Appellee.	§	

OPINION

Appellant was cited on June 17, 2023 for a speeding violation.

The case heard before the Trial Court on August 21, 2023. Appellant was assessed a fine of \$199.75, court costs of \$134.00 and a \$5.00 arrest fee.

On August 22, 2023, Appellant filed a statement in which he claims he was not speeding.

This Court has reviewed Appellant's letter and argument--however, this Court's jurisdiction is limited by law to determining whether the Trial Court committed an error of fact or law during the trial.

There is no record of the evidence introduced before the Trial Court, and the record before this Court indicates no record was requested by Appellant. Under such circumstances, this Court cannot reverse the judgment of the Trial Court who heard the evidence or overrule the Trial Court's factual findings without a record to review.

The Trial Court's judgment is affirmed.

SIGNED this 2nd day of October, 2023.
