SUBJECT:

An ordinance designating a Transportation Reinvestment Zone for El Paso, describing the boundaries of the zone; providing for an effective date for the zone; naming the zone "Transportation Reinvestment Zone Number One; City of El Paso, Texas"; establishing a tax increment fund; and containing other provisions related thereto.

BACKGROUND / DISCUSSION:

This ordinance and public hearing are the last steps the City of El Paso must undertake to establish the Transportation Reinvestment (TRZ) in support of the 2008 Comprehensive Mobility Plan (CMP). Council's consideration of the ordinance meets the schedule to implement a TRZ in support of the 2008 Comprehensive Mobility Plan before the end of the calendar year to set 2008 as the base year for the property values in the proposed corridor.

Future funding agreements with TXDOT for various CMP projects rely upon the projected revenues generated in the TRZ. The economic model and TRZ boundaries were developed by Texas Transportation Institute (TTI) with whom the City contracted in September 2008. The report including methodology and boundaries was provided to Council in anticipation of the November 18th public hearing. The boundaries, a query for identifying parcels and street addresses has been available to the public through the City website since November and copies of previous presentations and the proposed ordinance have also been available via the website.

PRIOR COUNCIL ACTION:

Council endorsed the 2008 Comprehensive Mobility Plan on July 22, 2008. The TRZ was presented as a financial component of the plan. On November 4, 2008 Council authorized the City Manager to publish notice in the newspaper on November 5th of the public hearing scheduled for November 18th at 6 PM at Council Chambers. Council held the public hearing as advertised and scheduled and heard from the public. Consideration of the final adoption of the ordinance creating the TRZ is scheduled for December 23, 2008, again during a regularly scheduled Council meeting as required by law. This second public hearing complies with the requirements for adoption of City ordinances.

AMOUNT AND SOURCE OF FUNDING:

No other expenditures are associated with this action.
