OPINION

Appellant was cited on November 29, 2022, for improper right turn.

The case was heard before the Trial Court on May 2, 2023. Appellant was assessed a fine of \$1111.00, court costs of \$134.00.

After receiving a Notice of Intent to Dismiss issued by this Court, Appellant filed a brief and submitted pictures in support of his appeal of the trial court's finding of guilt.

This Court has reviewed Appellant's brief, pictures and argument--however, this Court's jurisdiction is limited by law to determining whether the Trial Court committed an error of fact or law during the trial.

As Defendant has failed to request a record of the trial, this Court cannot reverse the judgment of the Trial Court who heard the evidence or overrule the Trial Court's factual findings without a record to review.

The Trial Court's judgment is affirmed.

SIGNED this 17th day of January, 2024.
