility as to the condition of the Premises and shall not assume responsibility for maintenance, upkeep, or repair necessary to keep the premises in a safe and serviceable condition.

Section 2.03 Compliance With Laws. Lessee, at Lessee's expense, agrees that it will operate and maintain improvements on the Premises, and in accordance with all laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, including, but not limited to, those which shall impose any duty upon the Lessor or Lessee, with respect to the use, occupation or alteration of the Premises and any improvements thereon.

Lessee, at Lessee's expense, specifically agrees to make or cause to be made all such alterations to the Premises, and any improvements thereon, including, without limiting the generality of the requirements of this sentence, removing such barriers and providing such alternative services, as shall be required by the Americans with Disabilities Act of 1990 and any other laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, which relate

to the use or occupation of the Premises and any improvements thereon by disabled persons ("Disabilities Laws").

Lessee shall, at Lessee's expense, comply with all present and hereinafter enacted Environmental Laws and any amendments thereto, affecting Lessee's use, operation, occupation or alteration of the Premises including any improvements thereon.

A. Definitions.

- (1) "Environmental Laws" means any one or all of the following as the same are amended from time to time: the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6941 et seq.; the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq.; the Safe Drinking Water Act, 42 U.S.C. Section 300h et seq.; the Clean Water Act, 33 U.S.C. Section 1251 et seq.; the Clean Air Act, 42 U.S.C. Section 7401 et seq.; and the regulations promulgated thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereinafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including sub-strata land.
- (2) "Hazardous Material" shall mean all substances, materials and wastes that are, or that become, regulated under or classified as hazardous or toxic under any Environmental Law and all petroleum products, such as gasoline, kerosene, diesel fuel, and the like.
- (3) "Release" shall mean any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping into the environment.

B. Compliance.

- (1) Lessee shall not cause or permit any Hazardous Material to be used, generated, manufactured, produced, stored, brought upon, or released, on, under or about the Premises, or transported to and from the Premises, by Lessee, its agents, employees, contractors, invitees, or a third party in violation of any Environmental Law. **Lessee shall indemnify, defend and hold harmless Lessor, its successors and assigns, its employees, agents and attorneys from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, breach of warranty or representation, or damage to persons or**

property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of, or adverse effects on, the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity which are incurred or assessed as a result (whether in part or in whole) of any activity or operation on or discharge from the Premises or any improvements thereon which activity or operation or discharge occurs on or subsequent to the effective date of this Lease. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the Premises, improvements, land, soil, underground or surface water as required under the law. Lessee's obligations and liabilities under this paragraph shall continue so long as Lessor bears any liability or responsibility under the Environmental Laws for any action that occurred on the Premises or any improvements thereon. This indemnification of Lessor by Lessee includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material located on the Premises or any improvements thereon, or present in the soil or ground water on, under or about the Premises. The parties agree that Lessor's right to enforce Lessee's promise to indemnify is not an adequate remedy at law for Lessee's violation of any provision of this Section. Lessor shall also have all other rights and remedies provided by law or otherwise provided in this Lease.

- (2) Without limiting the foregoing, if the presence of any Hazardous Material on, under or about the Premises or in any improvements thereon or permitted by Lessee results in any contamination of the Premises or any improvements thereon, Lessee shall promptly take all actions at its sole cost and expense as are necessary to return the Premises or any improvements thereon to the condition existing prior to the introduction of any such Hazardous Material to the Premises or in any improvements thereon; provided that Lessor's approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Premises or on any improvements thereon.
- (3) Lessee shall, at Lessee's own cost and expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority (the "Government") under the Environmental Laws. Should the Government determine that site characterization, site assessment and/or a cleanup plan be prepared or that

a cleanup should be undertaken on the Premises or in any improvements thereon, then Lessee shall, at Lessee's own cost and expense, prepare and submit the required plans and financial assurances, and carry out the approved plans. At no cost or expense to Lessor, Lessee shall promptly provide all information requested by Lessor to determine the applicability of the Environmental Laws to the Premises or to respond to any governmental investigation or to respond to any claim of liability by third parties which is related to environmental contamination.

- (4) Lessee shall immediately notify Lessor of any of the following: (a) any correspondence or communication from any governmental entity regarding the application of Environmental Laws to the Premises or Lessee's operation on the Premises, and (b) any change in Lessee's operation on the Premises that will change or has the potential to change Lessee's or Lessor's obligations or liabilities under the Environmental Laws.
- (5) Lessee shall insert the provisions of this Section 2.03 in any lease agreement or contract by which it grants a right or privilege to any person, firm or corporation under this Lease.

Notwithstanding any other provision in this Lease to the contrary, Lessor shall have the right of "self-help" or similar remedy in order to minimize any damages, expenses, penalties and related fees or costs, arising from or related to a violation of any law on, under or about the Premises.

Lessee's failure or the failure of its agents, employees, contractors, invitees or the failure of a third party to comply with any of the requirements and obligations of this Section shall constitute a material default of this Lease and shall permit Lessor to pursue the remedies as set forth in Section 6.02 hereinbelow, in addition to all other rights and remedies provided by law or otherwise provided in the Lease, to which Lessor may resort cumulatively, or in the alternative.

C. Reporting.

- (1) At any time that Lessee submits any filing pertaining to its property, operations, or presence on the Airport with any governmental entity (other than the Internal Revenue Service) by way of example but not in limitation, the Federal Aviation Administration, the Environmental Protection Agency or the Texas Commission on Environmental Quality, Lessee shall provide duplicate copies of the filing(s) made along with any related documents to Lessor.

- (2) Upon expiration, termination or cessation of this Lease for any reason, Lessee shall provide current environmental inspection and inventory report on the Premises acceptable to Lessor, and if, in the opinion of Lessor, the Premises shall require environmental remediation, Lessee shall perform same to return the Premises into a (like new) condition equal or better to that as of the effective date of the Lease.

Section 2.04 Lessor's Approval of Plans. Lessor's approval of any plans, specifications and working drawings for Lessee's construction or alterations of any improvements shall create no responsibility or liability on the part of Lessor for their completeness, design sufficiency or compliance with all laws, rules, and regulations of federal, state, county and municipal authorities. It is specifically understood that El Paso International Airport is only one of numerous departments of the City and that, in addition to obtaining approval of the Director of Aviation, Lessee shall be required to obtain the approval of other departments as well.

Section 2.05 Utilities. Lessee shall pay for all meters and measuring devices installed by Lessee or a utility on the Premises and shall pay for all connection service charges, deposits and utilities consumed by Lessee.

Section 2.06 Trash, Garbage, Etc. Lessee shall make suitable arrangements for the storage, collection, and removal of all trash, garbage and other refuse resulting from Lessee's activities on the Premises. Lessee shall provide appropriate, covered, commercial type receptacles, for such trash, garbage, and other refuse, and will maintain these receptacles, screened from view of adjoining properties or public streets, in an attractive, safe, and sanitary manner.

Section 2.07 Permitted Uses. Lessee will not enter into any activity on the Premises other than temporary parking of fully functioning rental cars. However, Lessee is also permitted to temporarily store only those wrecked vehicles that are pending insurance claim resolution, provided that such wrecked vehicles are entirely screened from the view of the public.

ARTICLE III TERM OF LEASEHOLD

Section 3.01 Term. The term of this Lease shall be on a month to month basis commencing on the Effective Date of this Lease, which is December 1, 2015, and can be terminated with a thirty (30) day notice to vacate by either party.

Section 3.02 Holding Over. It is agreed and understood that any holding over by Lessee of the Premises at the expiration or cancellation of this Lease shall operate and be construed as a tenancy from month to month at a rental of one and one-half (1½) times the current monthly rental, and Lessee shall be liable to Lessor for all loss or damage on account of any holding over against Lessor's will after the expiration or cancellation of this Lease, whether such loss or damage may be contemplated at this time or not. No receipt or acceptance of money by Lessor

from Lessee after the expiration or cancellation of this Lease or after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue or extend the terms of this Lease, or affect any such notice, demand or suit or imply consent for any action for which Lessor's consent is required or operate as a waiver of any right of the Lessor to retake and resume possession of the Premises.

Section 3.03 Recapture. Notwithstanding any other provision of this Lease, should Lessor execute a lease of the Premises, or should the Premises be required for Airport use, Lessee shall vacate the Premises within thirty (30) days of receipt of written notice from the Director and this Lease shall terminate.

Section 3.04 National Emergency. In the event the rights and privileges hereunder are suspended by reason of war or other national emergency, the term of this Lease shall be extended by the amount of the period of such suspension.

ARTICLE IV RENTALS

Section 4.01 Ground Rental. For the purpose of computing the monthly rental to be paid by Lessee to Lessor for the Premises (hereinafter referred to as the "Ground Rental"), Lessor and Lessee agree that the Premises comprise 60,000 square feet. The Ground Rental for the Premises will, during the lease term, be calculated on the basis of 60,000 square feet at an annual rate of \$0.51 per square foot. Initially, therefore, the annual Ground Rental shall be Thirty Thousand Six Hundred and No/100 Dollars (\$30,600.00) per year and the monthly Ground Rental will be Two Thousand Five Hundred Fifty and No/100 Dollars (\$2,550.00).

Section 4.02 Commencement of Rental. Payment of Ground Rental by Lessee to Lessor as aforesaid shall commence on the Effective Date of this Lease, which is first noted on the title page of this Lease.

Section 4.03 Time of Payment. The annual rent shall be paid in twelve (12) equal monthly installments. Said monthly rental payments shall be paid in advance on or before the first day of each and every month during the term of this Lease and shall be in the amount of Two Thousand Five Hundred Fifty and No/100 Dollars (\$2,550.00) per month.

Section 4.04 Unpaid Rent, Fees and Charges. Any installment of Ground Rental, any fees, or other charges or monies accruing under any provisions of this Lease that are not received by the 10th day of the month in which payment is due, shall bear interest at the rate equal to the maximum allowed by law the date when the same was due according to the terms of this Lease until paid by Lessee.

Section 4.05 Place of Payment. All payments provided herein shall be paid to Lessor at the following address:

**ARTICLE V
INSURANCE AND INDEMNIFICATION**

Section 5.01 Liability Insurance. Lessee, at its sole cost and expense shall, throughout the term of this Lease, provide and keep in force for the benefit of Lessor and Lessee, as their respective interests may appear, comprehensive general liability insurance in an amount not less than Five Hundred Thousand Dollars (\$500,000.00) for bodily injury to one person for each occurrence, One Million Dollars (\$1,000,000.00) for bodily injuries to more than one person arising out of each occurrence and One Hundred Thousand Dollars (\$100,000.00) for property damage arising out of each occurrence, or in amounts equal to the maximum liability for damages for municipalities for claims arising under governmental functions, provided for under the Texas Tort Claims Act, whichever is greater.

Section 5.02 Authorized Insurance Companies. All such policies of insurance shall be written by insurance companies authorized to do business in the State of Texas and shall be written by companies approved by Lessor. Such policies shall contain:

- A. A statement of the coverage;
- B. A statement certifying the Lessor to be listed as an additional insured;
- C. A statement of the period during which the policy is in effect;
- D. A statement that the annual premium or the advance deposit premium for such policy has been paid in advance; and,
- E. An agreement by the insurance company issuing such policy that the policy shall not be canceled or reduced in any amount for any reason whatsoever without at least fifteen (15) day's prior written notice to Lessor.

Section 5.03 Indemnification. LESSEE COVENANTS AND AGREES TO INDEMNIFY, HOLD HARMLESS, AND DEFEND THE CITY OF EL PASO, TEXAS, AND ITS RESPECTIVE DIRECTORS, OFFICERS, AGENTS, COUNCIL MEMBERS AND EMPLOYEES FROM AND AGAINST ANY AND ALL CLAIMS, CAUSES OF ACTION, DAMAGES, LOSSES, DEMANDS, LIABILITIES, FINES OR EXPENSES WHATSOEVER (INCLUDING REASONABLE ATTORNEY'S FEES AND COSTS OF LITIGATION) WHICH MAY BE BROUGHT, ALLEGED, OR IMPOSED AGAINST

THE CITY OF EL PASO, TEXAS, ITS RESPECTIVE DIRECTORS, OFFICERS, AGENTS, COUNCIL MEMBERS, AND/OR EMPLOYEES RELATING TO OR CONCERNING ANY DAMAGE TO OR LOSS OF PROPERTY, OR PERSONAL INJURY TO OR DEATH OF ANY PERSON ARISING OUT OF OR INCIDENT TO ITS OPERATIONS AND THE LEASING, OR THE USE AND OCCUPANCY OF THE LEASED PREMISES.

**ARTICLE VI
EXPIRATION, CANCELLATION, ASSIGNMENT AND TRANSFER**

Section 6.01 Expiration. This Lease shall expire at the end of the term or any extension thereof.

Section 6.02 Cancellation. Subject to the provisions of Article VI, this Lease shall be subject to cancellation by Lessor in the event Lessee shall:

- A. Be in arrears in the payment of the whole or any part of the amounts agreed upon hereunder for a period of ten (10) days after Lessor has notified Lessee in writing that payment was not received when due;
- B. File in any court a petition in bankruptcy or insolvency or for the appointment of a receiver or trustee of all or a portion of Lessee's property;
- C. Make any general assignment for the benefit of creditors;
- D. Abandon the Premises;
- E. Default in the performance of any of the covenants and conditions required herein (except rental payments) to be kept and performed by Lessee, and such default continues for a period of thirty (30) days after receipt of written notice from Lessor to cure such default, unless during such thirty-day period, Lessee shall commence and thereafter diligently perform such action as may be reasonably necessary to cure such default;
- F. Be adjudged bankrupt in involuntary bankruptcy proceedings; or
- G. Be made a party to any receivership proceeding in which a receiver is appointed for the property or affairs of Lessee where such receivership is not vacated within sixty (60) days after the appointment of such receiver.

In any of the aforesaid events, Lessor may take immediate possession of the Premises including any and all improvements thereon and remove Lessee's effects, forcibly if necessary, without being deemed guilty of trespassing.

Failure of Lessor to declare this Lease canceled upon the default of Lessee for any of the reasons set out shall not operate to bar or destroy the right of Lessor to cancel this Lease by reason of any subsequent violation of the terms of this Lease.

No receipt or acceptance of money by Lessor from Lessee after the expiration or cancellation of this Lease or after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue, or extend the terms of this Lease, or affect any such notice, demand or suit or imply consent for any action for which Lessor's consent is required or operate as a waiver of any right of the Lessor to retake and resume possession of the Premises.

Section 6.03 Repossessing and Reletting. In the event of default by Lessee hereunder which shall remain uncured after the required notices have been given pursuant to this Lease, and for such time as provided herein, Lessor may at once thereafter, or at any time subsequent during the existence of such breach or default:

- A. Enter into and upon the Premises or any part thereof and repossess the same, expelling therefrom Lessee and all personal property of Lessee (which property may be removed and stored at the cost of and for the account of Lessee), using such lawful force as may be necessary; and
- B. Either cancel this Lease by notice or without canceling this Lease, relet the Premises or any part thereof upon such terms and conditions as shall appear advisable to Lessor. If Lessor shall proceed to relet the Premises and the amounts received from reletting the Premises during any month or part thereof be less than the rent due and owing from Lessee during such month or part thereof under the terms of this Lease, Lessee shall pay such deficiency to Lessor immediately upon calculation thereof, providing Lessor has exercised good faith in the terms and conditions of reletting. Payment of any such deficiencies shall be made monthly within ten (10) days after receipt of notice of deficiency.

Section 6.04 Assignment, Subleasing and Transfer. Lessee shall not sublease, assign or transfer this Lease.

Section 6.05 Rights Upon Expiration. At the expiration of this Lease, Lessor shall be entitled to have the Premises returned to Lessor clear of all improvements, or may, at its option, take title to the improvements in lieu of removal by or for Lessee.

Section 6.06 Landlord's Lien. It is expressly agreed that in the event of default in the payment of rent or any other sum due from Lessee to Lessor under the terms of this Lease,

Lessor shall have a lien upon all goods, chattels, personal property or equipment, save and except delivery vehicles or rolling stock belonging to Lessee which are placed in, or become a part of, the Premises, as security for rent due and to become due for the remainder of the Lease term, which lien shall not be in lieu of or in any way affect the statutory landlord's lien given by law, but shall be in addition to that lien, and Lessee grants to Lessor a security interest in all of Lessee's personal property placed in or on the Premises for purposes of this contractual lien. Provided, however, that the terms of this provision shall have effect only to the extent they are not inconsistent with the rules and regulations of the Interstate Commerce Commission or its successor agency, and any other laws pertaining thereto and the Railroad Commission of the State of Texas. Lessor agrees that Lessor will not levy a landlord's lien against any delivery vehicle or rolling stock or any of the goods or personal property of third parties in the possession of Lessee, any sublessee or any assignee of the Lessee. In the event Lessor exercises the option to terminate the leasehold as provided herein, the Lessor, after providing reasonable notice to Lessee of its intent to take possession and giving an opportunity to cure the default, may take possession of all of Lessee's property on the Premises and sell it at public or private sale after giving Lessee reasonable notice of time and place of any public sale or of the time after that any private sale is to be made, for cash or credit, for such prices and terms as Lessor deems best. The proceeds of the sale shall be applied first to the necessary proper expense of removing, storing and selling such property, then to the payment of any rent due or to become due under this Lease, with the balance, if any, to be paid to Lessee.

ARTICLE VII GENERAL PROVISIONS

Section 7.01 Building and Equipment Heights. Heights shall be limited to the height requirements established in Federal Aviation Regulations Part 77 or successor regulations for the Airport, but shall not exceed a maximum of thirty (30) feet above the curb line.

Section 7.02 Right of Flight. The City of El Paso reserves unto itself, its successors and assigns, for the use and benefit of the public a right of flight for the passage of aircraft in the airspace above the surface of the Premises, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in the said airspace, and for the use of said airspace for landing on, taking off from or operation on the El Paso International Airport.

The City of El Paso reserves to itself, its successors and assigns, for the use and benefit of the public, a continuing right and easement over the Premises to take any action it deems necessary to prevent the construction, erection, alteration or growth of any structure, tree or other object in the vicinity of the runways at El Paso International Airport which would constitute an obstruction to air navigation according to the criteria or standards prescribed in Subpart C of Part 77 of the Federal Aviation Regulations.

The City of El Paso reserves for itself, its successors and assigns the right to prevent any use of the Premises which would interfere with aircraft landing on or taking off from the El Paso International Airport and the right to prevent any other use of the Premises which would constitute an airport hazard.

Section 7.03 Time is of the Essence. Time is and shall be deemed of the essence in respect to the performance of each provision of this Lease.

Section 7.04 Notices. All notices provided to be given under this Lease shall be given by certified or registered mail, return receipt requested, postage fully prepaid, addressed to the proper party at the following addresses:

Lessor reserves for itself and any authorized agent the right, at any reasonable time and without notice, to enter upon and inspect the Premises for all legal purposes, including without limitation the purpose of ascertaining whether the maintenance of such parcel, and the maintenance, construction, or alteration of structures thereon are in compliance with all the Environmental Laws and for the purpose of showing the Premises; Lessor shall not be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

Section 7.18 Subordination of Lease. All rights granted in this Lease shall be subordinate to the rights in any deed from the United States to the City of El Paso. This Lease shall further be subordinate to the provisions of any existing or future agreements between Lessor and the United States relative to the operation and maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of federal funds for the development of the Airport. Should the effect of such agreement with the United States Government be to substantially destroy the commercial value of the Premises, Lessee may cancel this Lease in its entirety.
